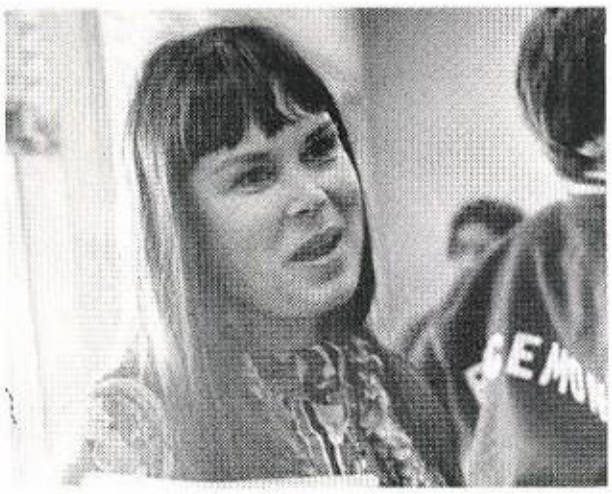
Edgemont High School, Scarsdale, New York

DEDICATION



A source of energy, standing before her class, emitting waves of speech, all octaves and speeds, she brings **Johnny Tremain** *and Homer to life for her students. From her eternal youthfulness, emerges all the bubbles of early life, tempered with the wisdom of maturity. She is always willing to share a funny story and cultivate the creative talents of students —* **Chicken Little's** *mother hen. She represents a first taste of high school that lasts, happily remembered to the end, having prepared us for an "Open Window" to the future.*

"She walks in beauty"

My name is Mark Twain, and I'm amazed to find that a lot of you people have heard of me. I liked my books, but I didn't know other people appreciated 'em so much. I suppose you want to know what I'm doing here. Well, here is my story.

I was born and reared in Missouri, but lately I've taken to living in Hartford, in the state of Connecticut. So I am a Connecticut Yankee, I suppose. Well, a fella in my trade eventually has to go around giving speeches — talking about how he became great or where he gets his ideas. I always laughed when they asked me, but I did it and took the money. This particular day I was doing a charity case — a high school round about where I live. There was this one kid everybody called "the mangler," that I could tell didn't appreciate my subject. He let me know in no uncertain terms. He had this crowbar hidden in his desk, now that I think about it, it must have been his fist, and he slammed me over the head with it. Then the world went out in darkness, and I didn't know anything — at least for a while.

When I came to again, I was sitting under an oak tree on the grass, facing a small duck pond. I was all alone, nearly. There was a fellow looking down at me — a fellow straight from our visions of the future. He was wearing a blue puffy jacket, and bright green padded satiny shoes with yellow stripes, and his hair was a huge round mass of brown curls. Except for the books he was carrying — stories I had only recently read — he might have been from outer space.

We fixed up an arrangement whereby I was to go with him and he was to find out how I could get home. We marched comfortably along, through a forest which I could not remember to have seen before, which puzzled me and made me wonder. I asked him how far we were from Hartford. He guessed three hours by car, which I took to be a lie, but allowed to go at that. In a matter of minutes I found myself in a park surrounded by colorful buildings.

"Bridgeport?" said I, pointing.

"Edgemont," said he.

"What are all these building for?" I asked. They certainly looked different to me than the ones I had seen recently in Hartford. Of course, everything was looking different. I shook my head, wondering if all the marbles were still there.

"Oh, they're for classes. This is a high school, you know."

I stopped dead in my tracks. Oh well, I never needed all those marbles anyway.

"Yeah, I spend half my life here," the kid continued.

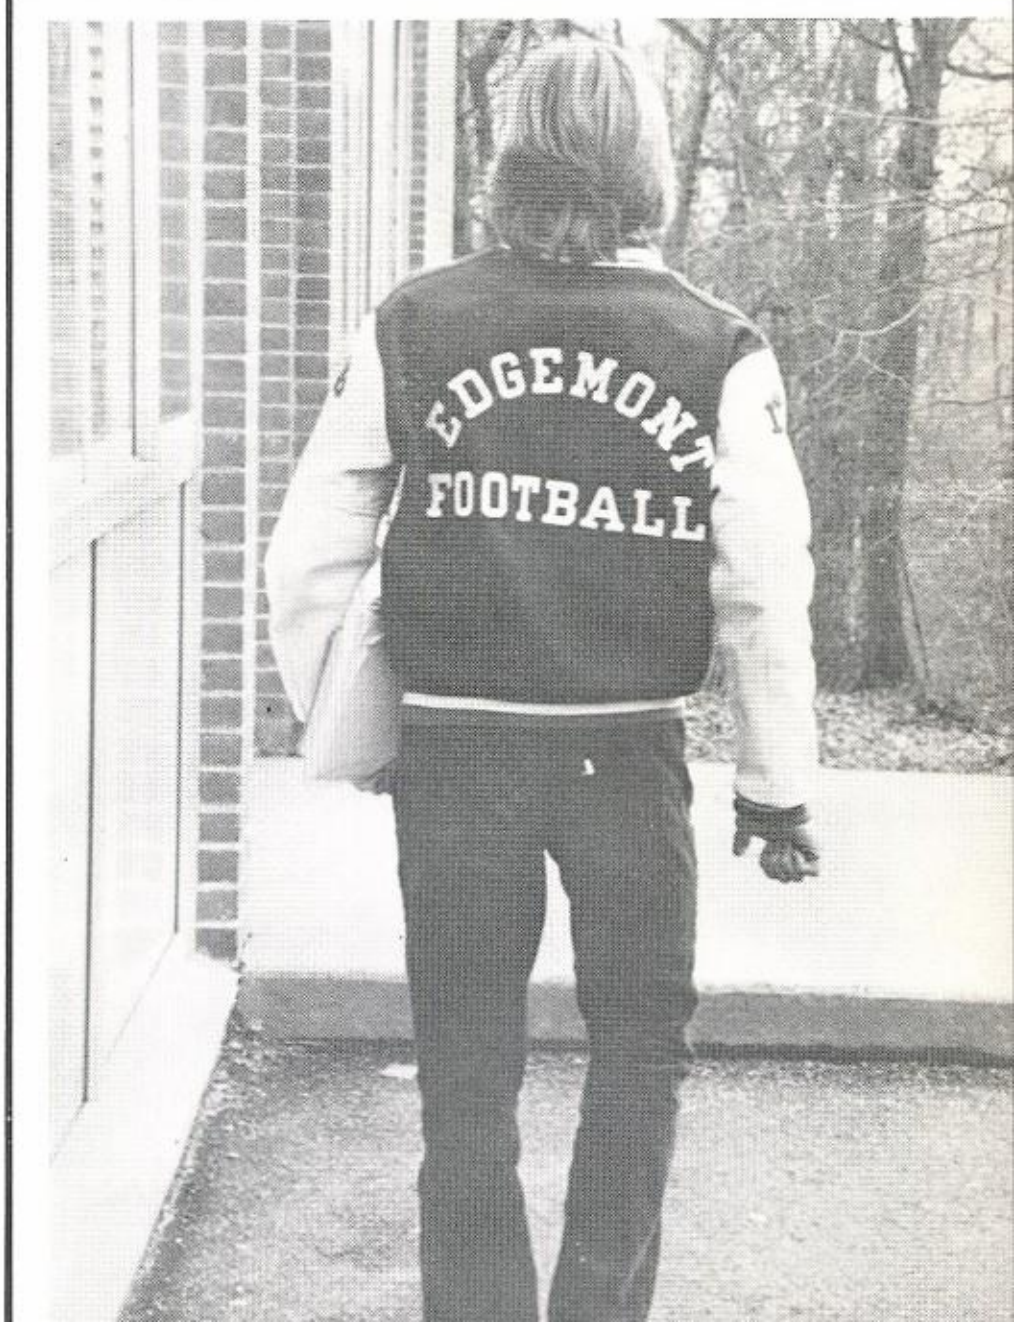
"Sure ain't like the one-room schoolhouse I remember. Of course, I like to think of a Mississippi riverboat as my high school."

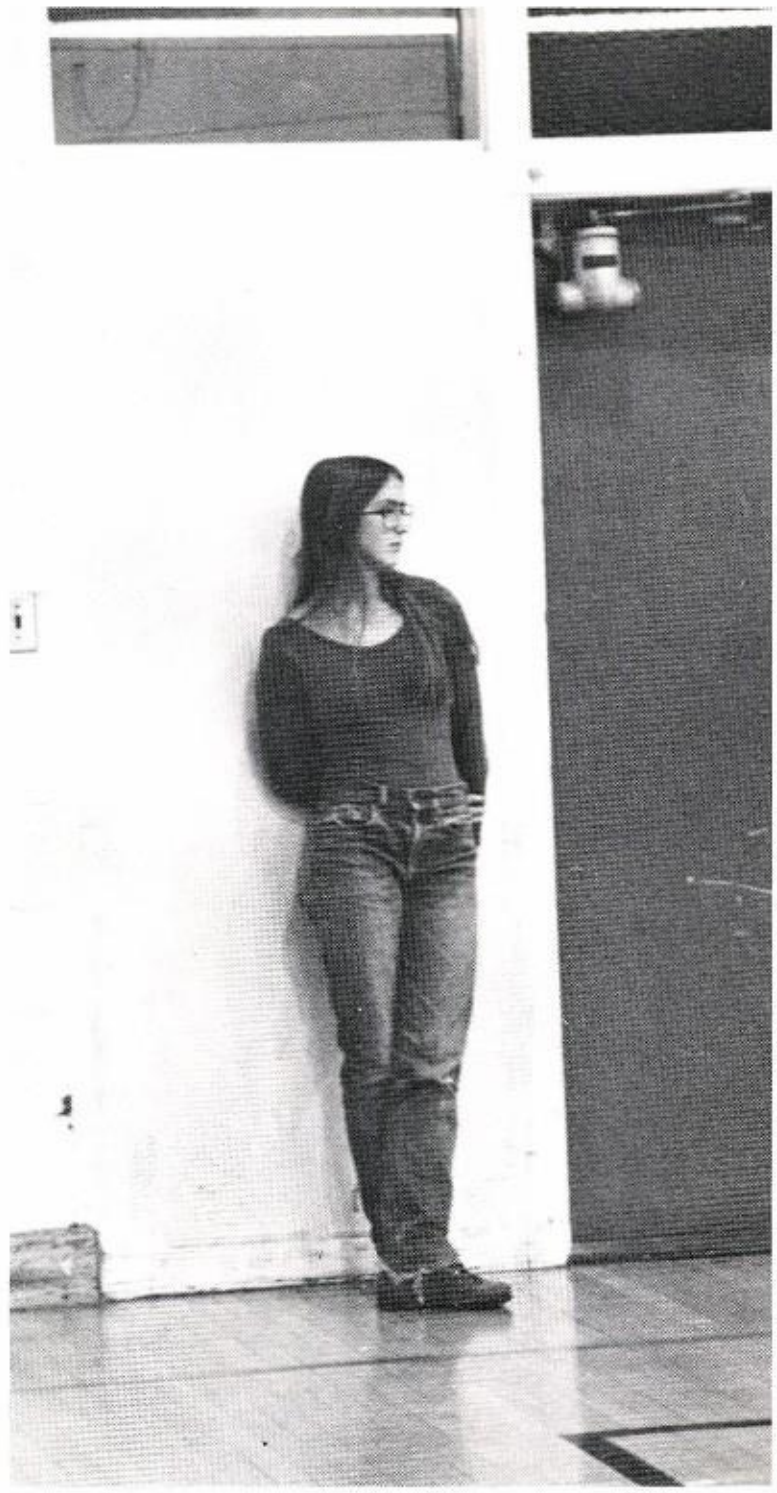
Then the kid looked at me and said, "What's your problem, buddy?"

"This is really a high school, huh? I was just at a school, and boy, it sure was different. The people were far more hostile. Would you mind showing me around the place a bit? Hope you won't mind if I talk a lot. I'm prone to do that. It comes from giving a lot of speeches. Or, like I was saying at that other school when I was so rudely interrupted, 'I will now teach, offering my way of life to whosoever desires to commit suicide by the scheme which has enabled me to beat the doctor and the hangman for seventy years.'"

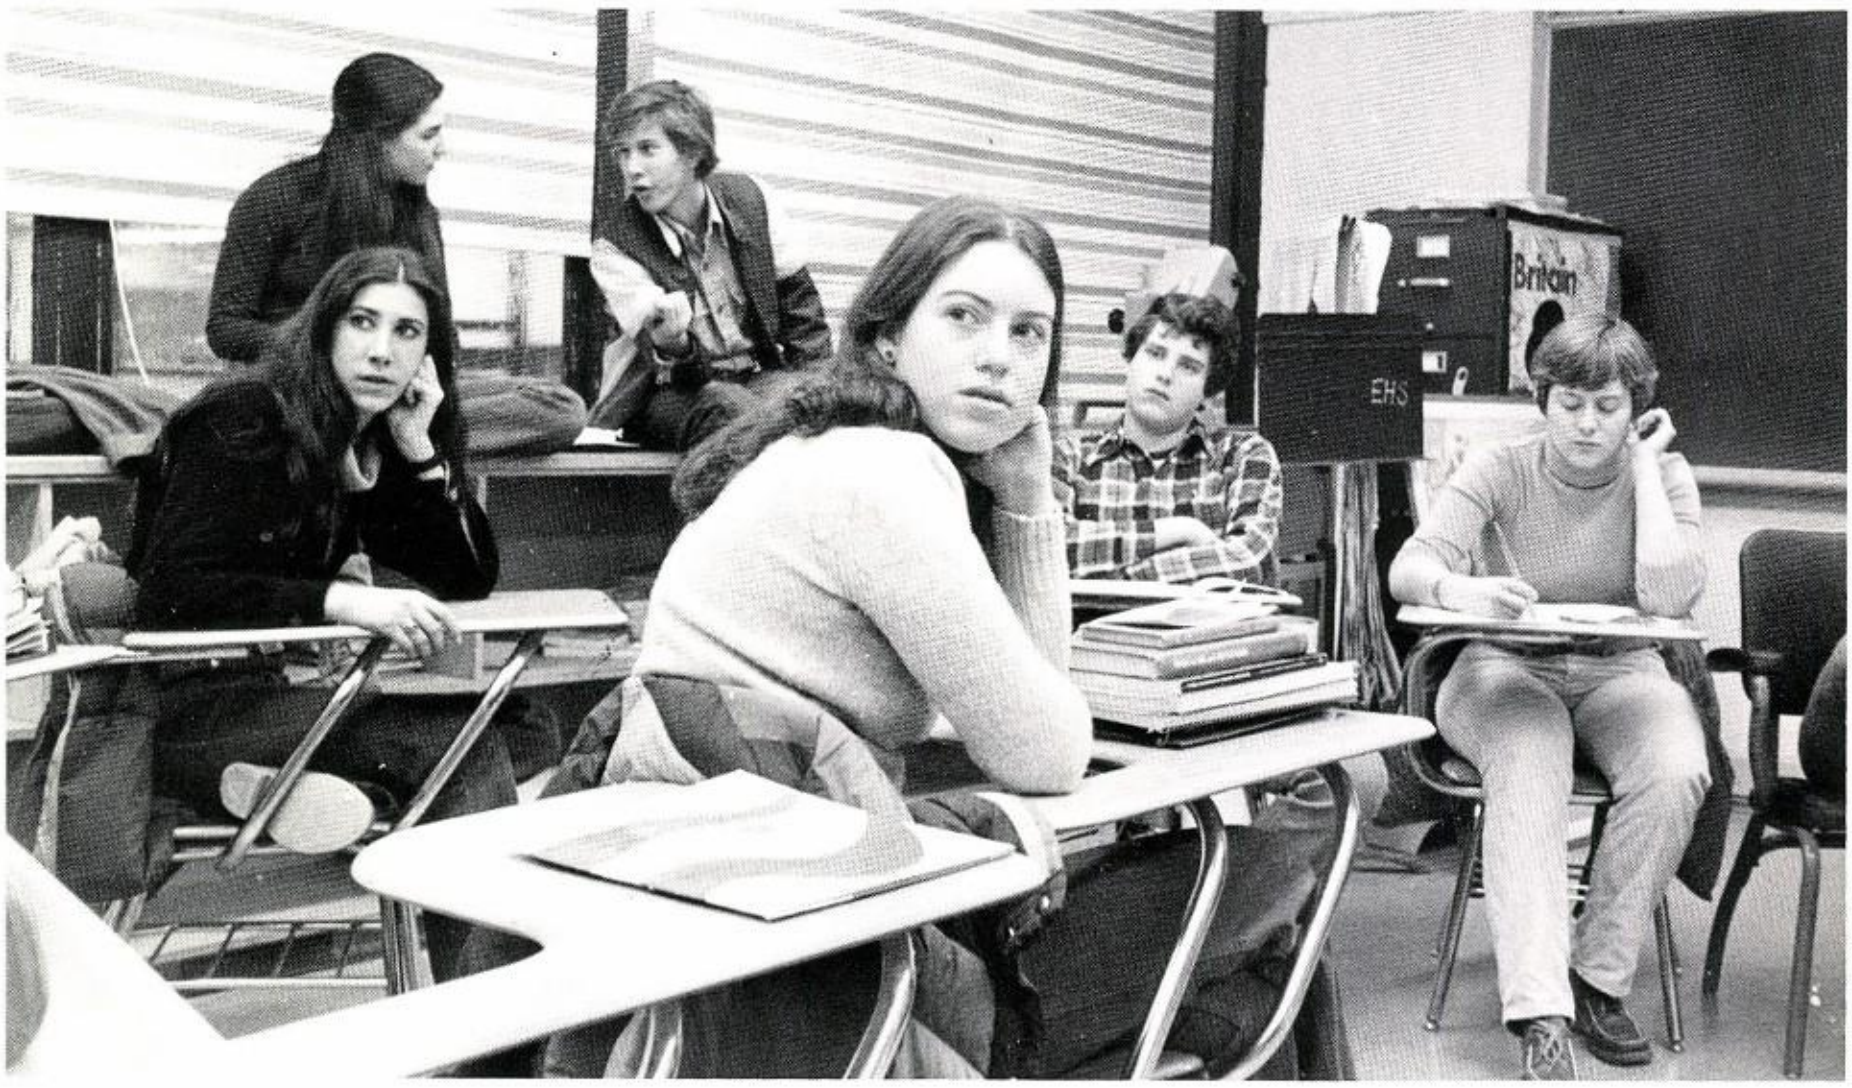
We can't reach old age by another man's road.

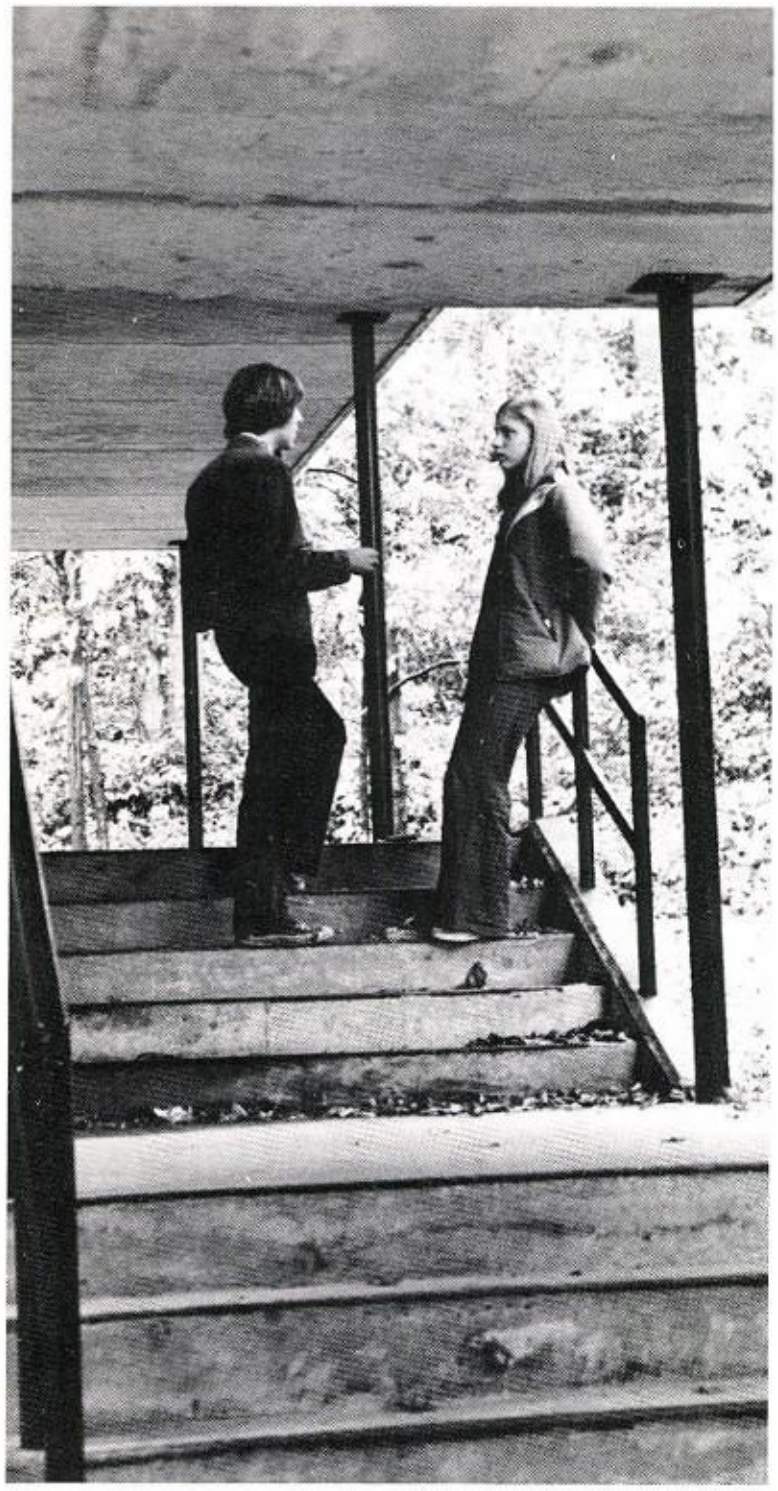
He wandered far from
accustomed haunts of boys,
and sought desolate places
that were in harmony
with his spirit





Keep away from people who try to belittle your ambitions.
Small people always do that, but the really great
make you feel that you too can become great.





The miracle, or the power, that elevates the few is to be found in their industry, application and perseverance under the promptings of a brave, determined spirit.

Dear Kevin,
It was sure
one hell of a year!
I'm really glad I got
to know you. The play
was so much fun. We
have alot of fem years
ahead of us. Have a great
Summer. Love Always,
Rachel

It were not best that we should all think alike; it is difference of opinion that makes horse races.

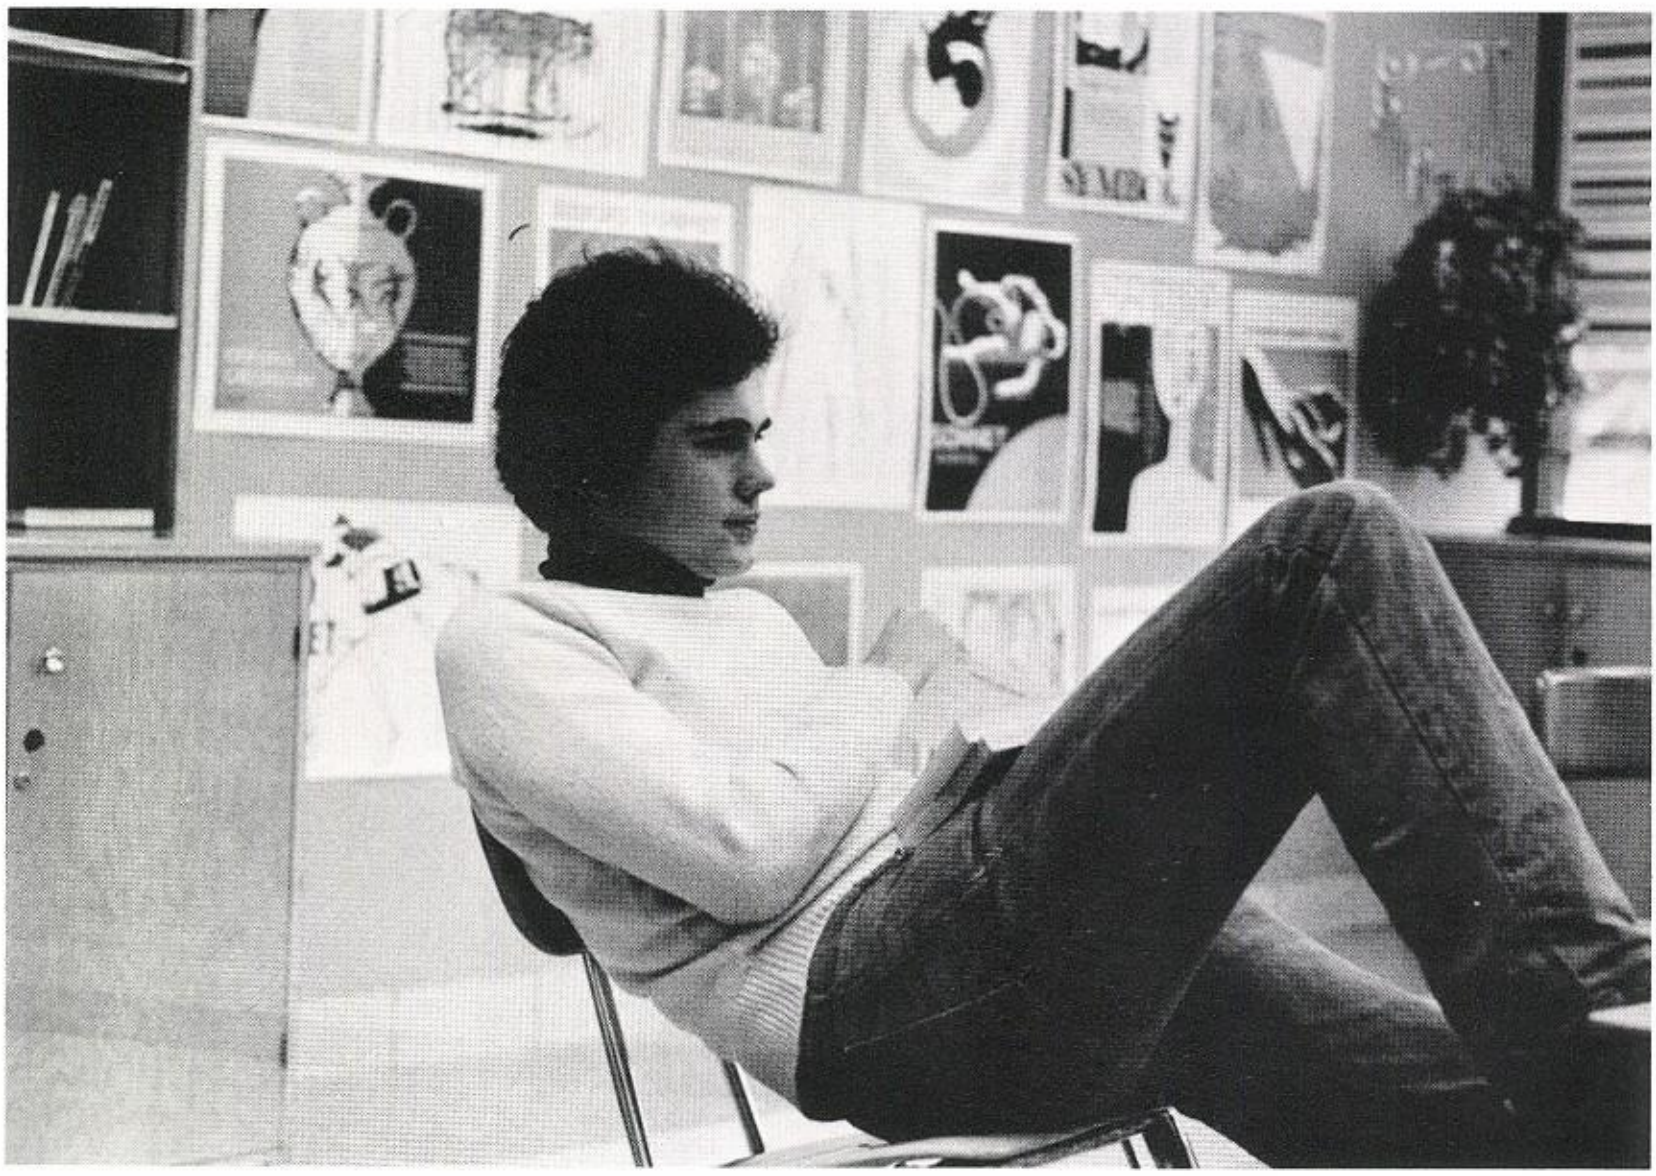
Grief can take care of itself, but to get full value of joy you must have somebody to divide it with.



We can secure other people's approval, if we do right and try hard; but our own is worth a hundred of it, and no way has been found out of securing that.

Just for a minute, try to imagine life at Edgemont without a few key, yet often overlooked individuals. Imagine not having the Custodians and Maintenance Men to save us from drowning in our own garbage, to keep us warm, and to let us into our lockers when we forget our combinations and are late to math class. We would starve to death without the Cafeteria Ladies, or at best slowly die from candy overdoses. We would have to say "by-by" to bagels, hot muffins, and Apple Munchies. The Guidance Secretaries are truly indispensable. They help us find ourselves, our schedules, our teachers, our classrooms, our colleges, and our grades. How would we get along without Ms. Buckner to pick up the pieces after we get squashed in the 'A' building hall or trampled on the football field? The Front Office Secretaries give us the absentee bulletins, passes, early dismissals, and our lunches and gym shorts. How could we say, "Hello" to fastcompt without Mrs. D? Without Kim the Operator how would we get an outside line? We would be cut off from the rest of the world, alone on the top of White Oak Lane—forever. We want to thank the backbone of the school for feeding us, cleaning up after us, keeping our records straight, and adding to our lives at Edgemont.

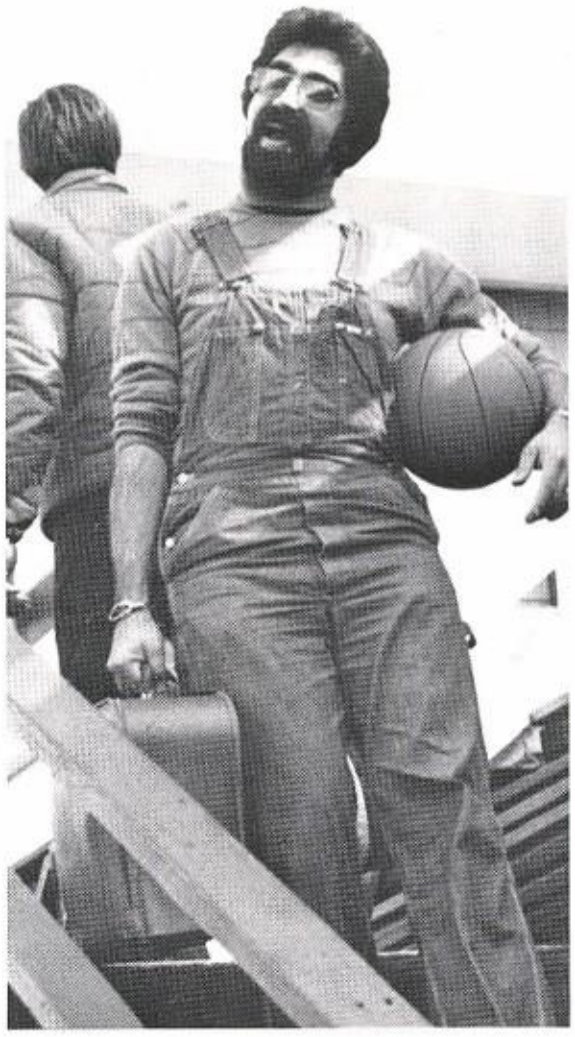
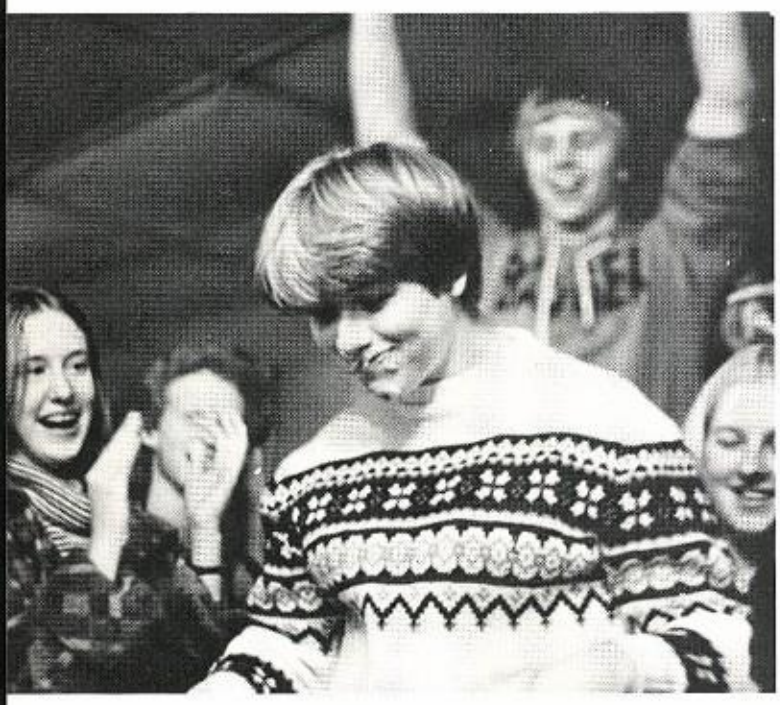
SENIOR FORUM





When it appeared that the Class of '78 was not going to have an overnight Senior Forum, a group of concerned students and faculty members organized to secure what became our two-day adventure at the Peekskill Dude Ranch. During the debates over Forum, Mr. Steven Goldberg emerged as a true friend of the Class of '78 in his

determined efforts to insure an opportunity for our class to prove itself as a group. As the moving spirit behind Forum, his enthusiasm spread to all members of the Senior Class. In recognition of his concern and support, we would like to dedicate our memories of Senior Forum to Mr. Steven Goldberg.

We live so fast, our life goes past
Before we ever know it
When love is strong, it can't be wrong
To find a way to show it

Speak your truth quietly and clearly, and listen to others, even the dull and ignorant, they too, have their story.

If you compare yourself with others, you may become vain and bitter, for always there will be greater and lesser persons than yourself.

You are a child of the Universe, no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should.

With all its sham, drudgery and broken dreams, it is still a beautiful world. Be careful. Strive to be happy.

"In Germany they first came for the communists, and I did not speak up, because I wasn't a communist. Then they came for the Jews, and I did not speak up, because I wasn't a Jew. Then they came for the trade unionists, and I did not speak up, because I wasn't a trade unionist. Then they came for the Catholics, and I did not speak up, because I was a Protestant. Then they came for me, and by that time, no one was left to speak up."

—Pastor Martin Niemoller

Came here around four years ago, with my eyes wide open, amazed at my first snow. Everything so big, new and strange, so hard to understand, until you get used to it, and it becomes so easy. Lonely walks, friends I have left, things that make me wonder whether we did right or wrong. I learned to listen and talk to you . I learned to see your horizons and feel your dreams. I learned to know you, and with you, me.

Be the inferior of no man, nor of any man be the superior. Remember that every man is a variation of yourself. No man's guilt is not yours, nor is any man's innocence a thing apart. Have no shame in being kindly and gentle, but if the time comes in the time of your life to kill — kill and have no regret. In the time of your life, live — so in that wonderous time you shall not add to the misery and sorrow of the world, but shall smile to the infinite delight and mystery of it.

. . LOOKING AT YOU

all they'll say is there's crazy old Mark talking like Huckleberry Finn again. By the way, I wonder how I'll get home? I'll have to think on it. What did you say about ruby slippers and someone named Dorothy? I knew a Dorothy once, but she moved to Kansas when I was ten."

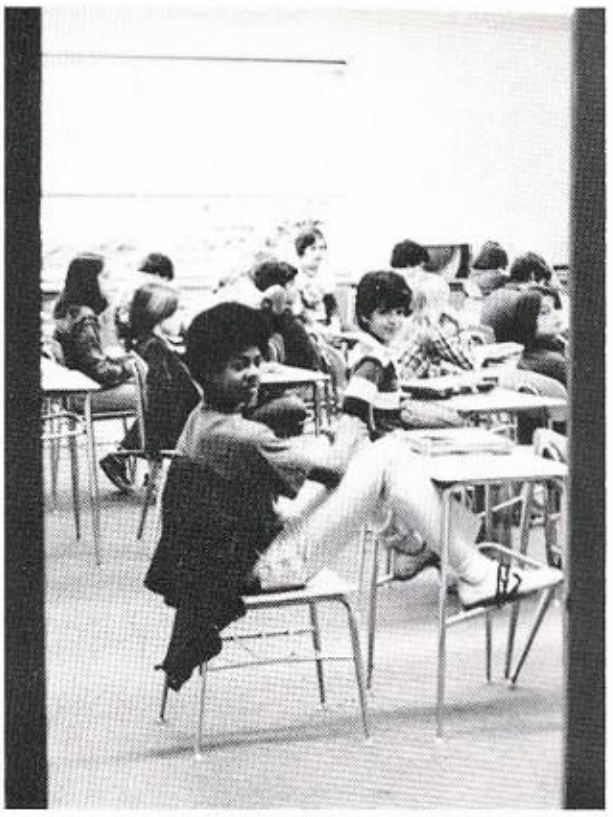
I grew up in an area vastly different from Edgemont — Hannibal, Missouri — but I'm sure kids haven't changed that much in 140 years. No, if those are seventh and eighth graders out on the patio, I can say they haven't changed at all. Hey, isn't somebody going to break that up?



Within two minutes, or even less, he had forgotten all his troubles. Not because his troubles were one whit less heavy and bitter to him than a man's are to a man, but because a new powerful interest bore them down and drove them out of his mind for the time—just as men's misfortunes are forgotten in the excitement of new enterprises.

Junior High Chorus

The junior high chorus gives interested students an opportunity to sing as an organized group and to give concerts displaying their accomplishments. This year, under the direction of Mr. Dan Lyon, the chorus has performed songs from such Broadway hits as "Annie" and "Grease".

In this way the G.A. provides recreation and weekend activities for junior high students. Mr. Engel is the faculty advisor to the G.A. which has four seventh and four eighth grade members.

Junior High Play

What do the misadventures of two 19 year old girls alone in Europe during the 1920's have to do with junior high students in Edgemont? Nothing, except that they were the subject of this year's successful junior high drama production, **Our Hearts Were Young and Gay,** starring April Roberts and Lucy Cobarrubias, as the two young girls.

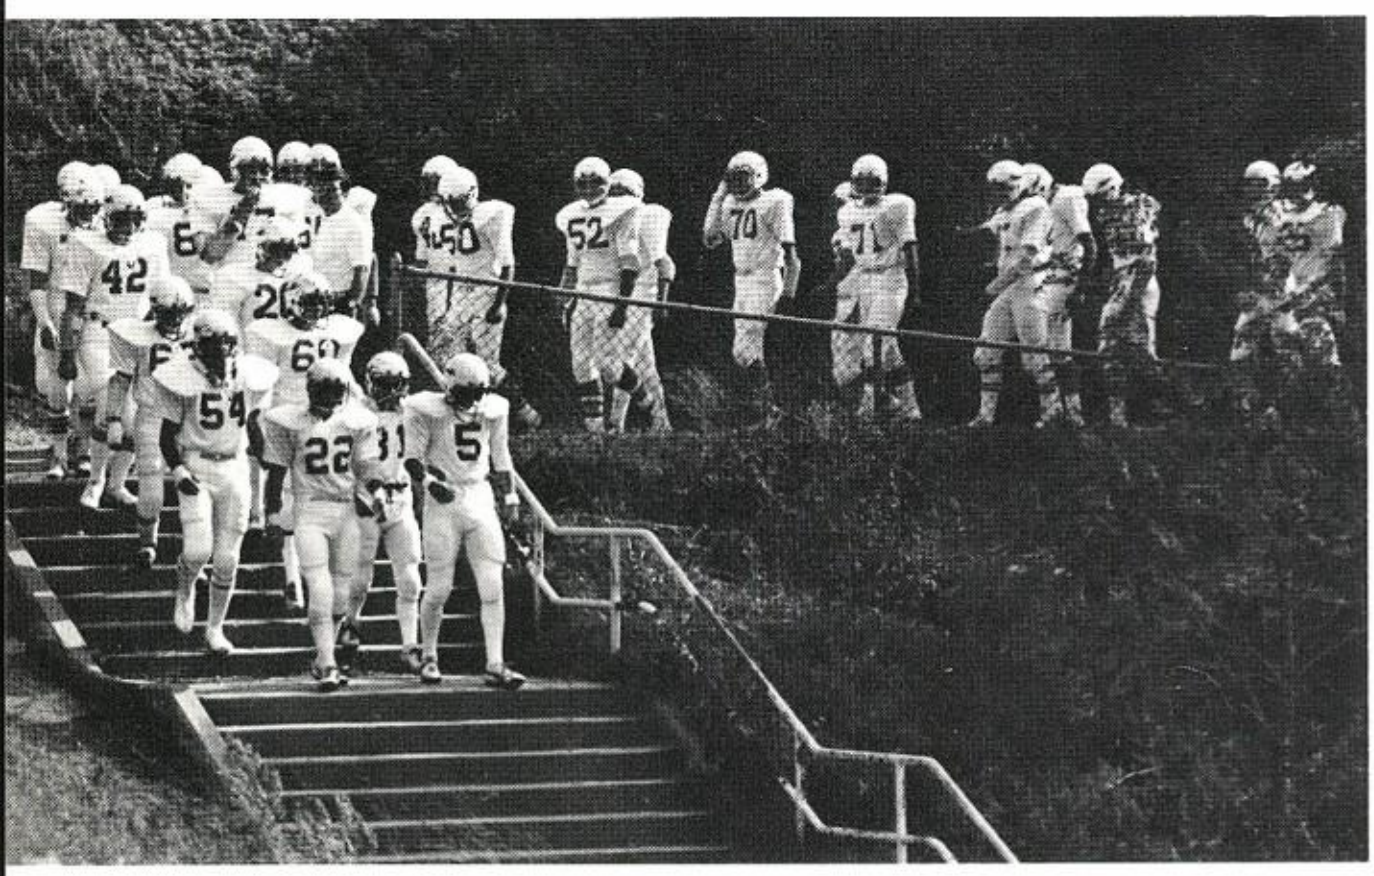
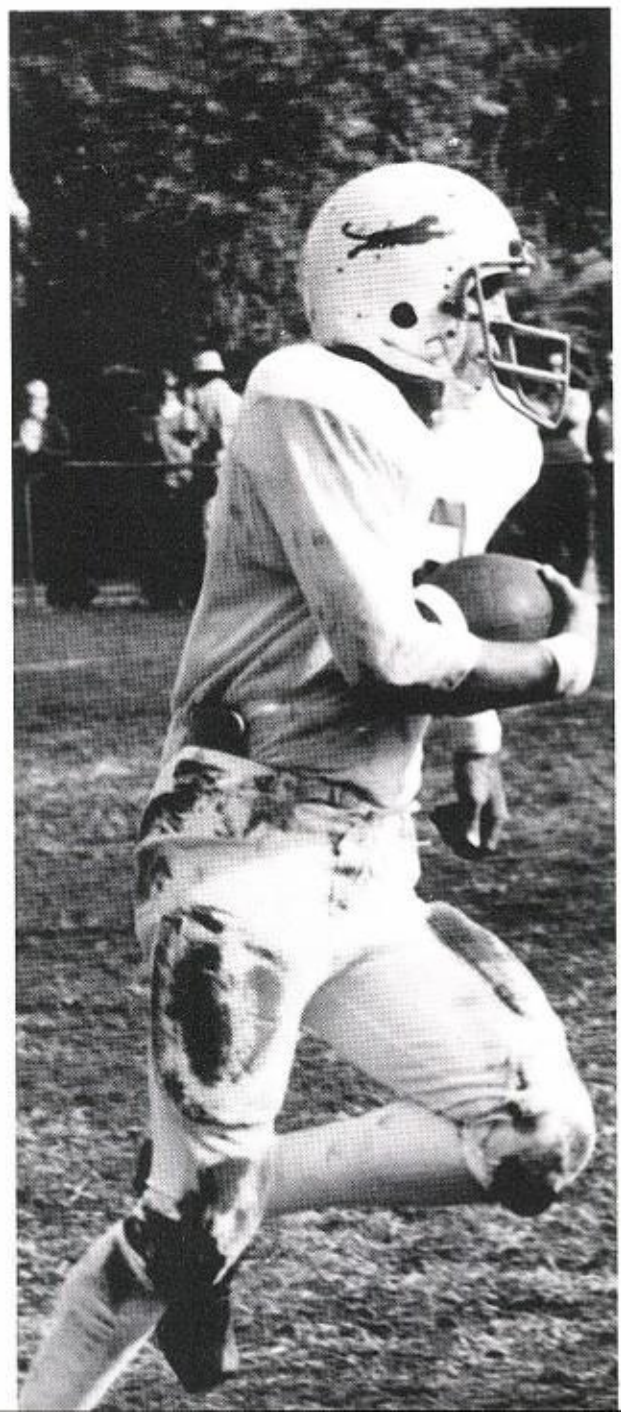
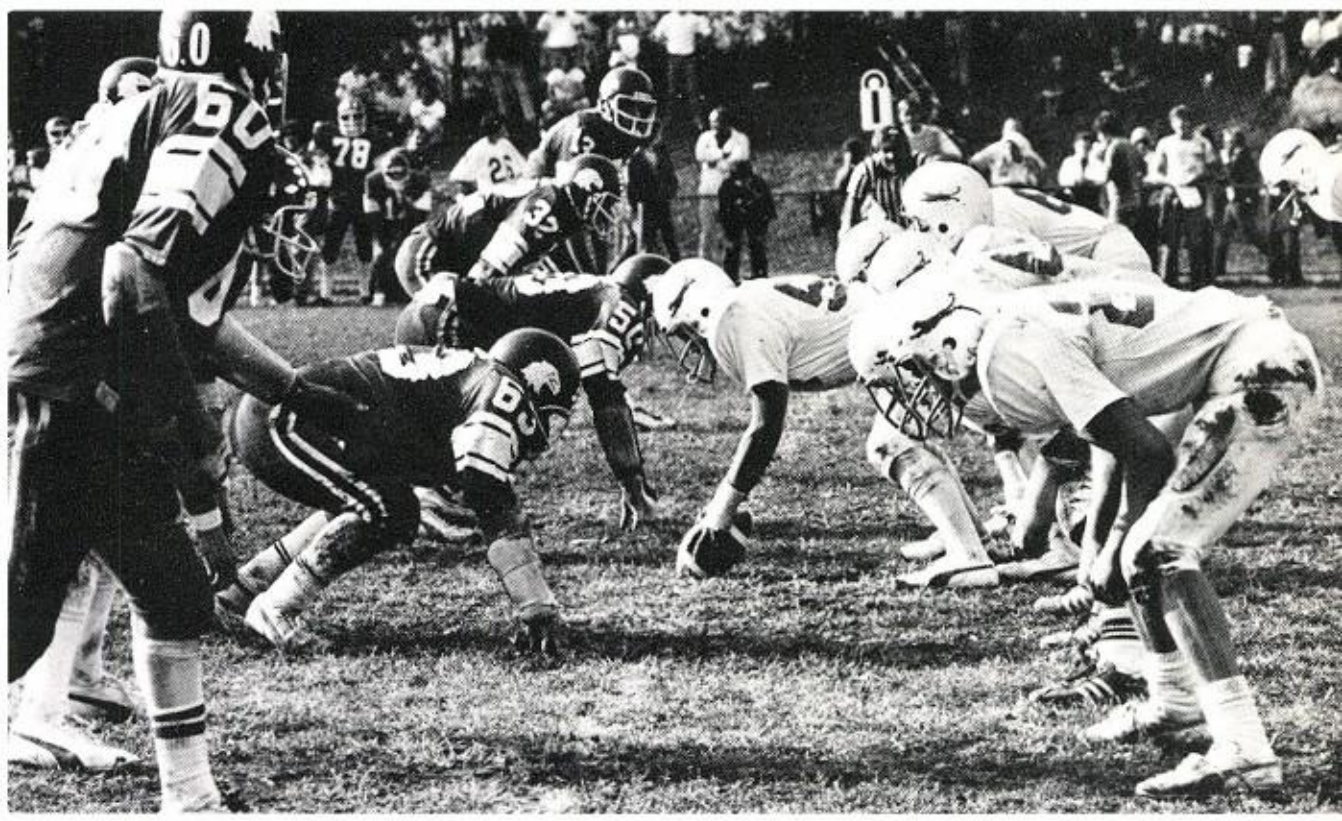
Varsity Football

VARSITY FOOTBALL
Row 1: A. Tarricone, R. Morrow, S. Feldman, B. Porazzo, K. Lammert. **Row 2:** J. Lewis, J. Shuster, G. Greenspan, J. Long — captain, T. Cosgrove — captain, J. Bertone, P. Bellissimo, G. Smith, M. Metzner, J. Tarricone, B. Schaevitz, P. Cosgrove, S. Stemer, Coach Abeling. **Missing:** G. MacGillivray, S. Winters.







The 1977 Varsity Football team ended the season with a 3-6 record. However, this slate was not worthy of the great effort put out all year long for coaches Dale Abeling and Pete Kull. The hard hitting Panthers lost a number of heartbreakers and still earned the respects of many of their opponents.

After an opening day loss to visiting Irvington on Blue and White Day, the Panthers evened their record with a commanding win over Haldane, 28-7. The following game, against the Yellow Jackets of Hastings, was typical of the entire season. Edgemont fell behind early in the match. Then, they came back from a 13-0 deficit with long runs by backs John Long and Tom Valentine. This was not enough, however, as Hastings prevailed 20-14.

Quarterback Todd Cosgrove led the squad to an 18-6 victory over Tuckahoe as he ran for one touchdown and passed to Pete Forrest for a second. In that win Phil Bellissimo and Glenn MacGillivray excelled on the line.

After a loss to Dobbs Ferry, the Panthers played a tense see-saw battle with Bronxville. Despite a 40 yard scoring aerial from Todd Cosgrove to brother P.J. and a 76 yard touchdown scamper by Tom Valentine, Edgemont lost in the closing seconds by a 27-21 score.

In their sole contest with Alexander Hamilton, the Panthers scored a large victory. Led by Long's 100 yard game and the defense of Jeff Bertone, Scott Stemer, and Todd Spoor, Edgemont played an excellent game.

Co-Captains Todd Gosgrove and John Long were voted M.V.P.'s by their teammates. All League Honorable Mention status went to Phil Bellissimo, Mike Hudes, and Tom Valentine. Todd Cosgrove, John Long, and Pete Forrest were selected for the All League team.

Freshman Football

In the fall of 1977, Edgemont completed its second year of Freshman Football action. The squad, composed of just eighteen eighth and ninth graders, was plagued by injuries and insufficient numbers all season. In fact, during the six game schedule, one game was forfeited due to a lack of healthy players.

The season was highlighted by a victory in the final game with Valhalla. In that match, the Panthers emerged with a 6-0 victory. Edgemont recorded its sole touchdown when linebacker Stacy Saren picked up a fumble and returned it for the score.

The team, under the direction of coaches Larry Karabaic and Pete Rohan, was led by quarterback Jon Flower. The backfield was composed of Stacy Saren and the leading rusher, halfback Greg Mann. Sam Aronson sparked the defense with two touchdowns. The line, a small but quick group, was led by Ed Tatlian.

The other athletes who played were Doug Baumgarten, Andy Creel, Andy Crowder, Stephan Custer, Mike Davidoff, Alex Glickman, Gary Keating, Gabe Kolumbis, Chris Lavoie, Robert Liesman, Ray Pozzoboni, Jon Spitz, and Mike Tracey.

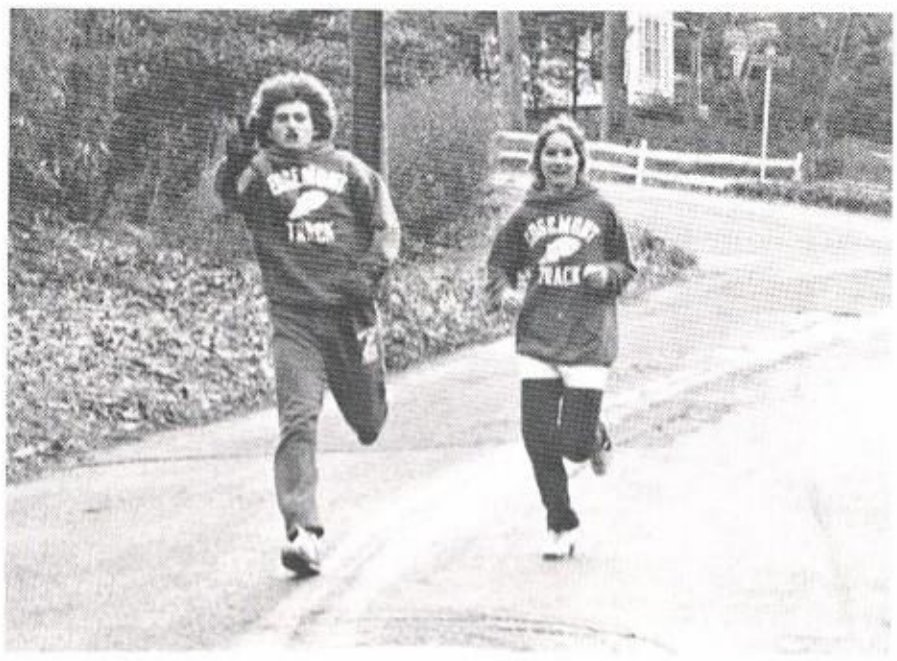
Boys' Cross Country

CROSS COUNTRY
Row 1: L. Schon, S. Friedman, R. Alterman. **Row 2:** B. Florio, N. Hart. **Missing:** T. Kornbluh, D. Winograd, E. Burrows.



Coming off two consecutive seasons as League Champions, the 1977 Cross Country team concluded its schedule with a mediocre record of 3-3. Edgemont lost its top three runners on last year's squad and thus had a rather inexperienced team.

Coach E. J. Ross's most consistent runner all season long was Senior Bob Florio. An All League Honorable Selection, Bob never finished less than second place in dual meets. Captain Rich Alterman was the supporting factor on the squad. At the Sports Award Dinner, he was awarded the fifth annual Harrier Award. Other consistent performers on the team were Seniors Steve Friedman, Tom Kornbluh, and Lew Schon.

Varsity Soccer

Row 1: S. Weiner, J. Hayter, H. Langer, F. Lichtenthal, J. Nelson, D. Perusko, J. Bastos, S. Levine. **Row 2:** C. Padawer, T. Suzuki, L. Althoff, K. Frank, J. Rosali, R. The **Varsity Soccer** team produced its fourth consecutive winning season under Coach Jim San Marco, ending the season with a 10-4-3 record. Following an 8-3-3 regular season, the team went on to the sectionals. There the booters beat Briarcliff and Bronxville, to become finalists in the class B Sectional Tournament.

The Panther attack was led by Senior, Co-Captain Falvio Lichtenthal. Flavio concluded a brilliant four year career by leading the team in both goals and assists. Senior, Co-Captain Jim Nelson sparked the team on offense with his consistent play and accurate chips. Harry Langer, a determined hustler, rounded out the scoring punch. A Senior, Harry, too, was Co-Captain. The defense was led by sweeper back Taka Suzuki. Underclassmen Louis Althoff, Jamie Kornbluh, J.P. Rosali, and Will Stern did an excellent job, keeping the opposing teams from the nets. Leading this fine corps, were Seniors Jr. Bastos and Damir Perusko.

The Panther goalie position was shared early in the season by Senior Jim Hayter and Sophomore John Libman. By the schedule's close, Hayter had won full time rights and excelled in the sectionals.

At the Sports Award Dinner, Flavio Lichtenthal was given the team M.V.P. and Jim Nelson received the Coach's Award. Louis Althoff, Jr. Bastos, A.F.S. student Damir Perusko and Harry Langer were given All-League Honorable Mention Status. All-League honors went to Jim Hayter, Flavio Lichtenthal, Jim Nelson, and Taka Suzuki made All-County Honorable Mention. Flavio alone was selected for the All-County Team.

Led by coach Joseph Cipriano, the **J.V. Soccer** team finished a respectable 1977 season with a 5-5-3 record. After three early wins, prospects for a winning season were excellent. However, a loss to a tough Blind Brook team disheartened many Edgemont players. The loss marked a turning point after which the team slid into a six game winless period. Though frustrated by three ties, the team picked up two additional wins for an even .500 record.

The J.V. squad was severely impaired by the loss of many key players to the Varsity team. However, strong performances by Adam Gluckman, replacing Glen Gypson at halfback; and David Chao, filling in for star goalie, Jon Libman, proved sufficient to compensate for those losses. Other important figures on the soccer field included Alan Crystal, whose two penalty shots lifted the team to a crucial victory; Steven Post, whose hustle provided the backbone to the team's defense; and Peter Glass, whose consistent, aggressive play at inner set up many scores. In addition, Tony Griffen, armed with a deadly outside shot; and Mike Wachs, dribbling with excellent ball control, provided another offensive combination.

Varsity Volleyball

Row 1: A. Fichter, Y. Shubuya—captain, J. Fang—co-captain, Y. Okumura. **Row 2:** J. Osborne, L. Levine, L. Touger, D. Flynn. **Row 3:** L. Shapiro, N. Keating, L. Martello, M. Abler, Coach Hildebrandt.

The 1977 **Volleyball Team,** coached by Ms. Gail Hildebrandt, ended their season with a 9-9 record overall and a 6-6 record in the league. The girls used a 6-2 system which seemed to be successful for them. The most valuable player was senior captain Yumi Shibuy who won all-league standing for the third year. Yumi an excellent setter, spiker, and server will be missed next year. The strongest, most consistent player throughout the season was Yukari Okumura who received the coach's award. Yukari played a fine backcourt. Linda Martello and Nanette Keating added height and spiking to the team. Other fine players included Lisa Levine; Jenny Fang; Jennifer Osborne, who also provided great team spirit; Maddie Abler; Ann Fichter; Dana Flynn; and Leslie Touger, the youngest member. The team managers, Luana Shapiro and Nancy Eschenbrenner, were great assets to the team.

Losing only three players to graduation, next year's team should be quite strong. The J.V. and Freshman teams are good building blocks and Coach Hildebrandt predicts an excellent season for the fall of 1978.

J.V./Freshmen Volleyball

The **J.V. Volleyball** team started out the 1977 season well. Coached by Tom Daggett, the girls learned to play with three different defensive systems and ended the season with a 5-9 record. Co-Captain Linda Sadler, Linda Peng, and Carrie Hatta were the main setters for the team. The powerful serving of Co-Captain Caryn Opengart, Renee Aubry, and Sarah Shaw also helped win many games.

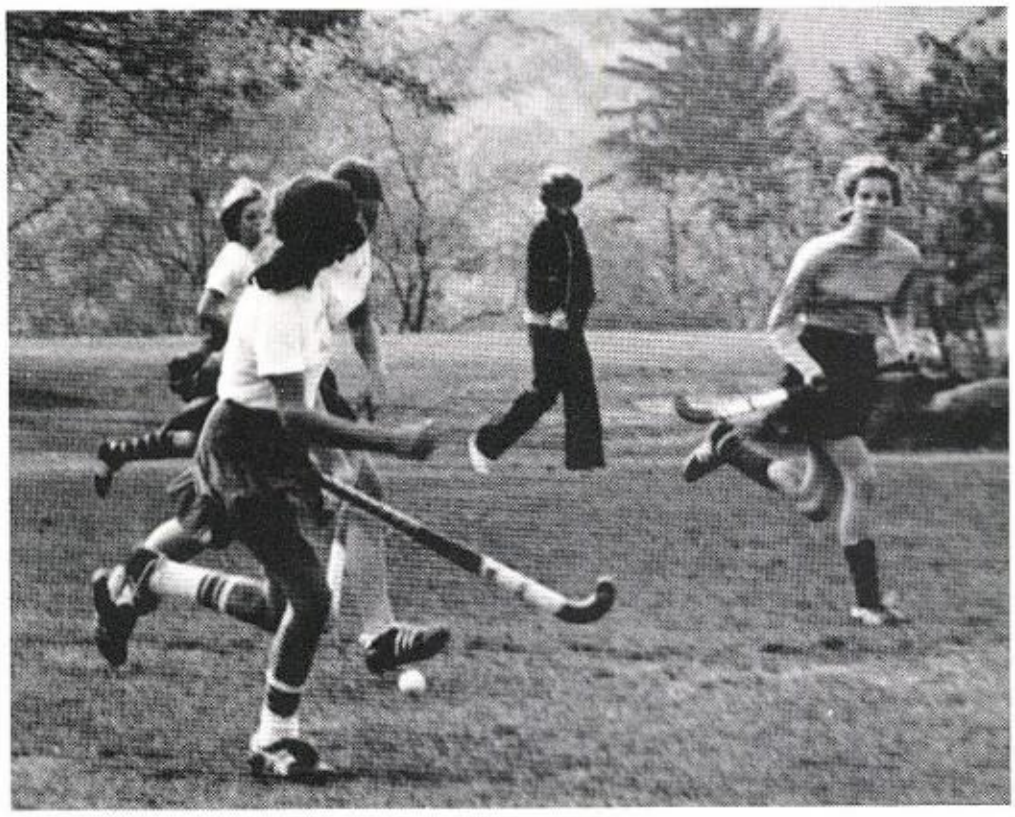
Row 1: L. Sadler, C. Opengart. **Row 2:** L. Bellissimo, L. Krehbiel, L. Peng, R. Aubry. **Row 3:** F. Levine, D. Paul, D. Duryea. **Row 4:** J. Howard, S. Shaw, C. Hatta, Coach Daggett.

Row 1: E. Joerg, D. Johnson, A. Moskowitz, H. Sherman. **Row 2:** M. Fallon, A. Reed, M. Schacher, A. Helsel. **Row 3:** Coach Hildebrandt, J. Gerard, R. Persico, A. Luria, H. Shifrin, Coach Daggett.

A new team, **Freshman Volleyball** emerged this year under the coaching of Tom Daggett and Gail Hildebrandt. Although the freshman girls did not hold a good record, they did learn to play a good game of volleyball. The game the girls played against Scarsdale was very close but it was never finished because they ran out of time. Amy Moskowitz was a strong server, and Heather Sherman and Margaret Fallon had fine skills all around. This team will strengthen next year's J.V. team.

Field Hockey

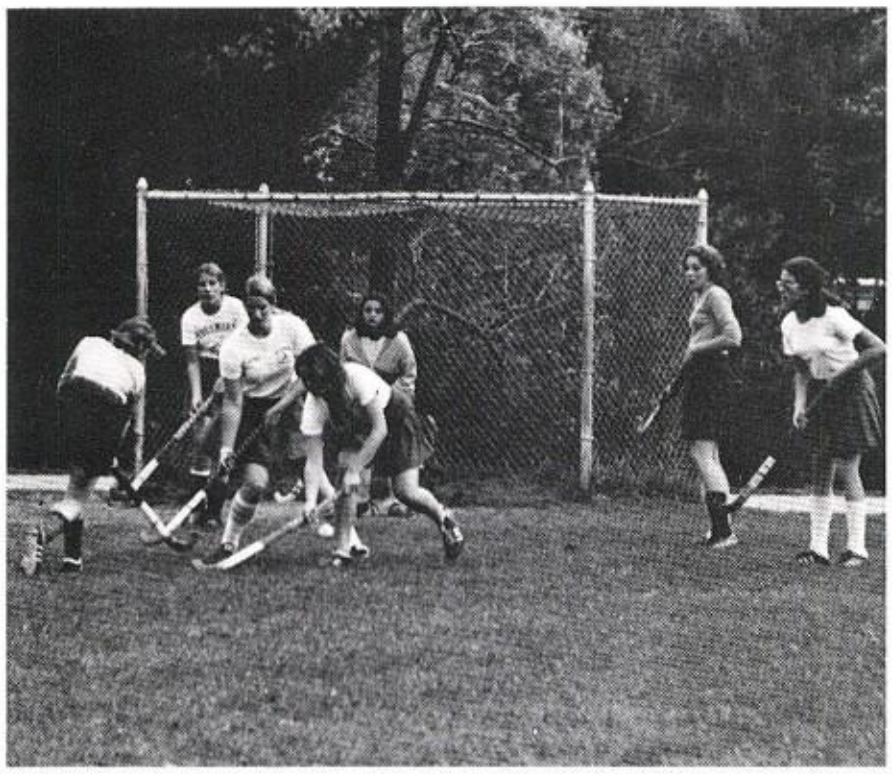
Row 1: Captains B. Dworetzky and B. Barclay. **Row 2:** H. Williman, K.T. Korngold, J. Levine, C. Schutze, F. Saltiel, E. Bruckenthal, L. Toccafondi. **Row 3:** M. Capria, R. Buff, R. Karas, L. Markowitz, J. Lee, A. Walsh, N. Nirenberg. **Row 4:** J. Vogel, P. Riverso, V. Ackerman, M. Alpert, J. Teitelbaum, R. Husney, C. Lytton. **Missing:** A. Patterson.

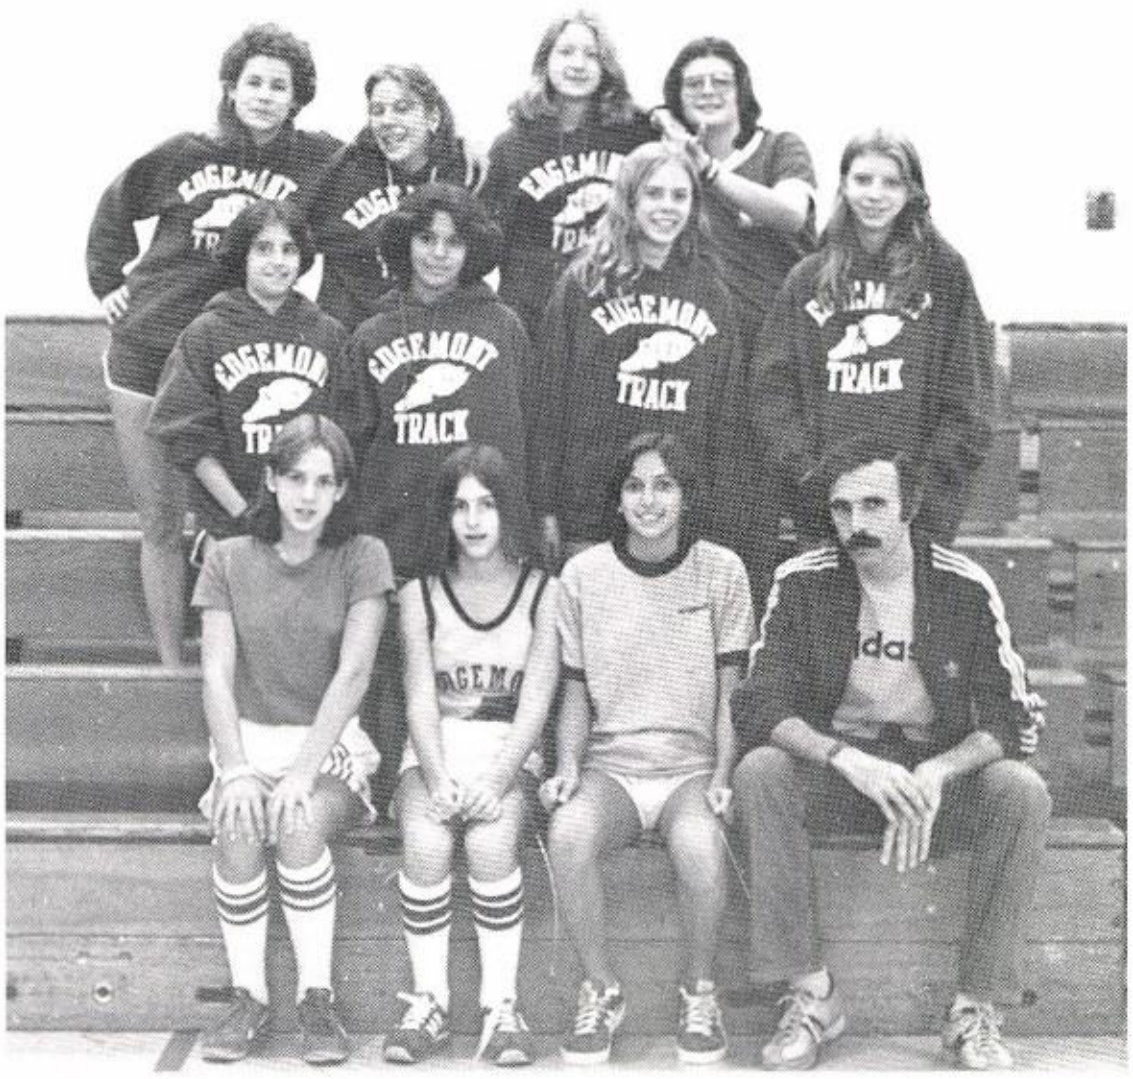


The 1977 **Field Hockey** team, coached by Carol Miner, will not be remembered for its record but for the fine team spirit and improvement. This year was most definitely a building year for the team with the majority of the members being freshmen. The difference in final scores diminished as the season progressed and the girls ended the season playing a fine game of hockey. There were only three junior varsity games but Coach Miner hopes to have two full teams next year.

The Field Hockey team will lose only two seniors to graduation: the captains Barbara Dworetzky and Brenda Barclay. Dworetzky, left wing and center, was a versatile player during the season, playing both offense and defense. Barclay, the team's goalie and two year all-league player, defended superbly. Pia Riverso has been training for goalie and will be a fine replacement next year. Most valuable player was Michelle Alpert whose aggressive play was needed throughout the season. High scorer was Eileen Bruckenthal. Other great players were Cindy Lytton, Marie Capria, Robin Husney, Ginnie Ackerman, Laura Markowitz, and Caroline Schutze.

Girls' Cross Country





Row 1: J. Alexander, M. Pruzan, L. Shores, Coach Barnow. **Row 2:** S. Levine, L. Sepulveda, H. Miller, D. Cockerill. **Row 3:** K. Flynn, J. Post, A. Dickinson, S. Tavasani.

The **Girls' Cross Country** team had their first season this fall under the supervision of Coach Mike Barnow. Despite the small number of members and the few meets attended, the girls had a good season. Jane Alexander, an eighth grader, was the top runner on the team. Kim Flynn, a sophomore, received the coach's award for her fine running and general improvement. Juniors Amanda Dickinson and Judy Post were also good team participants. The team will not be losing any members to graduation so next season should be a good one.

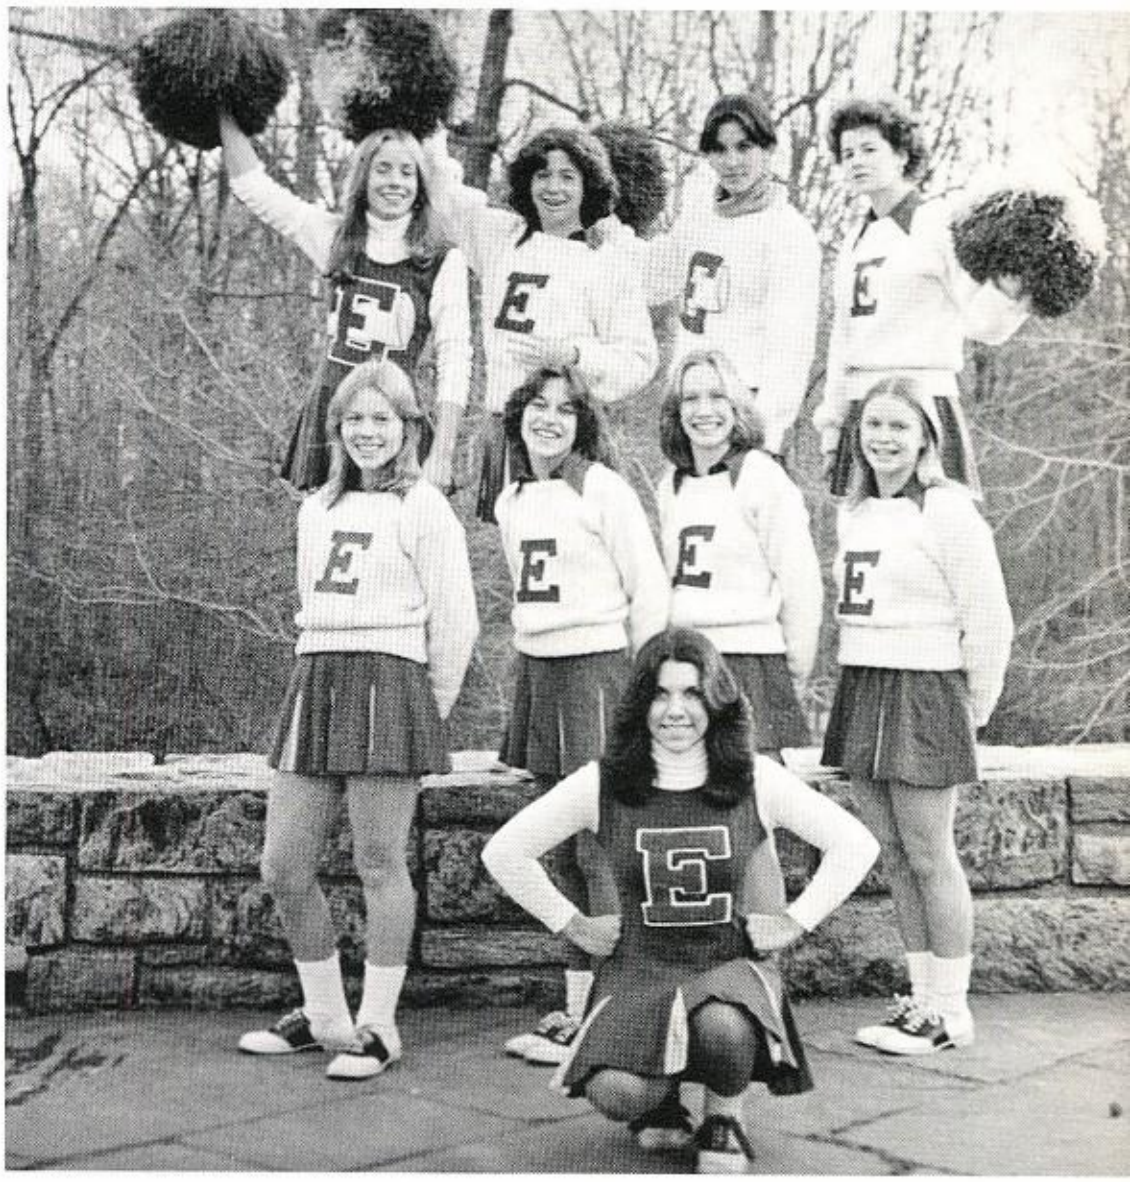
Varsity Cheerleaders

The **Varsity Cheerleaders,** under the supervision of Ms. Ilene Smith and Mr. Charles Schuck, provided great spirit for the teams' morale. Captained by senior Lise Lustgarten, the girls cheered for football, soccer, and basketball on boys' varsity level, in rain and cold weather alike. The girls started the fall season by decorating the boys' locker room and making posters for the games.

Row 1: B. Cohen, L. Lustgarten, B. Baumgarten. **Row 2:** A. Weil, W. Liebowitz, C. Jaffe. **Row 3:** D. Hennessey, H. McDonald, L. Hudes, M. Longo.

J.V. Cheerleaders

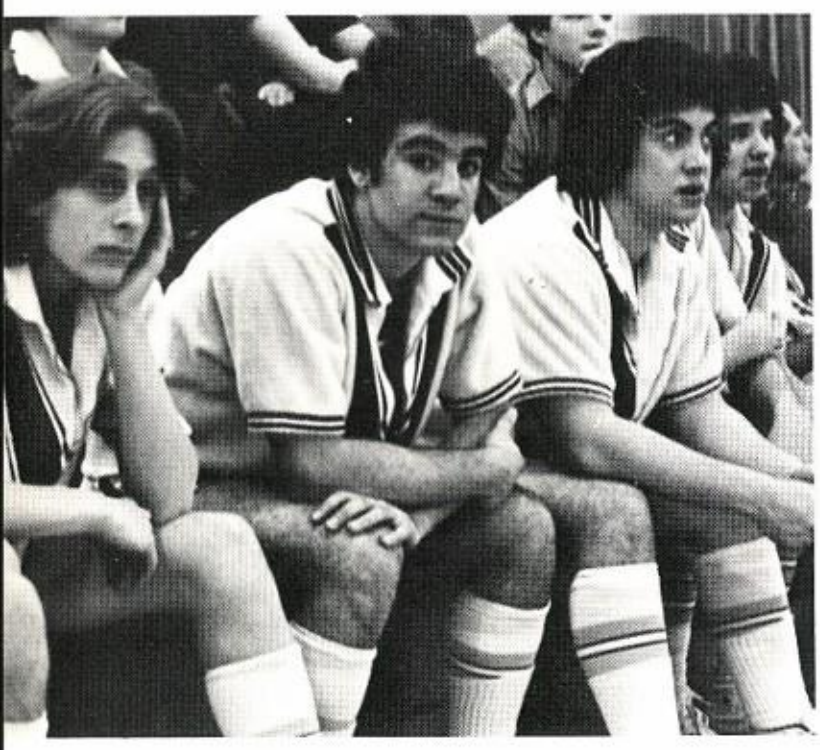
Row 1: V. Scoppa—captain. **Row 2:** D. Johnson, A. Morosini, A. Reed, M. Fallon. **Row 3:** B. Reed, A. Einhorn, L. Vogel, K. Flynn.

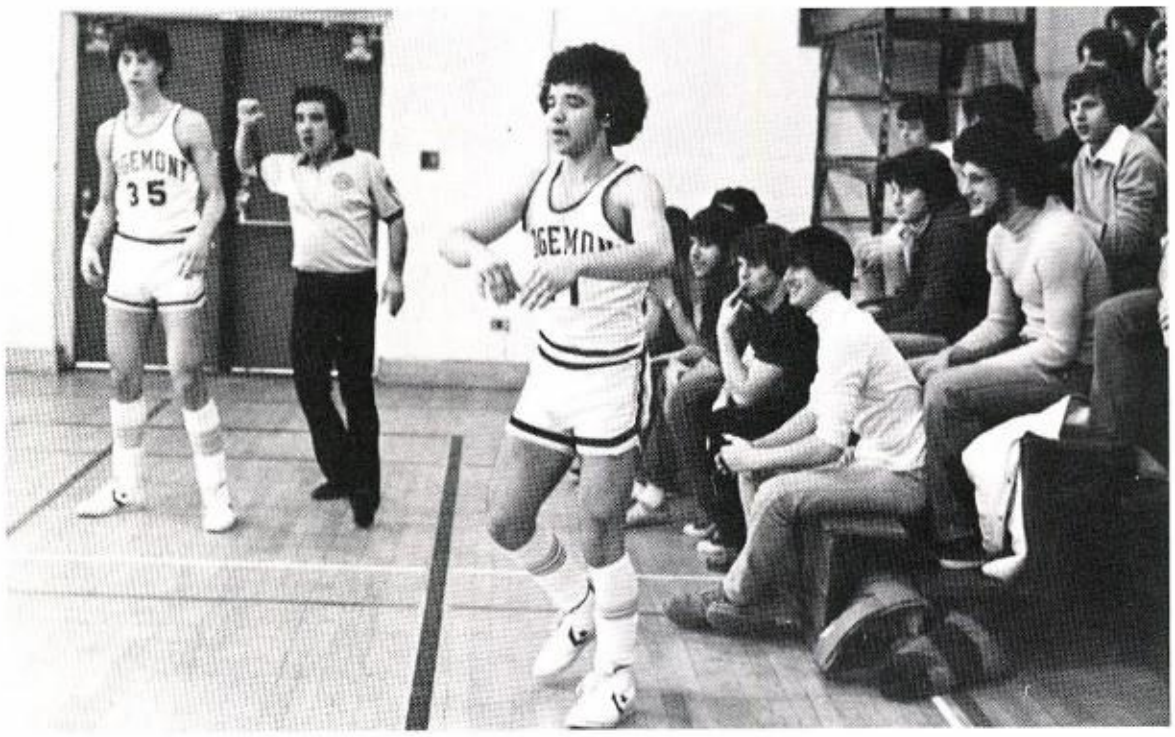


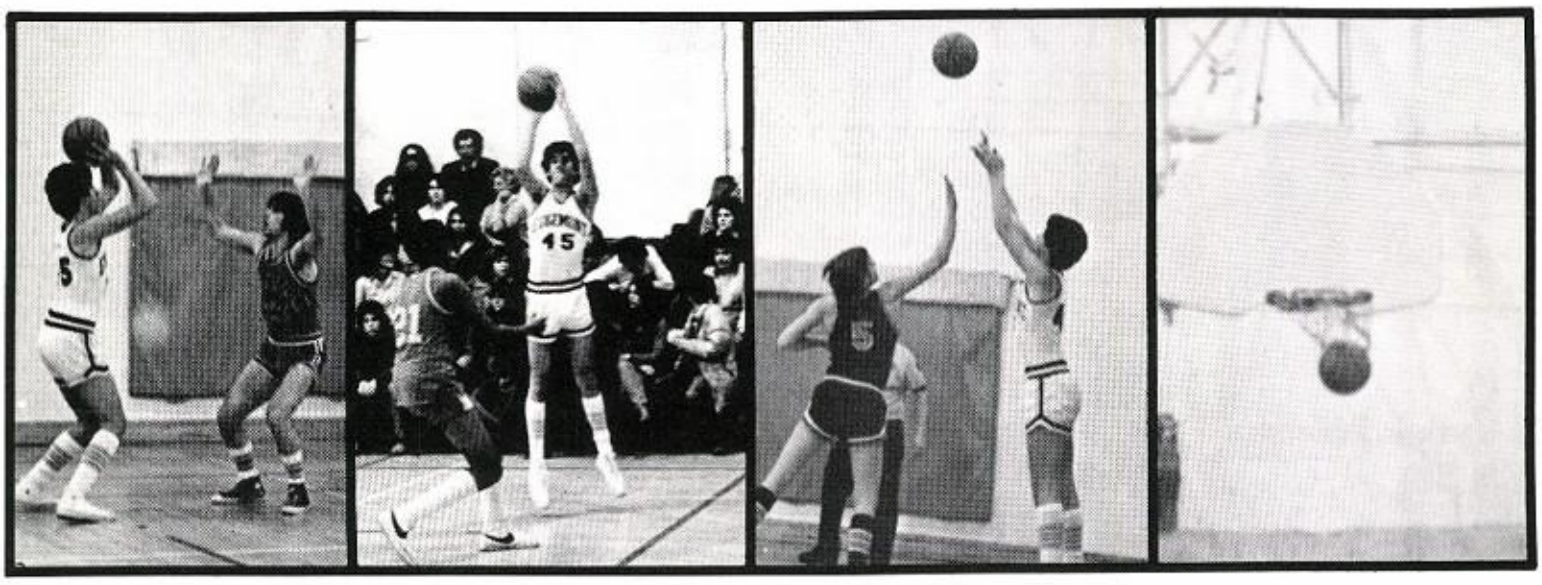
The **J.V. Cheerleaders,** captained by Betsy Reed and Val Scoppa, have also contributed to the spirit of the Edgemont spectators. The girls have been practicing hard and cheering with enthusiasm. This squad is also advised by Ms. Smith and Mr. Schuck.

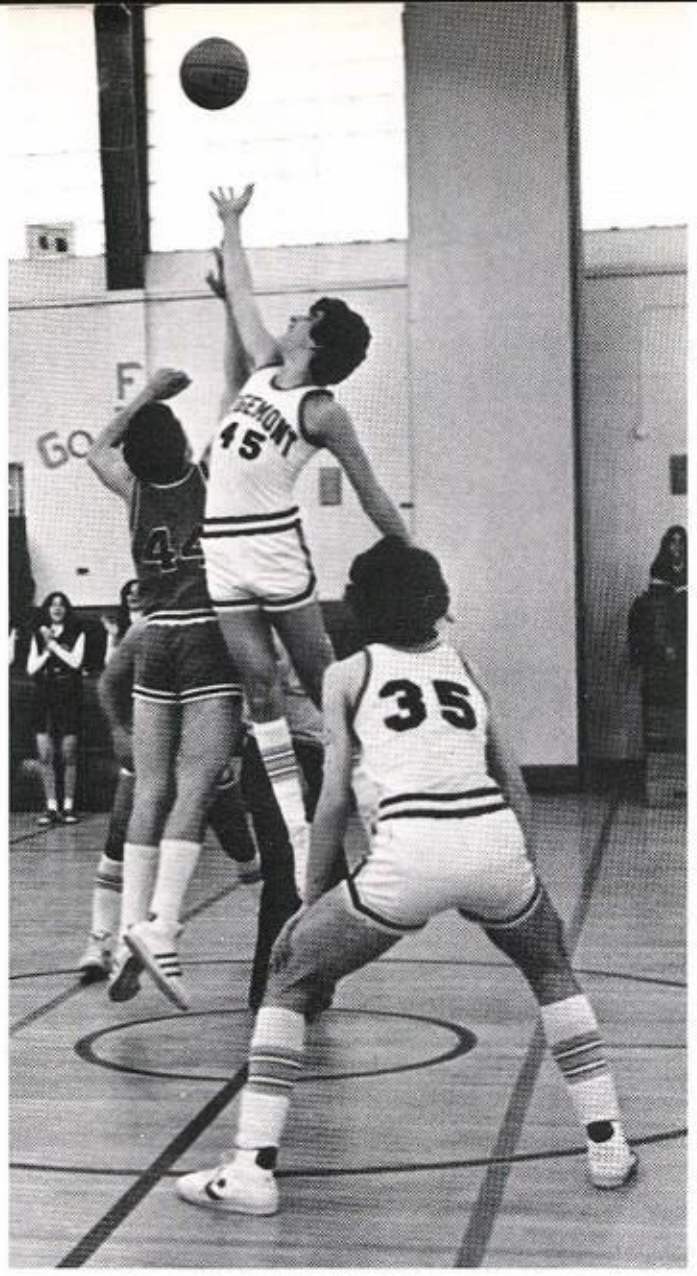
Boys' Varsity Basketball

Row 1: P. Sileo, T. Cosgrove, A. Burrows, J. Nelson, T. Bouza, B. Schaevitz. **Row 2:** P. Forrest, P. Bellissimo, Coach Kintzing, T. Spinner, S. Cosgrove.





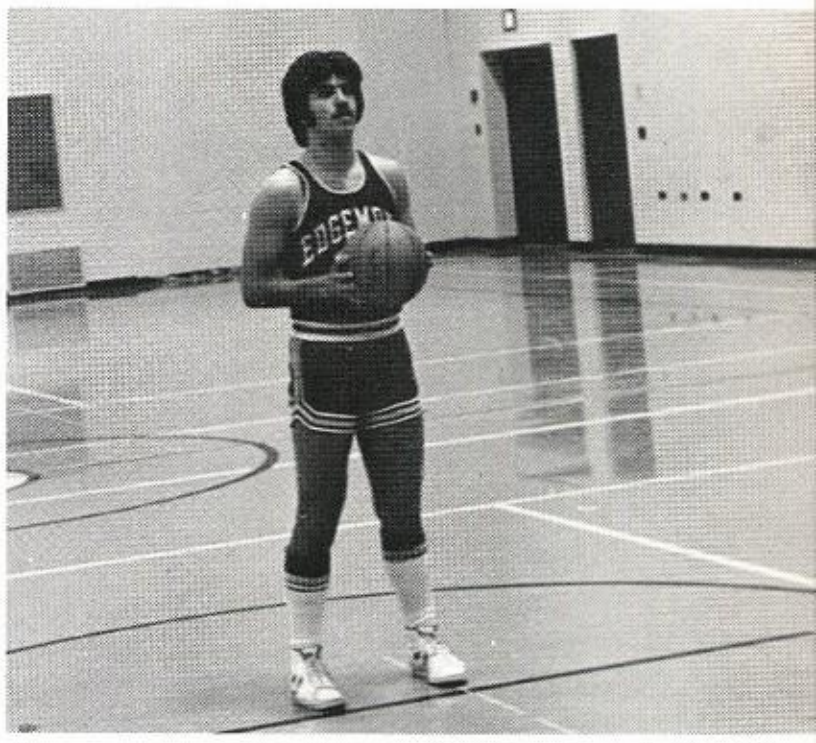




The **Varsity Basketball** team entered the 1977-78 season with high hopes and expectations. It emerged a battered and disappointed squad, finishing its season with four straight losses in compiling a 5-13 record. Although always competitive, the team was hampered by excessive fouling and found itself losing tightly contested games in the closing minutes.

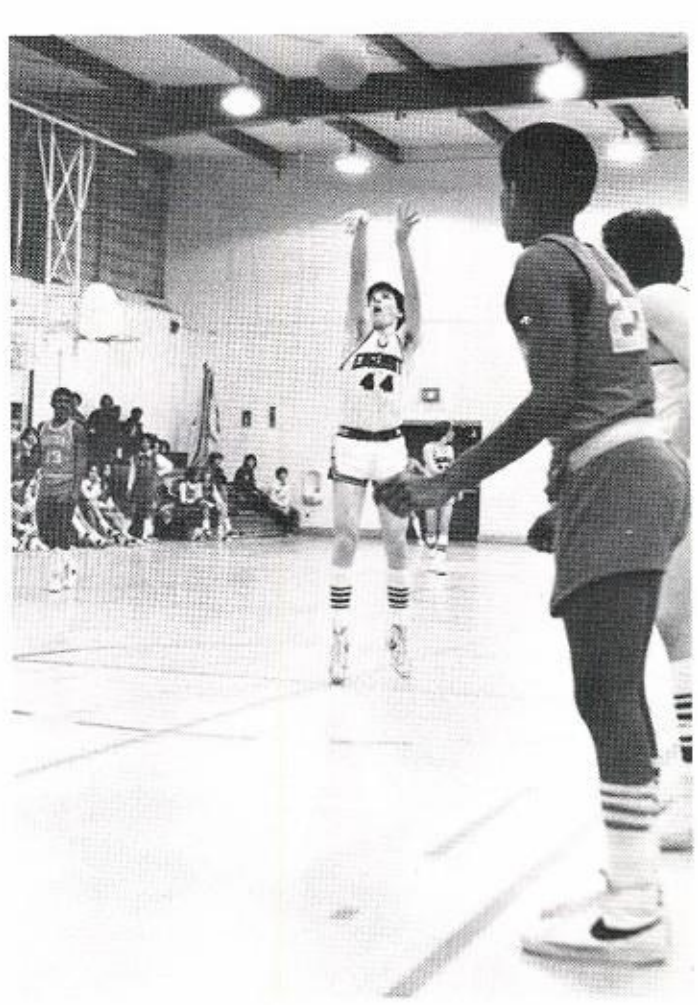
Edgemont opened its season with a devastating 54-51 loss at Pelham, despite a 27 point performance by senior forward Adam "The Stork" Burrows. After defeating a hapless North Salem team behind Todd Cosgrove's 22 points, Edgemont lost a very disappointing 41-37 decision to arch rival Bronxville. Edgemont finished 2nd in the annual Hastings Christmas Tournament as they overwhelmed East Chester behind a 22 point performance by Tony "Bernie" Bouza, and then lost to powerful Ardsley in the final. Edgemont bounced back from its lackluster performance to defeat Dobbs Ferry, 59-51, sparked by an outstanding defensive performance by "Pistol Pete" Sileo.

Unfortunately Edgemont dropped its last four games, although Burrows scored 10 points in each contest. At the coaches meeting, Adam Burrows was selected as All-League Honorable Mention.



Boys' J.V./Freshman Basketball

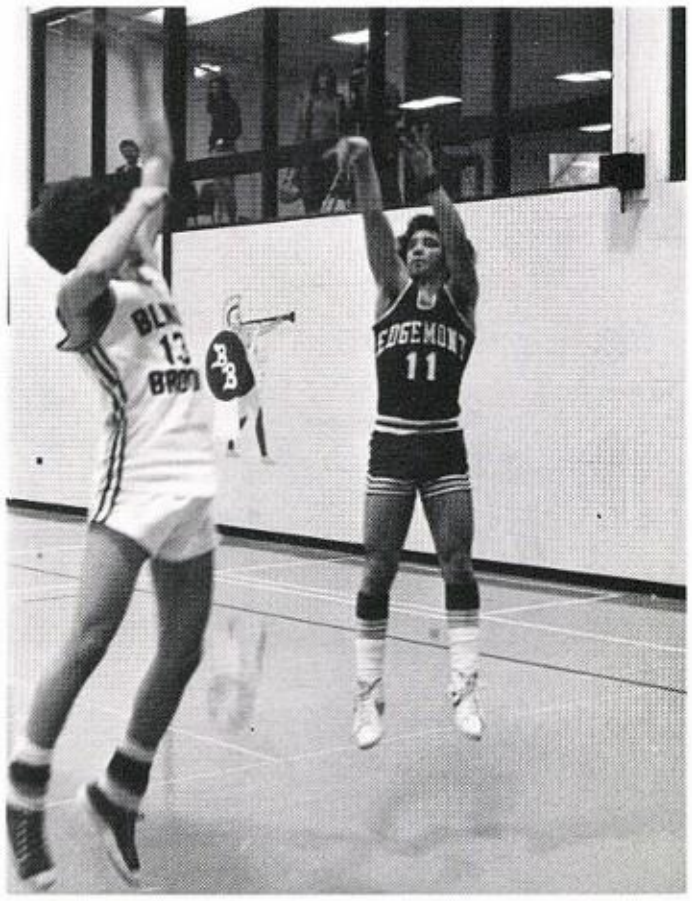
Row 1: D. Hannigan, J. Libman, P. Cosgrove, T. Spoor, A. Weinstein. **Row 2:** M. Rosen, D. Chao, J. Rozza, J. Lewis. **Row 3:** Coach San Marco, A. Gluckman, M. Davidoff, A. Glickman.



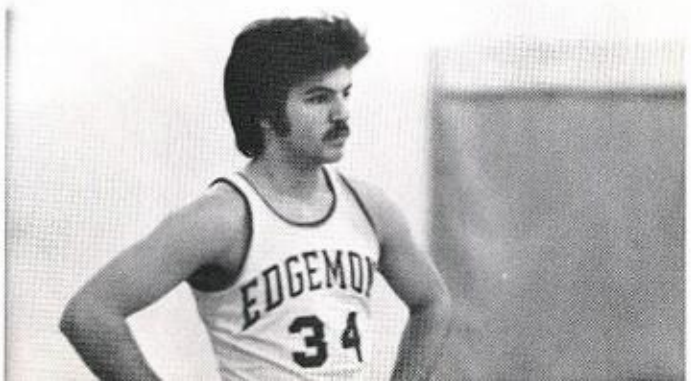
The **J.V. Basketball** team, labelled by many as the most talented J.V. ever at Edgemont, concluded the season with a very disappointing 8-9 record. The Panthers, after an horrendous start, finally put something together, as they won six out of the last nine games. The team's troubles ranged from pure over-confidence to having one or two starters out of the lineup for a number of games.

Playing time, for the most part, rested in the hands of the five starters: Deece Hannigan (15.5 ppg, 4.2 rpg), P.J. Cosgrove (8.6 ppg, 5.6 rpg), and Jon Libman (10.5 ppg, 1.3 rpg). Cosgrove also led the team in steals with 31, and Libman led the assists department with 67, and foul shooting percentage with a relatively low 67%. In fact, in many of the close games it was the team's overall foul shooting that hurt them. The team percentage was only 52%. Mike Rosen and Jon Lewis also saw fairly substantial playing time.

The highlight of the season was against Hastings when the team scored 78 points, setting a new J.V. scoring record. As for next year, the five starters on J.V. all look to either start or be in a sixth or seventh man role on next year's varsity. The freshmen on this year's team, despite little playing experience, should be able to put together a decent team, although as of now, they lack a real big man.

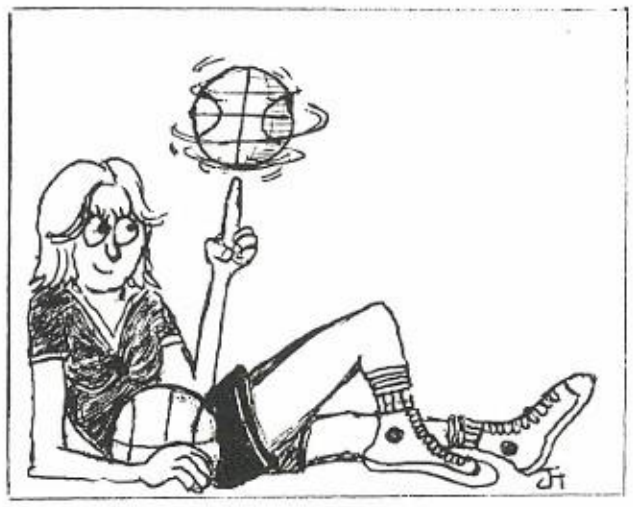


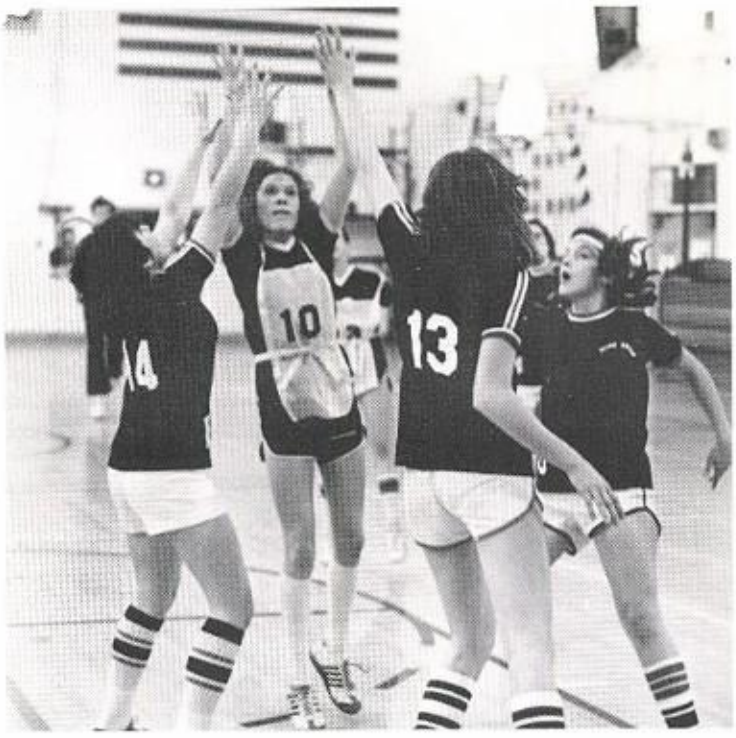
Row 1: T. Griffin, R. Wortman, P. Lindau, J. Spitz, S. Sklan, R. Steinman. **Row 2:** Coach Hogan, J. Strauss, J. Flower, E. Lynn, E. Carlin, R. Burns, L. Weisman. **Missing:** B. Lang.



The **Freshman Basketball** team lost its top five players to the J.V. corps this winter. With this gap left to fill, Coach Hogan's team finished with a disappointing 1-9 record. The ball handlers for the squad were Brian Lang and Jon Spitz. The forward ranks were led by Peter Lindau, Jon Flower and spot starter, Ricky Wortman. The two big men were centers Eric Lynn and Steve Sklar. These two, along with Flower, led the squad in the scoring and rebounding departments.

Girls' Varsity Basketball



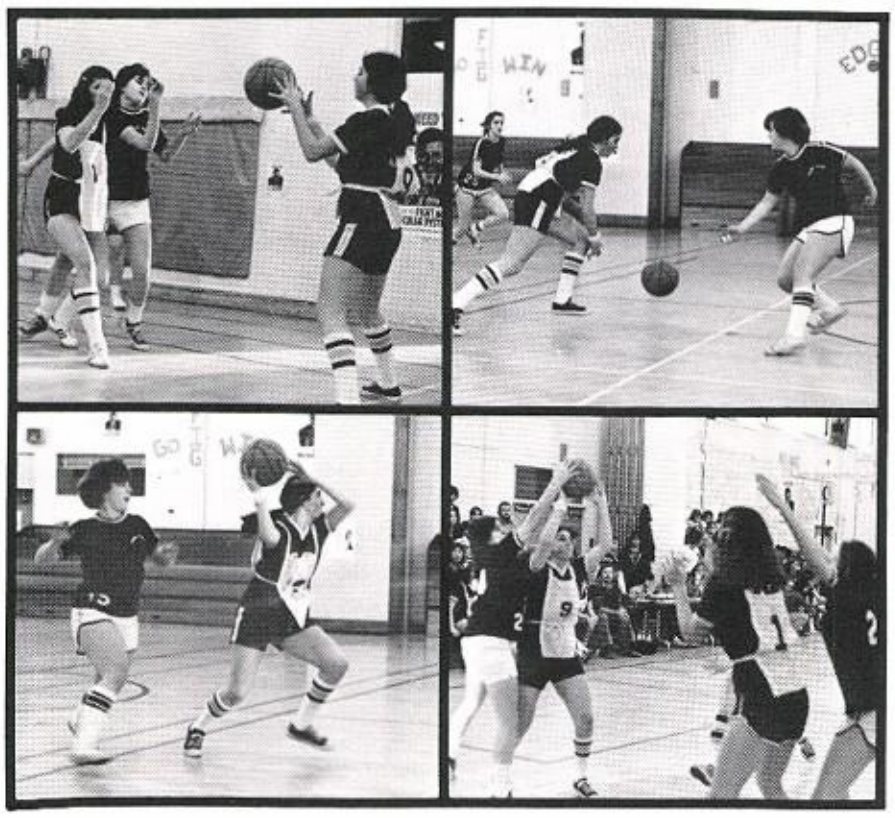


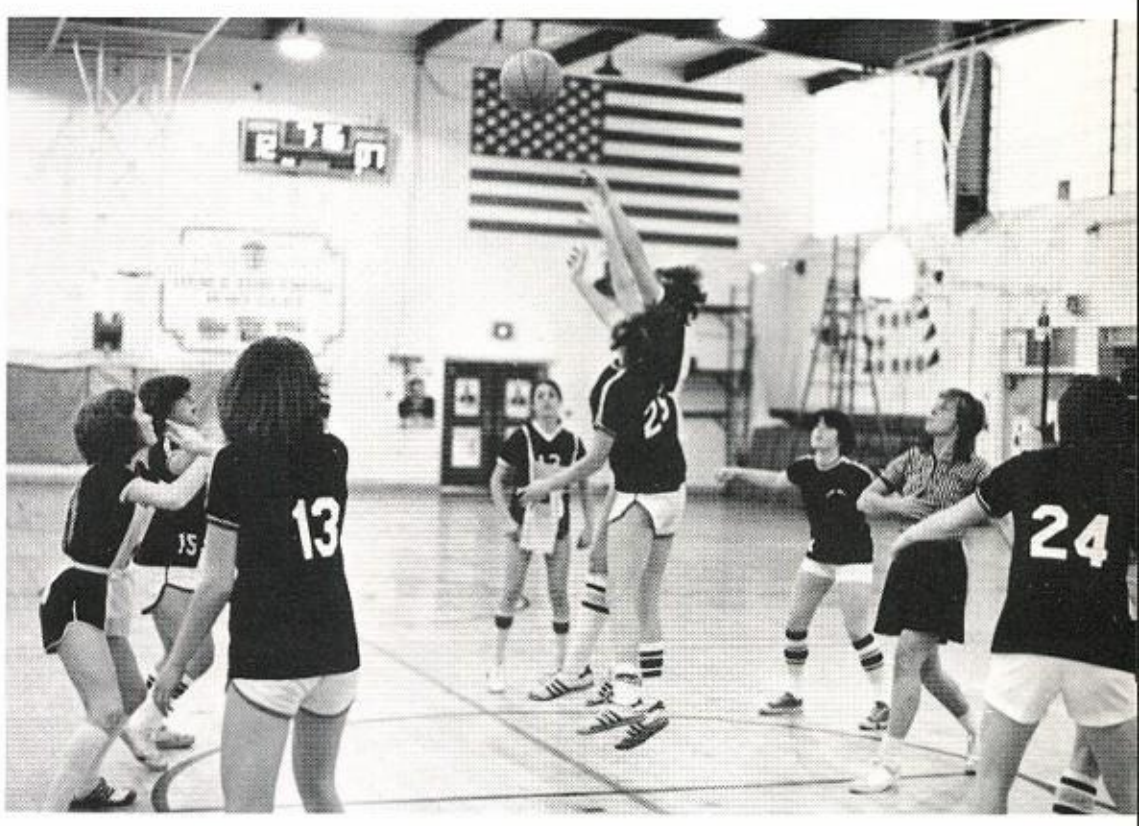
Row 1: N. Keating, D. Flynn, L. Freitag, L. Ahlert. **Row 2:** L. Martello, L. Burghdoff, J. Osborne, M. Capria. **Row 3:** R. Husney, H. George, A. Fichter, Coach Rossano. Missing: M. Alpert.

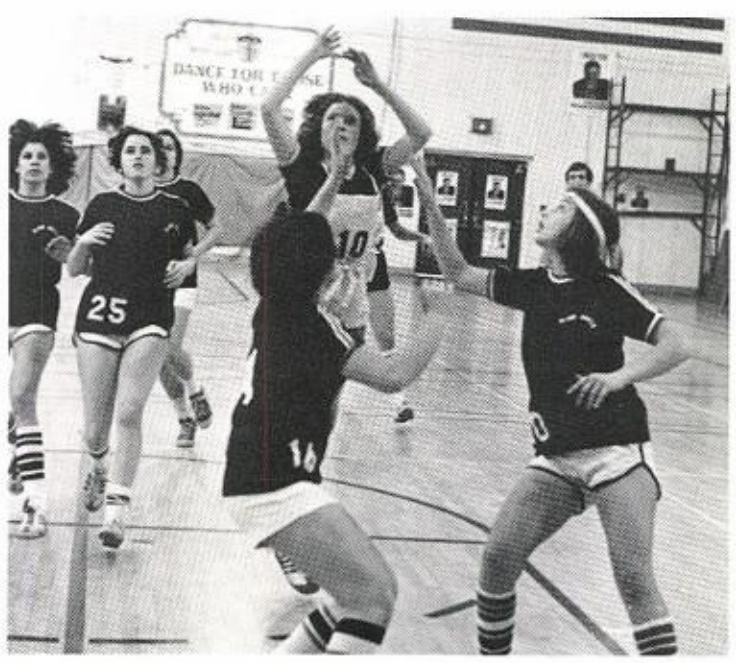
This year the **Girls' Varsity Basketball** team, coached by Mr. Robert Rossano, finished the season with a 6-7 record. Co-captains Linda Martello and Nanette Keating played both strong offensive and defensive games. Martello, high scorer of the team, averaged twelve points per game with consistently good rebounding and aggressive playing. Keating contributed excellent free throw shooting and position versatility. Other fine players were junior Lucy Ahlert and sophomores Robin Husney and Michelle Alpert. Coach Rossano referred to this year as a "building year" and expects tremendous improvement next season.

J.V. Basketball

The **Girls' J.V. Basketball** team, under the coaching of Mr. Larry Karabaic, ended their season with a 10-5 record. Strong offensive playing was provided by Jane Alexander, Ginny Ackerman, Sarah Shaw, and Linda Peng. Diana Duryea and Amy Borg played good defensive games. The team, which was made up of mostly freshmen, was quite successful despite their inexperience.

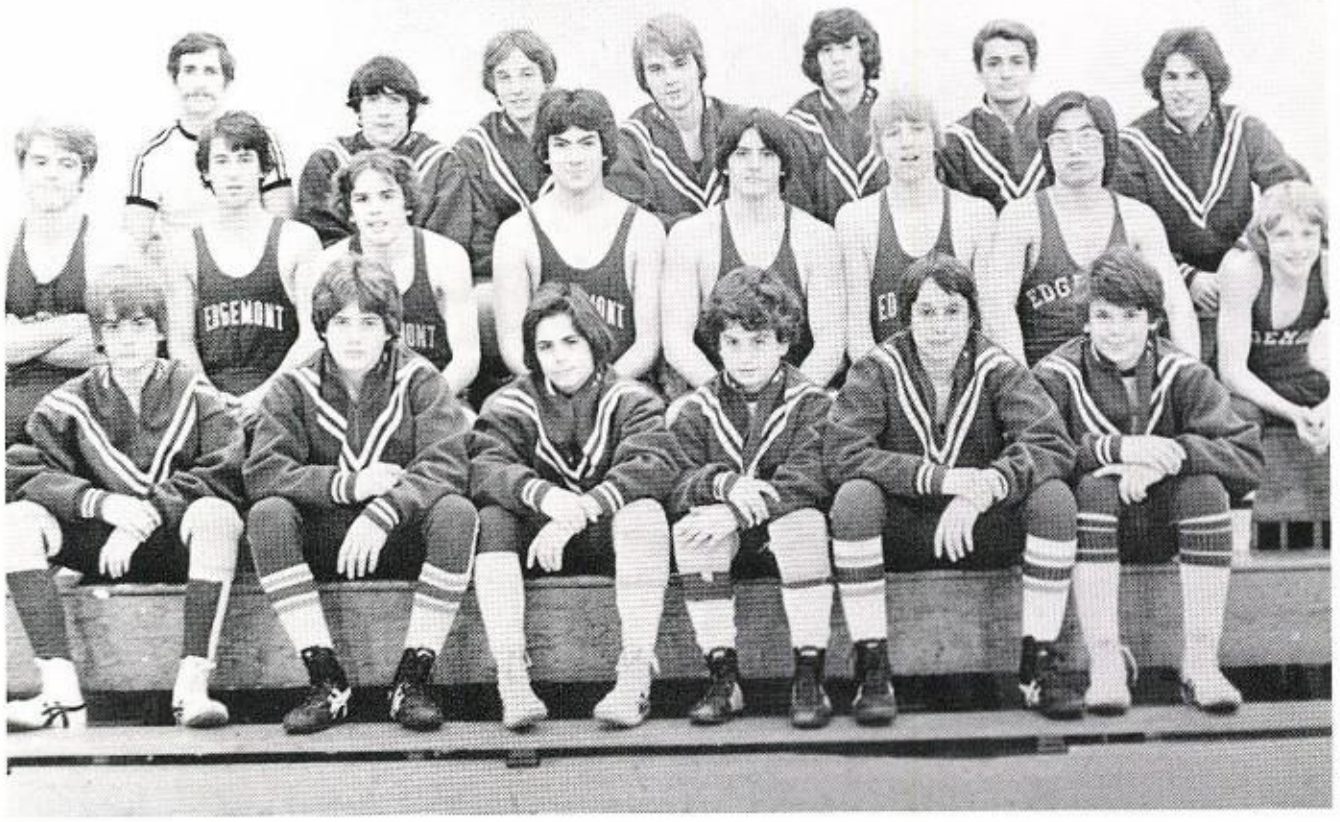




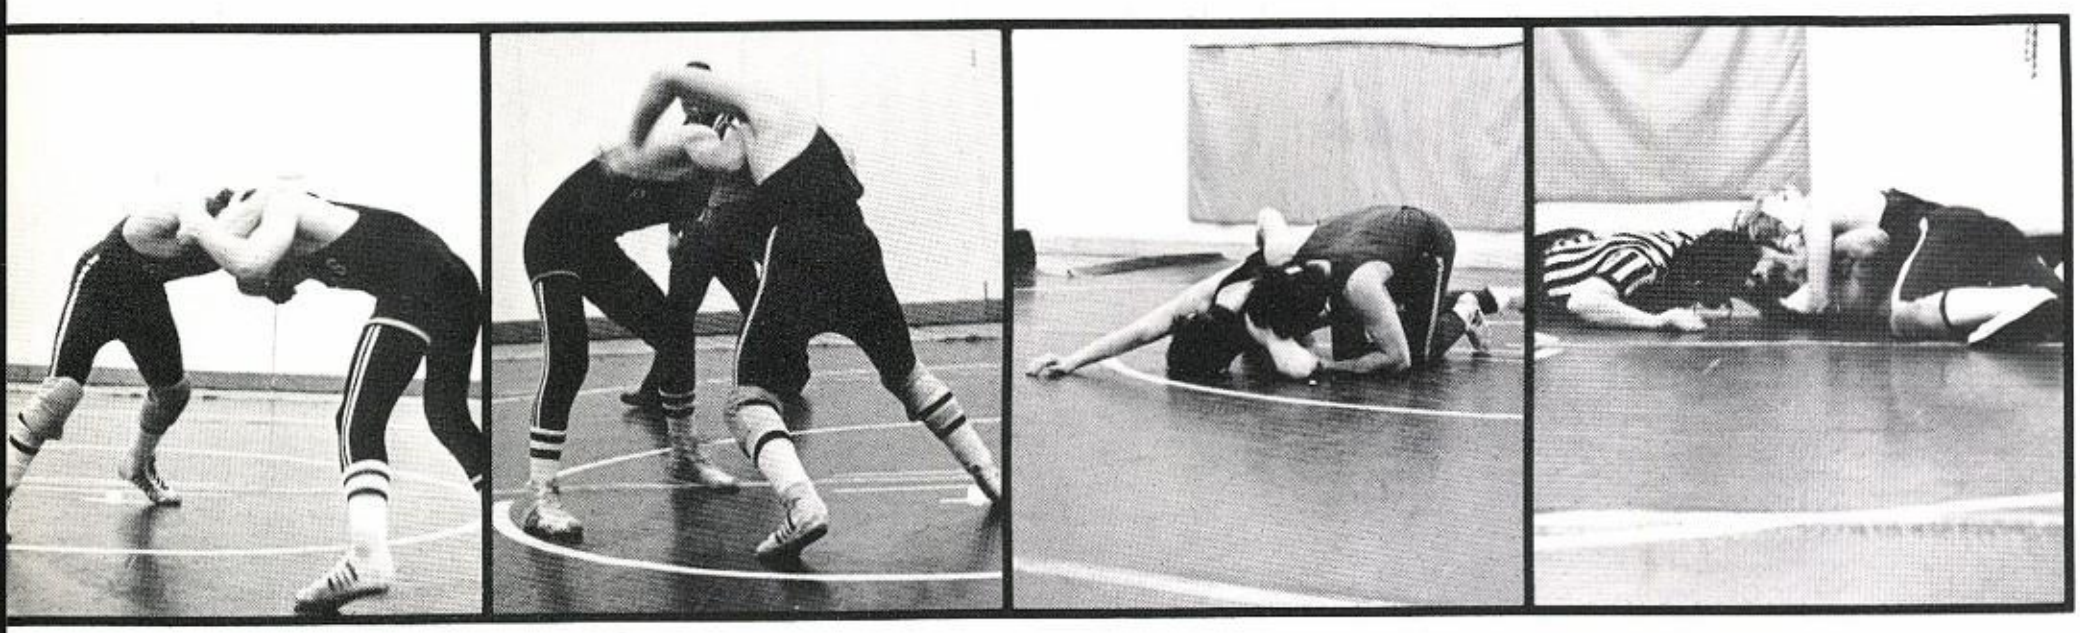


Row 1: L. Conklin, A. Moskowitz, L. Peng, A. Borg, E. Cohen.
Row 2: L. Miller, J. Alexander, S. Levine, H. Williman, J. Vogel.
Row 3: S. Gale, S. Weitzen, V. Ackerman, S. Shaw, Coach Karabaic. Missing: D. Duryea.

Wrestling

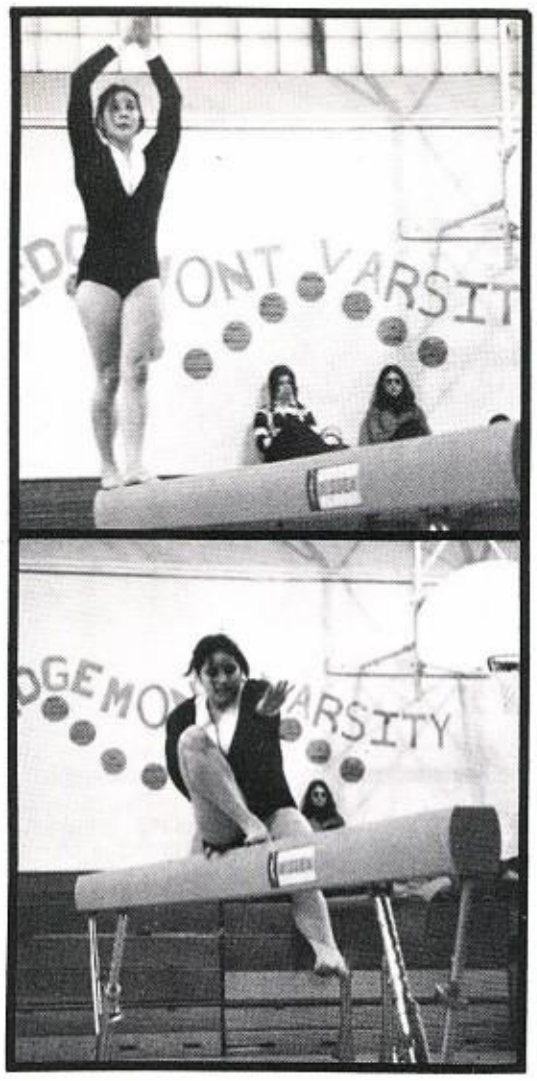


Row 1: S. Custer, J. Jadow, J. Triesman, S. Eth, A. Goldstein, A. Stern. **Row 2:** I. Lamser, S. Bloom, A. Crowder, S. Schaevitz, B. Loev, A. Horton, A. Chao, C. Lavoie. **Row 3:** Coach Blank, M. Goldstoff, D. Baumgarten, M. Custer, J. Miller, A. Barney, J. Triesman.



The 1977-78 **Wrestling** team had one of its best years in recent times despite a great lack of experience. Coach Tom Blank led the team to a 4-7-2 record with victories over Blessed Sacrement, Fordham Prep, Valhalla, and Tuckahoe. Third year wrestlers Allen Chao and Michael Goldstoff helped guide the team through the rough second half of the season after the team compiled an earlier record of 3-1-2. The team met a series of disappointments, however, including a late season injury to Junior Igor Lamser in his first match after returning from a different injury. Despite the disappointments the team managed to keep a hopeful attitude during the season.

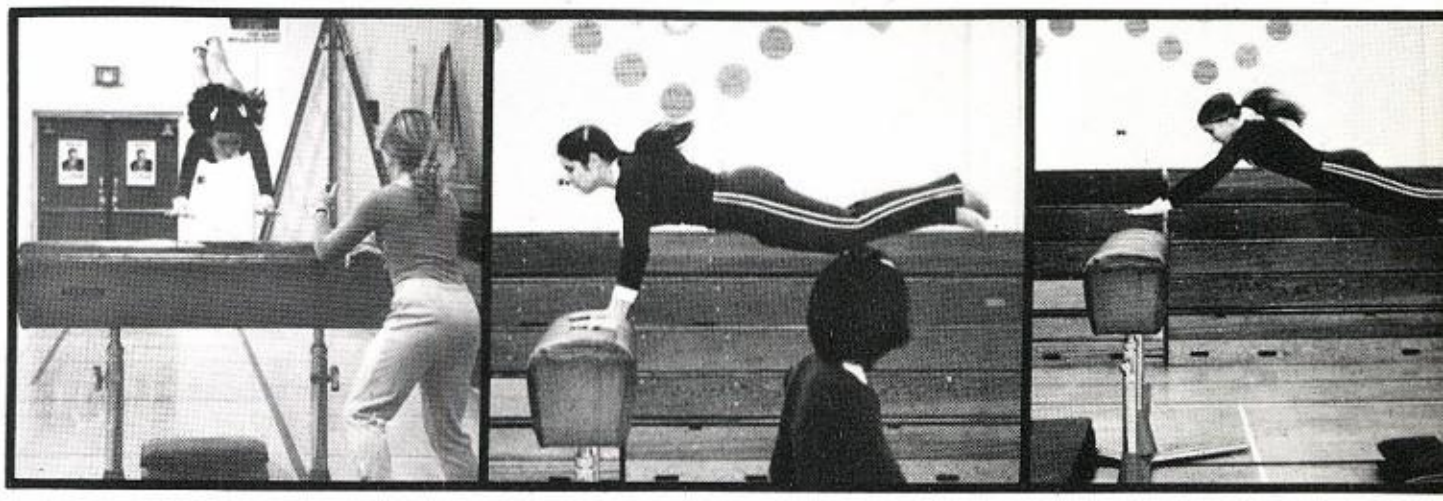
Gymnastics

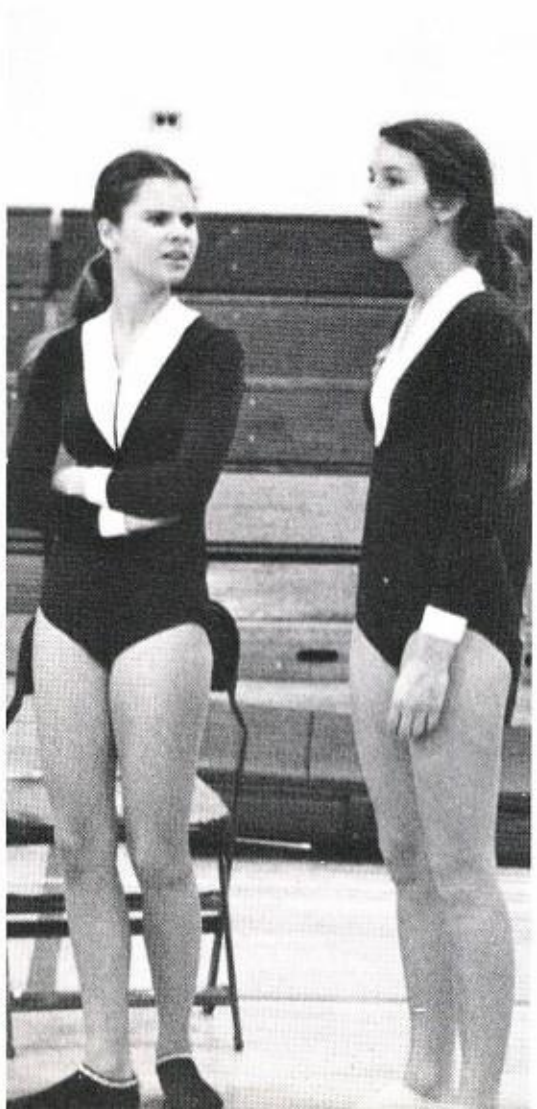


This year's **Gymnastics** team was the best Edgemont has ever seen. It was the first time that they were League Champs (undefeated in their league) and the first time that any Edgemont gymnast qualified for the States. The team was ranked third in the Divisionals out of eleven teams. The league record was 7-0 and the overall record was 8-2.

The team captains were seniors Helen Wilson and Marci Gonzalez, who have been with the team since the first competition. Helen received All-League Honorable Mention and competed in Divisionals on the uneven bars. Marci was All-League and competed in Divisionals as an all-around gymnast. She then went into Sectionals where she won third in vaulting entitling her to compete in the State. Eve Brody always performed a beautiful beam routine. Other excellent gymnasts are sophomore Brenda Burns and freshman Carrie Hatta. Brenda was All-League and second all-around gymnast in Divisionals which enabled her for Sectional competition. Carrie, an All-League gymnast, scored high in every event, particularly on beam and floor. She too, went from Divisionals to States.

In addition to talented gymnasts, the team had an excellent coach. Gail Hildebrandt demanded hard work yet allowed for fun and games. The team was young and strong and despite the loss of Miss Hildebrandt and Helen and Marci, it should continue to be outstanding next year.





Dear Kevin,
I had a really nice year & you in enjoyed working with you in Gymnastics. Look forward to next year & have a terrific summer. Love Evelyn

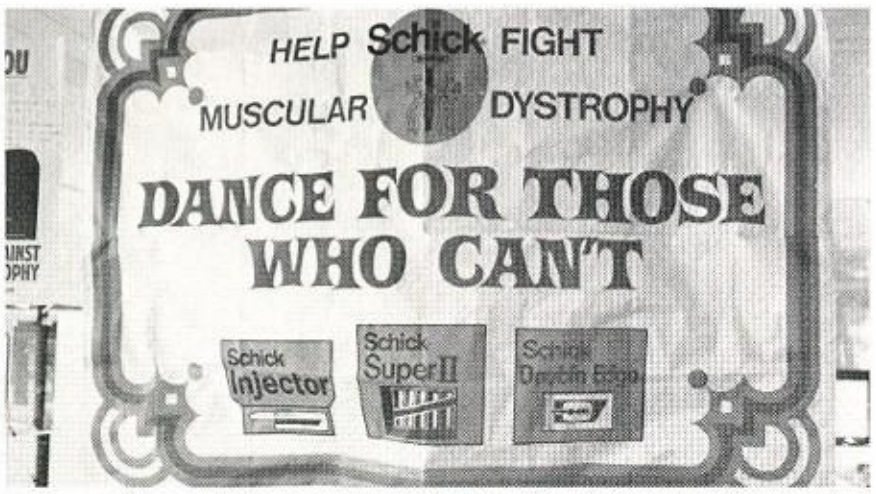
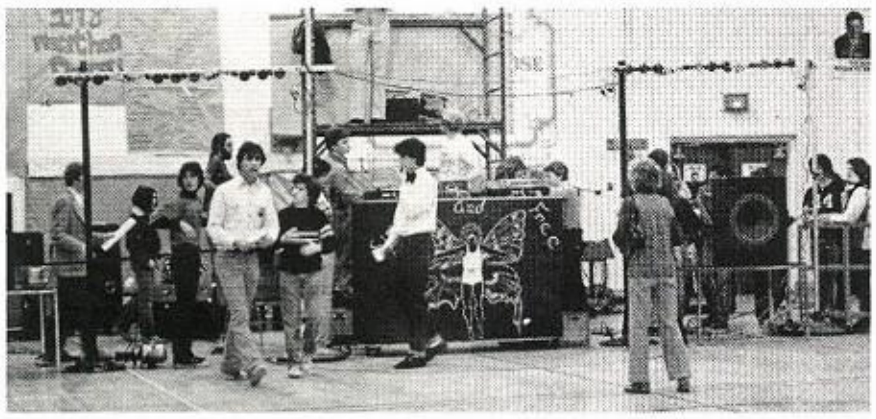
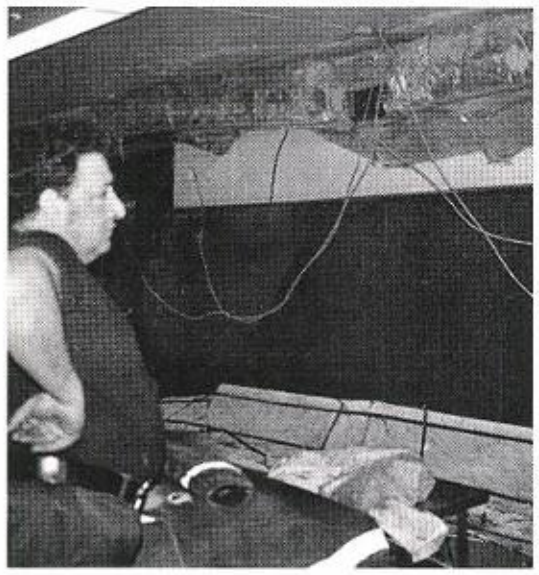
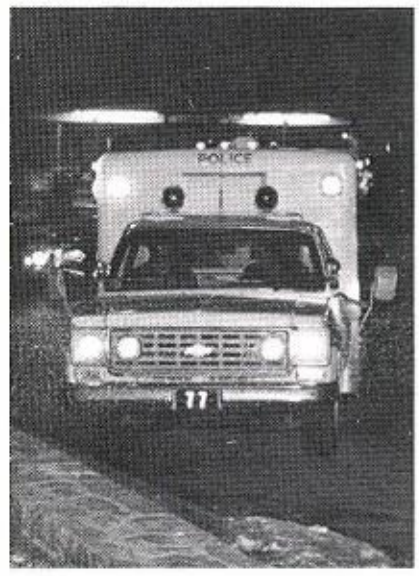
DANCE MARATHON

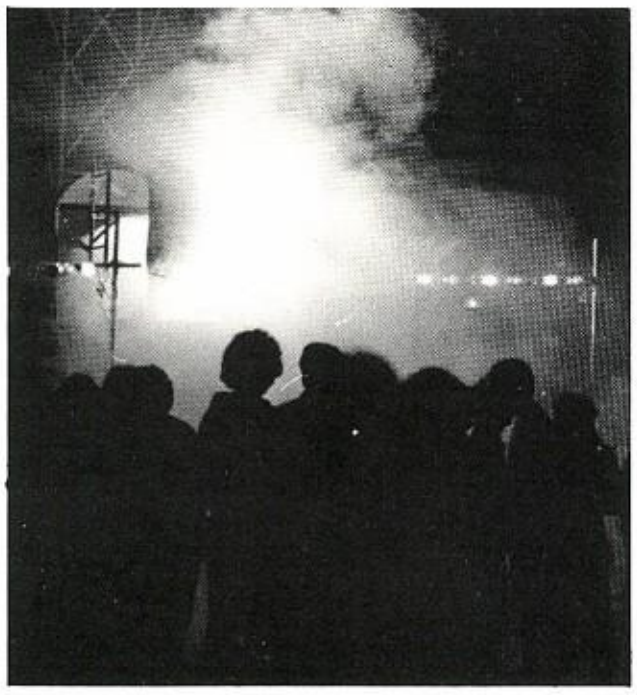


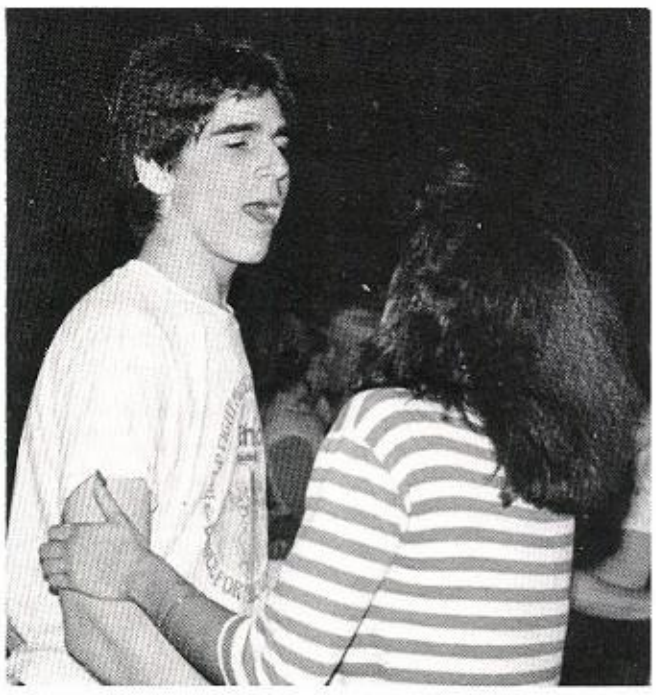


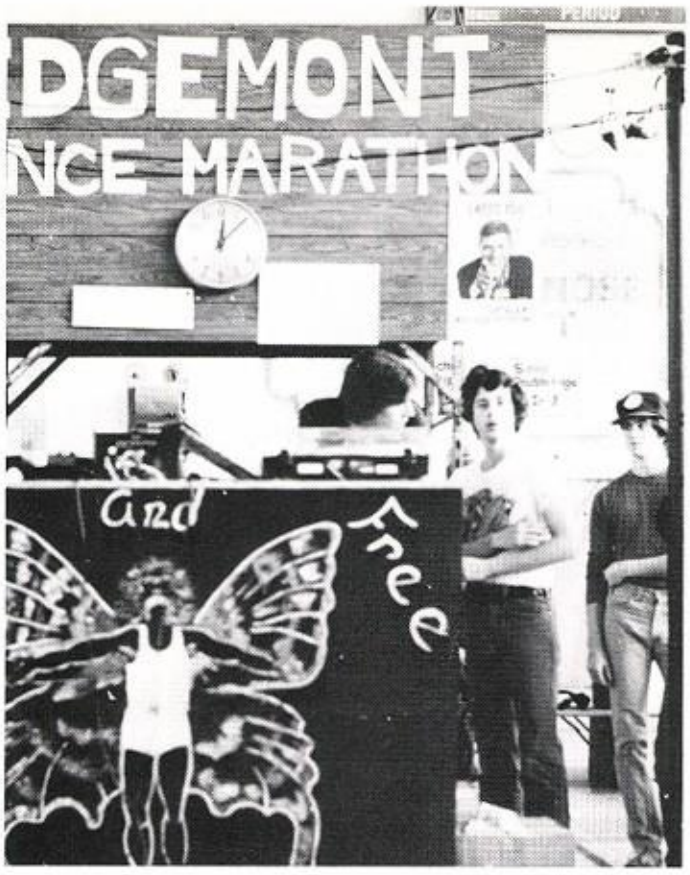


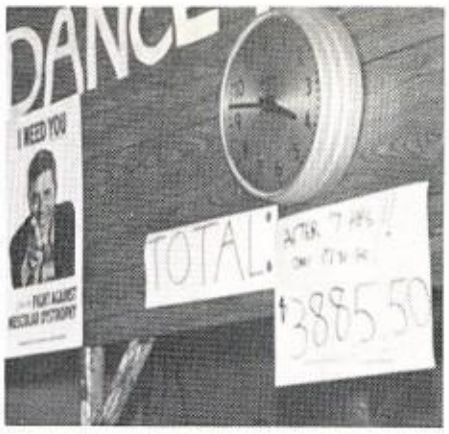


The first song heard at the 1st annual EHS Dance Marathon was "My Baby's Got ESP," but who really knew what would happen at the end of the 24 hours? Community merchants had donated over $1000 in merchandise for door prizes, and Glen MacGillivray and his Simple and Free Disco staff were generating an electric atmosphere as smoky incense filled the gym. The G.O. hoped to raise $1500 for Muscular Dystrophy, just as each couple out of the 54 hoped to take home the $100 grand prize. Just before the beginning, an accident in the gym brought fire engines and excitement, but no one was seriously hurt and the dance ran smoothly after that.



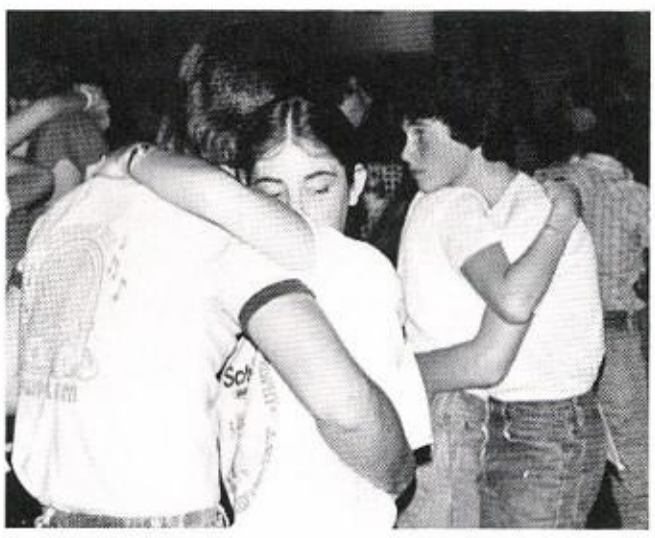


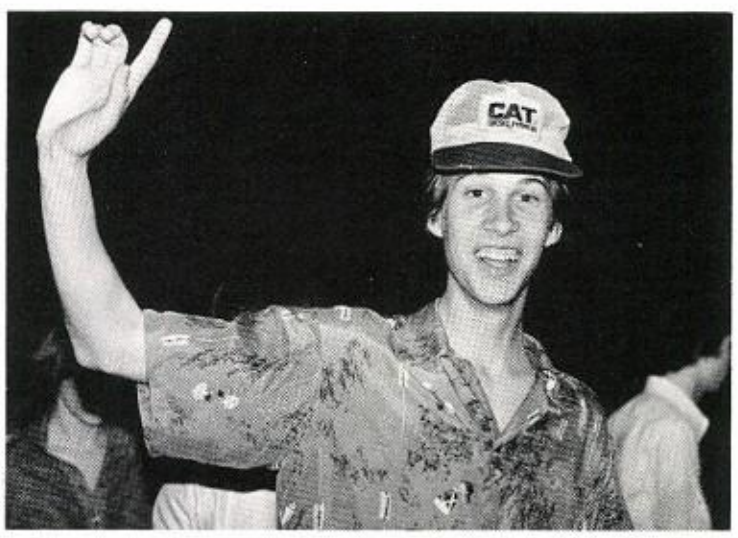


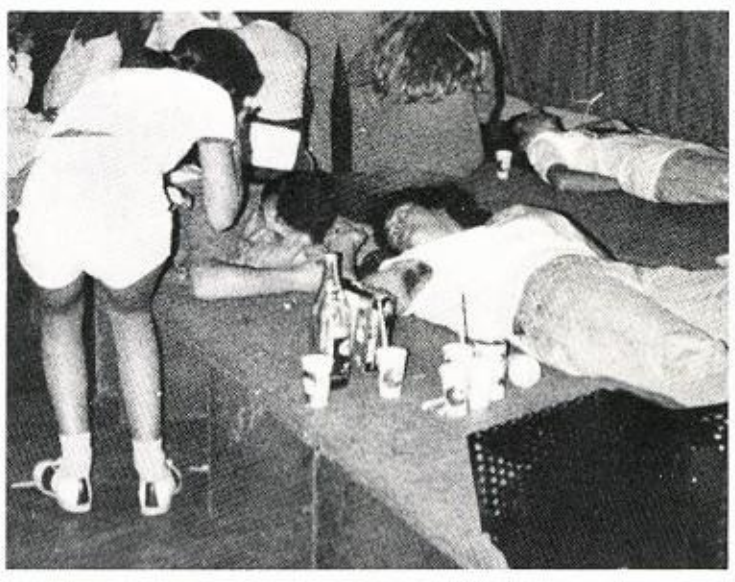


Various clubs had concessions selling foods ranging from hotdogs to ice cream to baked goods. These kids stayed up around the clock just like the dancers. Donated food was given free to the dancers. During each break period, marathoners could be seen lying on bleachers or on the floor with feet up, but when it was time to dance again it was clear everyone was giving all he had.

At the end, EHS had far exceeded its original goals. There were 25 couples still dancing and $11,000 had been raised for MD. Special thanks should be given to David Lefkowitz and Mr. Miner, who worked long hours to make the Marathon a possibility and a success.

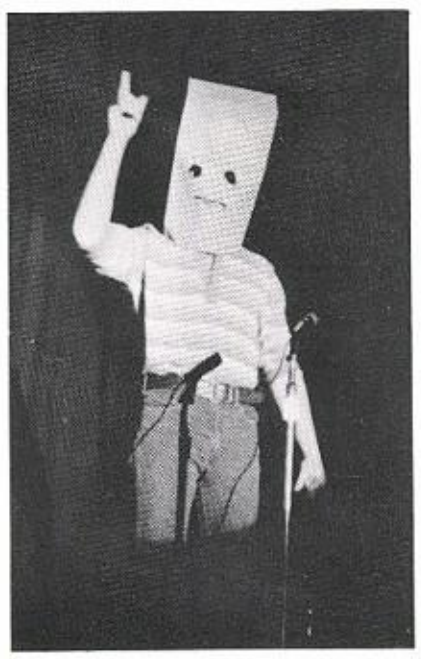


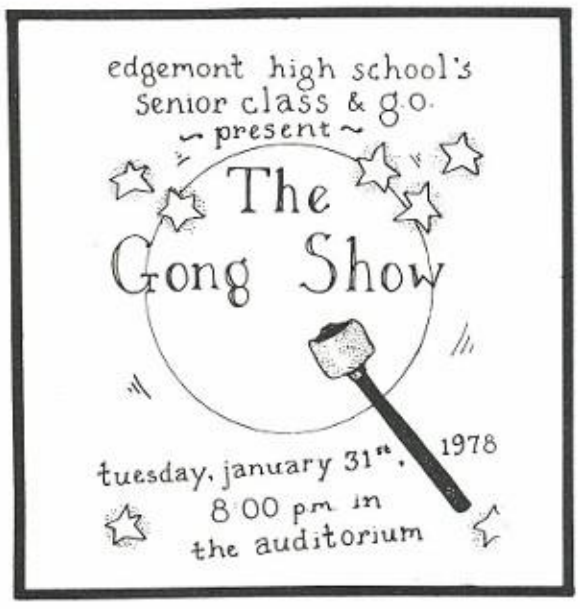




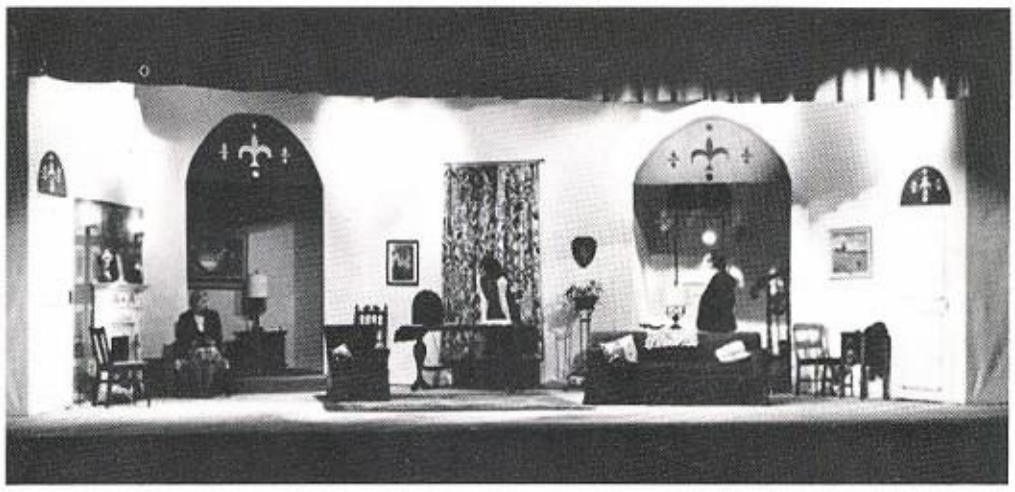
GONG SHOW

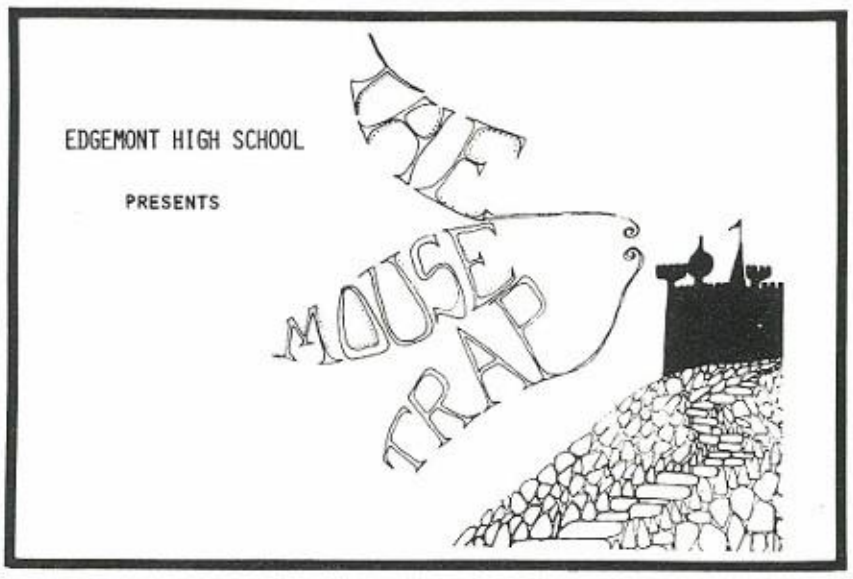
Thanks to the G.O. and the Senior Class, EHS had a true Chuck Barris production on Jan. 31. Dr. Gast proved to be the perfect emcee, outdoing Chuck in everything, with or without the kazoo band. Elvis even blessed us with a guest appearance, even though Dr. G. told us "They said this act was dead in Tenn." Clap! Water splashing and pie throwing was a tradition upheld by the Senior Class, even though Ms. Smith didn't approve.





THE MOUSETRAP





Three blind mice, see how they run . . . How about spending a few snowbound days with a deranged killer? It's doubtful that that much excitement occured when we were all snowed in this winter. All most people did was shovel, but never underestimate the power of a snowday (it could be your last.) Some kids thought playing with a mousetrap sounded like fun, and under the direction of Ms. Adams it proved to be Agatha Christie and the EHS Drama at their best.

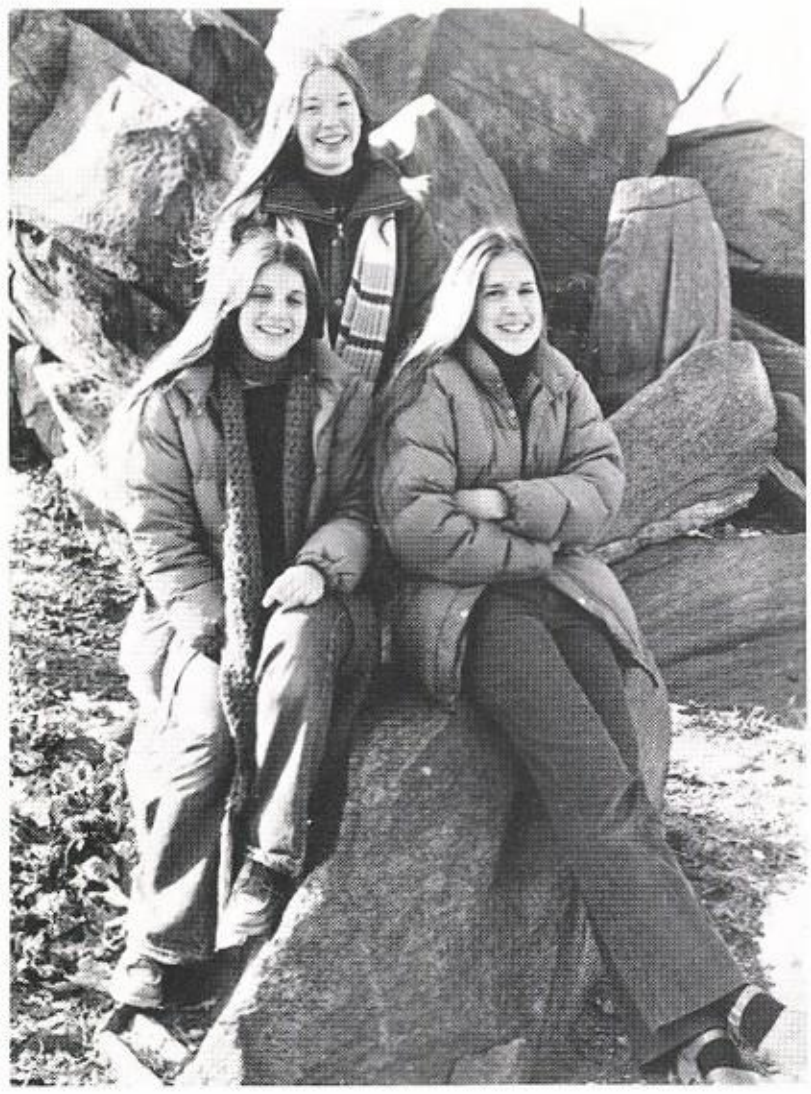
GIRLS TRIO: C. Jaffe, D. Morosini, B. Osborne.



The vocally inclined in our school have energized their lives this year with newcomer Mr. Lyon and his lively **Chorus** direction. Mr. Lyon's major concern this year has been trying to develop new methods of singing Madrigals while asleep and show tunes while eating lunch. Though he didn't quite complete this task, the chorus did get a Handel on their music enough to participate in the Christmas caroling at the Pan Am building.

8:10 in the morning isn't too early for a devoted **Madrigal** to get to school. And if rarely, they don't get there on time, they have tried their best. Once in D-13, the early morning voices blend together serenading the seventh and eighth grades who come to school just a little early.

Meanwhile, down by the old mill stream, the **Barbershop Quartet** sings to Adelaide, their sleepy time gal. She can only discuss what the monkey said to the chimp, so the minstrels walk off singing good-bye, good-bye, good-bye.

With the basses booming out loud and clear, the **Senior High Chorus** members feel what they're singing and hear what they're saying. At least until 12:20, when the whole tenor section puts down its music and walks out. They don't pay any attention to Ted flailing his arms; he's not waving them back; he's just conducting.

CONCERT BAND
MARCHING BAND

Bright and early every morning, harmonious Edgemonters tune up. It's time for **Band** with Mr. Gilbert, who possesses all the charming qualities of Mickey Mouse, Leonard Bernstein, and Vasclav Nehlybel.

But, if the "traditional" band doesn't appeal to the average instrument, it is possible to take out aggressions marching around a field on Saturdays in the fall—through rain, sleet, and snow. It's John Philip Sousa revisited. Eat 'em up! Rah! Rah! The hotdogs make everything worthwhile.

After a hard day's work running up and down the field with the **Marching Band** , why not go to **Wind Ensemble** rehearsal? Have you heard about the new concept in Wind Ensembles? No, it is no longer four gentlemen with

Wind Ensemble members have the added pressure of learning their music perfectly; since there's only one part, if you make a mistake, it stands out. Something that really stands out is the **Sax Quartet;** performing top quality sax music and adding an extra dimension to music at Edgemont.

Every type of music covered, right? What about jazz-pop music? Every high school should have a **Stage Band,** and Edgemont was the first on its block to have one. Would an E-Day be complete without them?

All the bands participate in annual concerts, and there are also exchanges with such places as Hickesville High.

The glory that was Rome lives again in Edgemont! Initiation into the ancient world is easy — you just have to be a slave or endure people asking you about the laurel wreath around your head for a week. Julius Caesar is sorry that he missed the Ides of March the Edgemont **Latin Club** celebrated, and the fare at the annual banquet would have received praise from Augustus and Claudius since Livia wasn't doing the cooking.

Mrs. Adams and her francophiles have searched for French culture through **La Cantatrice Chauve, Caligula, Tartuffe,** and **coq au vin.** They're hits at parties using words like **coup de grâce.** They hosted a **fête francais** with activities from **croissants** to a college bowl which, incidentally, Edgemont won.

1978 was a good year for imports from Europe and the West — Eva, Damir, Brian, and Jane can attest to that. The **A.F.S.**'ers from Edgemont also got to see some of the outside world visiting Cape Cod and Upstate New York. There were also various A.F.S. weekends that enabled local A.F.S. students to meet and get to know each other. Raising money is a vital part of A.F.S., and although the adult chapter does a great deal, the high school club works hard to increase the funds.

The junior and senior years of some rural, Southern Black students are greatly changed by their coming to school at Edgemont. It is a chance for growth through a changed atmosphere, often opening up new horizons for the student. In order to raise money the **S.T.E.P.** kids will work through S.E.S., donating the money made to S.T.E.P. Out of S.T.E.P.'s concern for the isolation often felt by a person found in new surroundings, grew the **Newcomers' Club.** Both clubs meet jointly to discuss the newcomer's problems, and the loneliness felt by all at one time or another.

PEER COUNSELING TUTORING

Monday night may mean the blah's for some, but for P.C.'ers it means learning how to help other people and themselves. It's like any other class at Edgemont except it's at night and two hours long — How dedicated can you get? With Mr. Raubolt and a representative from the community, P.C.'ers work out situations and view films.

Tutoring is not one extremely intelligent, snobbish, well behaved, linguistic, condescending individual showing off in front of another terribly stupid, uninterested, disgusting looking, inferior being. It's not even the other way around. Tutoring in our school is simply Edgemont kids helping each other.

Sine, Cosine, Cosine, Sine! 3.14159! Numbers are mightier than swords especially if you know how to use them, and the Edgemont **Mathletes** know their business. Coach Gast put his talented players through rigorous training this year in preparation for competition against the finest brains in Westchester. Needless to say, their first task was to learn the cheer and the mathematical Christmas carols. But, after these preliminaries they got down to the business of winning, led by the state competitors, Ken Brody and Peter Alpert.

Stratomania swept through our school with the initiation of the **Stratomatic Club.** The 15 team — expanded League, under Commissioner Verdicchio, played seasons of three and four game series in members' free time. Players' statistics and the rolls of dice determine the outcomes of these engrossing baseball games.

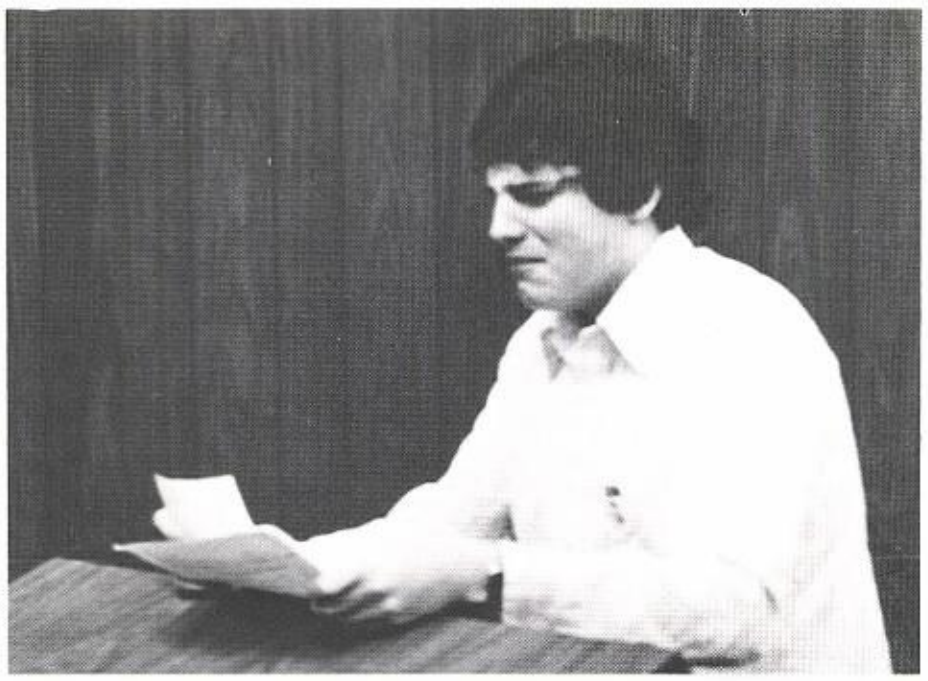
DEBATE
MODEL U.N.



The Edgemont **Debate** team means arguments with style, wit, and wisdom. There's always someone to tell who has won and lost. The Edgemont team participates in the Westchester League, learning the principles and tactics of formal debate. The team has spoken its way all over the Northeast, including trips to invitational meets at Dartmouth and U. of Mass. They also served in a model Constitutional Congress in Washington D.C.

What does it take for a typical Edgemont student to pose as an Iraqi diplomat? The **Model U.N.** delegation discovered that their international "exchange" involved months of research into both the U.N. and their adopted country. Trips to Columbia and the U.N. made the work more enjoyable, and the exciting Model U.N. itself, at the N.Y. Sheraton (the Arabian Nights?), was a fitting culmination to it all.

The **motocross club** has just completed its first year, and has ridden with flying colors. Members have successfully competed in the tri-state area, like Tony Griffin, who won the junior division of the Monticello Enduro Race. When motorcycles and snow didn't get along, the club viewed films. The club has high hopes for the future, and their organization of the first high school competition in the East.

On Wednesdays a group of **bowlers** from Edgemont go to the Yonker's bowling alley. It's amazing how many members of this group bowl 300 every time. Mr. Fishman and his near-professional bowlers do it just for fun. So strike up another one for Edgemont, and believe you me, that ain't duck pins.

John Mallia and other twisted snake lovers meet to learn about the care and feeding of their reptilian friends, and plan trips to snake freak hangouts like the Bronx Zoo and CBGB's. The **snake club** T-shirts, selected at the annual contest, are the second coolest T-shirts in NYC. The club also corresponds with other snakeophiles, such as musician Graham Parker.

The intrepid **Outdoor Club** members, associated with Explorers Post 75, have hiked the wilderness in such places as Pound Ridge and Miamus Gorge. The less brave came out in the spring, when activities included bike trips and camping. The **Ski Club** spends its time whizzing down snowy slopes. For those who didn't mind missing the marathon, the first weekend trip to Killington was a great success.

We first met each other toddling around in the same nursery school, only to discover that we were forming lines and being each other's buddies in camp and elementary school. Of course, some of us weren't allowed to see old nursery chums — Seely Place and Greenville separated us (except for those of us who used Gene's Bus Service). Occasionally, new faces showed up, and we stared and pointed until they too were on our side pointing at newcomers. Finally, through tears and shouts of joy we made it to Edgemont, and Seely and Greenville meshed. At ninth grade camp, we remembered sixth grade camp; at senior forum, we looked back on both. At times we reminisced, telling stories of old friendships, crushes, rivalries and seventh birthday parties. People matured and grew apart, groups of friends changed membership, but we still remember the way things were, as we smile about the way things are now.

Computers are people too! The members of the **Computer Club** find that computers are great companions, terrific conversationalists, and good at playing games. They're always willing to receive information, and only speak when spoken to. Life can be happy in the little room off C-1, with the perfect slave and you.

The glorious **Gast Gang,** composed of geniuses, guessers, and gamblers, seeks to gratify the globe with great mathematical calculations of the practical sort. Meetings are deemed unnecessary for these financial go-getters because tradition glues this group together.

Most people are familiar with an advertisement picturing a man wearing a sweatshirt that says — WE CAN PRINT ANYTHING. The **Graphic Arts Club** can print anything but they won't — they have too much class. The club's main activity is printing — they will do T-shirts.

Hiding out in the B-building darkroom, the **Photography Club** members developed their knowledge of photographic techniques and processes in addition to the pictures club members had taken. Mr. O'Brien and fellow shutterbugs discussed the positive aspects of negatives and put Polaroid to shame.

Walking down the hall, one can often hear the Edgemont shopkeepers yelling "Sale, Everything must go. Best G.O. discount in school, and that's better than Crazy Eddie can do." It's the **school store,** equipped with pens, notebooks, review books, bumper stickers, and clothes with your Alma Mater imprinted on them, for that almost varsity letterman look.

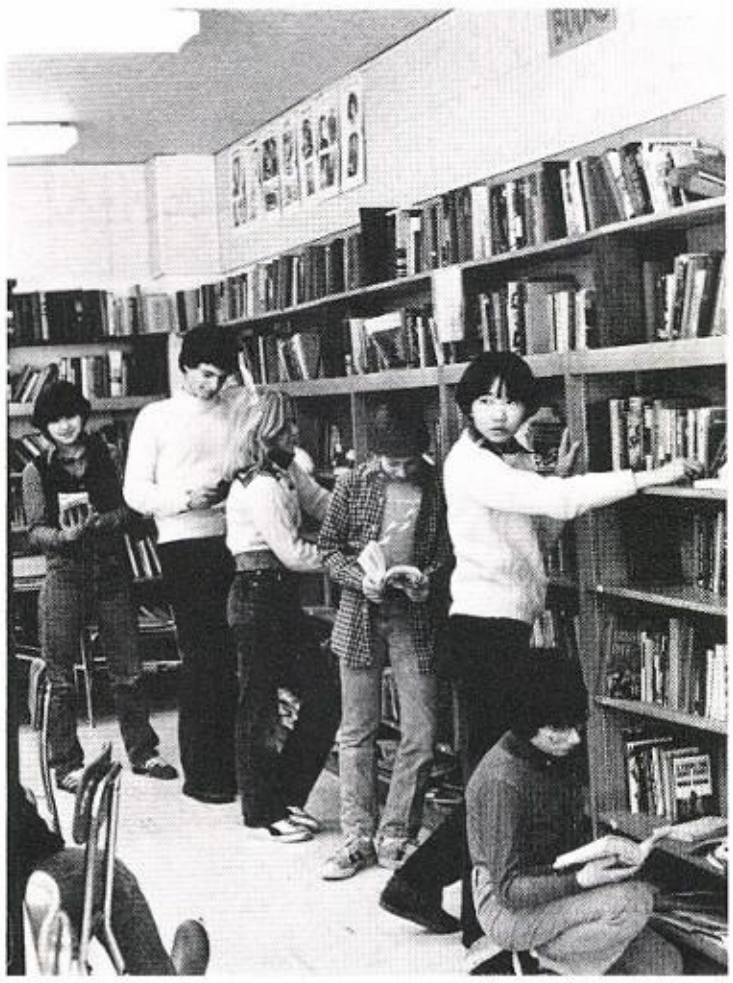
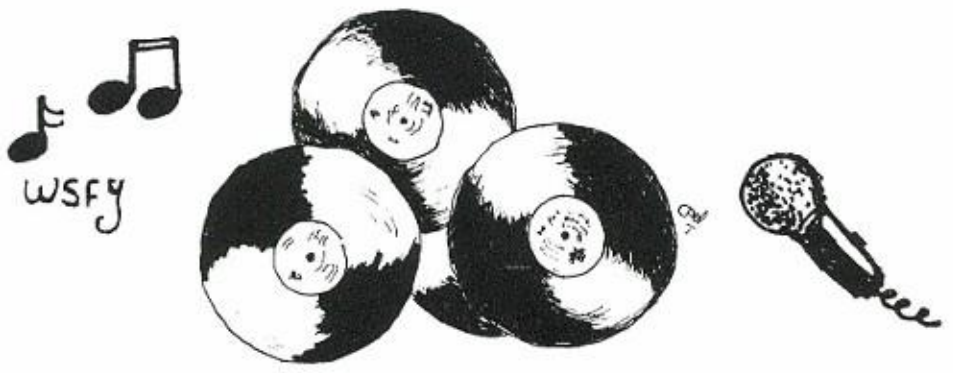
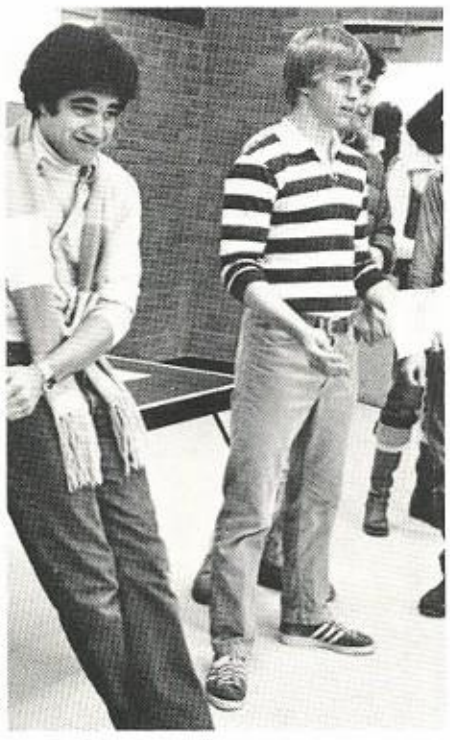
Free books, get your free books here! Mr. Weiner is always willing to give away a few. There's something for everyone. Given three stars for atmosphere. Self-service, but amiable help always willing to show you a thing or two.

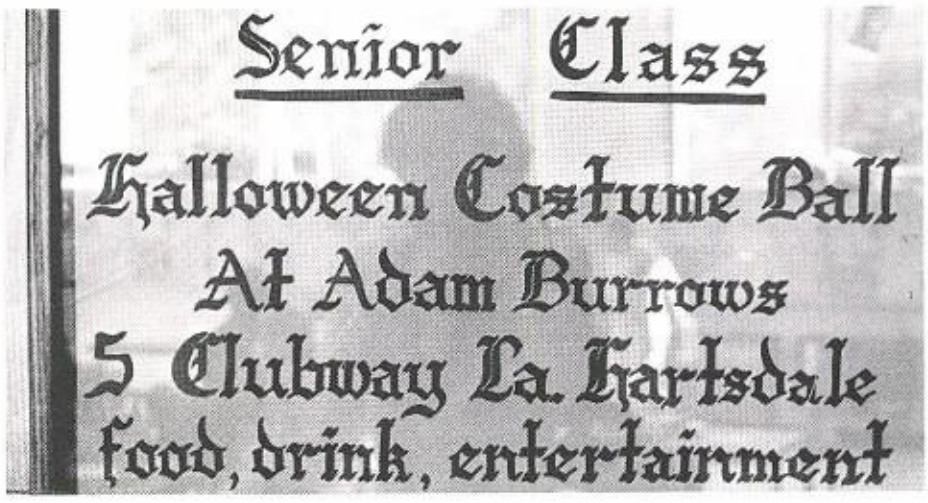
WSFY, the mellow sound, best music, New York's best rock, commercial free hours all the time, even without newsbreaks, but not quite the new 102. At different times of the day the cafeteria receives stimulating musical programs, like the new wave show case, with disc-jockeys famous to Edgemont ears. Some have even made guest appearances on ETV. The music is often part of the jockey's private collection or the wide selection found in the SFY library.





SR. OFFICERS
JR. OFFICERS





The **Senior Class** has come a long way! From the junior car wash to the Rye Town Hilton, to be exact. How'd they do it? A little Chuck Barris here, and G.O. support there. Letting the teachers win at the basketball game, the football concessions, and dances helped too. The extended forum day put everyone in a good mood. The Force was definitely with them at the Senior Carnival, and many thanks go to the Source, Mr. Ed Peduzzi.

Those who missed, by one year, the privilege of being in the Class of '78 have done a fine job in their role as **juniors.** They started off well by electing 5 charismatic classmates to lead them ("Cookie's Cohorts"?), and continued with such activities as the class costume party. Bake sales, including one 24-hour marathon, brought in the first trickles of Prom money, as did the traditional car wash. First priority, of course, was raising enough for their ad in **Respectus.**

Great Expectations realized! That's this year's **G.O.** In years prior to this one, people passed the soda machine, saying all the G.O. did this year was fill the soda machine. Well, without that task to perform this year, the G.O. did wonderful things like extended late arrivals, local exchanges, movies like **The Front,** White Fire initiating the first dance of the year, Blue and White Day, Fifties week, sharing the Gong Show with the senior class, and executing the Dance Marathon. The G.O. was rewarded for its good works by the Board; the G.O. was given $500.00. The G.O. also benevolently supported school publications.

For those who thought Edgemont was a dictatorship run by Dr. Doohan, you're got something coming to you. Representing many factions in the community, the **Principal's Advisory Council** discusses changes in policy with Dr. Doohan.

The **Chanticleer** Board has strived and proven that literature sure ain't died. The greater writers in our school publish in our mag first. Mrs. Heyle has helped us edit stuff in the passed, but nowadays, we does our own work. When we enter Sage Heyle's great meeting-hall of A-5, we are struck spell-bound by the poetic expressions of fellow scholars. And whan that Aprille with his shoures sote, and smale fowles maken melodye, we chooseth the material which will be immortalised in verse and prose.

ETV is the TV station that has a news show with class. Its alternating anchormen are reminiscent of Ted Baxter and Walter Cronkite. ETV weather makes Tex Antoine happy that he's still on Channel 5, and sports is the highlight of the show. Into gossip? Cookie's spot makes this reporter feel like she's watching Rona Barrett's smarter sister. And if nothing else appeals to you, the opening music is terrific. Good night and good news . . .

The following is an in-depth analysis, focusing on the second year of **CAMPUS MONTHLY**. . .'77-'78 was the year of the muckrakers who put EHS on the map and in the NY Times with the famous sex survey, the year that proved things are always better the 25th time around. We developed a talent for Mad Libs-style headlines (Noun: or ?) and horrible puns. The $$ crunch put us under pressure, but Miriam's 5-finger method of getting even with the typist kept layout costs down. Production was always frantic: we exhausted ourselves carrying THE BOX from school to Hillary's and back, lost copy in the office mess, made Roger and Erik print photos at 1 a.m., stayed up all night, and missed our deadlines anyway. Brad kept us from getting **too** neurotic. To sick jokes and hysteria we said "remember that for the April Fool's issue!" while we dreamed about a 36-page masterpiece. We wondered about next year ("Linda needs a staff!"), and decided that **we** are the Golden Age of **CAMPUS MONTHLY** . . . Thanks always to Mr. Goldberg.

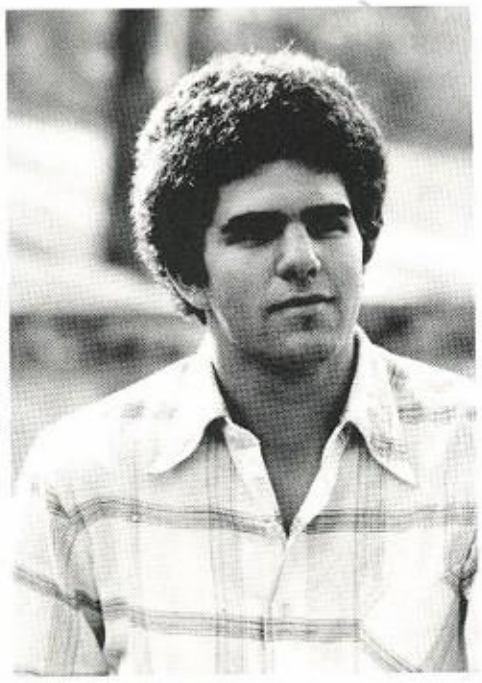
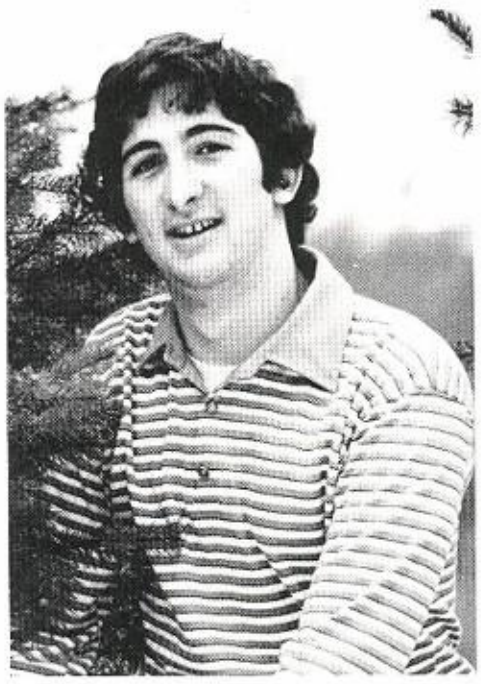
RESPECTUS

Did you know that the child labor laws were repealed at the beginning of this year? Neither did the **Respectus** staff, but we soon discovered the unfortunate situation. As newly exploitable slaves, we first worked to exhaustion putting out the summer supplement — and **then** we realized there was a real yearbook to produce too. We mastered the art of layout, but we were totally unprepared for our next task — heavy construction work. Once the yearbook office was finished, and we had learned to traipse in and out of the Blier's abode without being **too** disruptive, the long hard struggle began.

From the start, the staff was plagued with disaster. Pictures had to be scheduled, taken, rescheduled, retaken — until Peter sent a cake of apology to our photographer.





Above: Row 1: L. Eskay. **Row 2:** L. Lustgarten, E. Friedman, L. Laubich, B. Dworetzky. **Row 3:** M. Jaffe, J. Frankfurt, D. Winograd. **Row 4:** D. Lefkowitz, L. Rivlin, B. Gale, J. Leven, S. Weiner. **Left:** P. Blier, J. Klein.

Diets and deadlines were missed as, night after No-Doz night, the **Respectus** slaves munched out in frustration. When the entire staff simultaneously succumbed to the Russian Flu, nightmares of an August yearbook kept the hardiest of us toiling away to meet the deadline.

Cries of "Peeeeterrr!!!" racked the night as insecure layout personnel sought what they believed to be a higher authority. Scaleographs were in great demand as we tried not to crop off people's heads, and many triforms were ruined because of the lack of erasers.

Amidst all the chaos, we still enjoyed many moments of hilarity and creativity. Original layouts and innovative section designs were difficult to produce, but when the proofs came back, we rejoiced at our achievement.

A Yearbook is *more than an autograph book or a scrapbook. It is a work of art that tries to capture the human drama that unfolds each day. It tries to express the feelings of the people, the activities, buildings and experiences that make up each school year. It strives to grab from the air the intangible and to put it down on paper — to be ours forever, so that this year can be with us tomorrow in all its glory and wonder. Our yearbook marks the end and the beginning of a stage in our lives.*

'78 . . . IT WAS GREAT!!!

It was a time to celebrate, participate, associate, innovate, decorate and demonstrate.

A time to concentrate, speculate, anticipate, vegetate, graduate and matriculate.

A time to stay up late, deviate, violate, liberate, fabricate, exaggerate and percolate.

A time to deliberate, negotiate, regulate, alternate, moderate and terminate.

A time to congratulate.

A time to dedicate.

A time to commemorate.

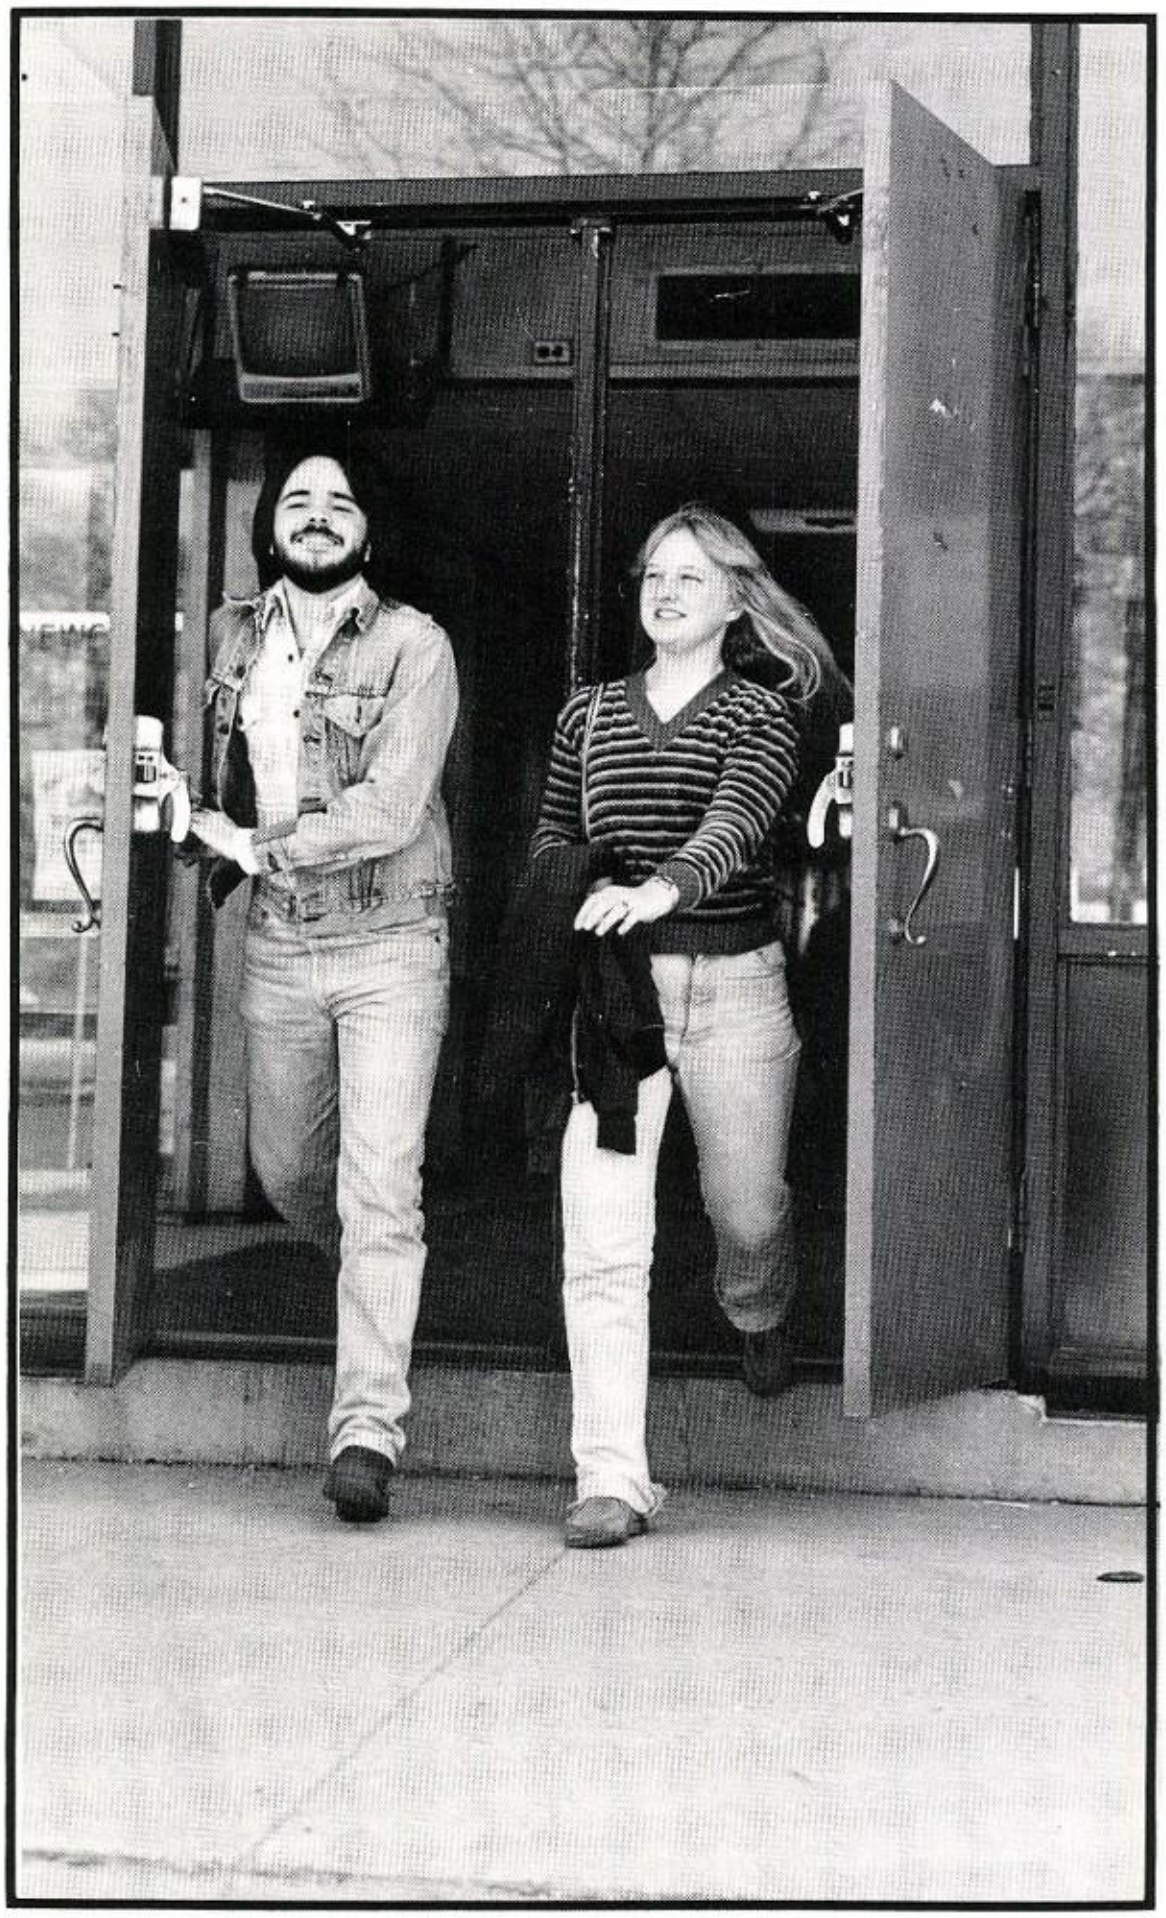
Dear Flagstein,
Despite all your
Domineering qualities
in class you
a good kid

me

Love Ya

Well, I sure have seen a lot today. I'm mighty surprised to see how times have changed. This trip is going to be something to tell my grandchildren about — actually, I 'spect it'll be the other way 'round. This whole thing is a catchy idea for a plot. I'm always looking for new plots. Yes, indeed, wonder what I'll call it . . . "A Connecticut Yankee in the Future." No, somehow that doesn't quite make it. I'll figure something out. By the way, would you mind hitting me over the head while I'm thinking? I suppose that's what'll get me home. They're probably all worried about me — I might end up attending my own funeral. "Course that's another catchy idea — too bad I already used it. Anyway, if it doesn't get me home, I suppose it'll get me somewhere else equally as interesting."



Let us endeavor so to live
that when we come to die
even the undertaker will be sorry.

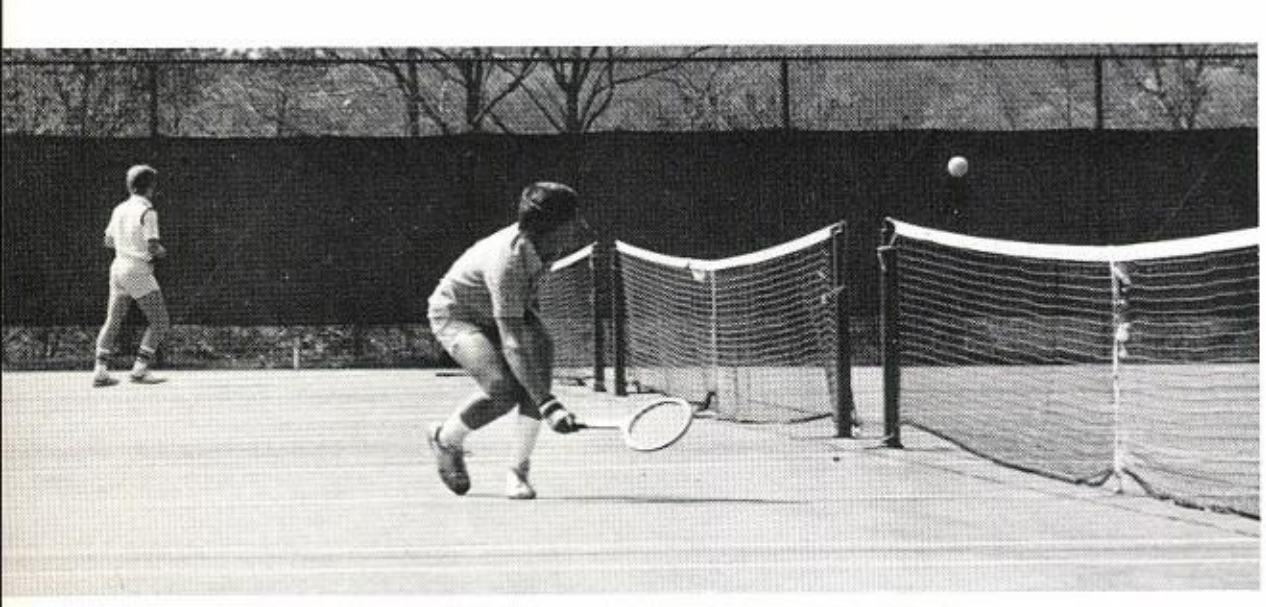
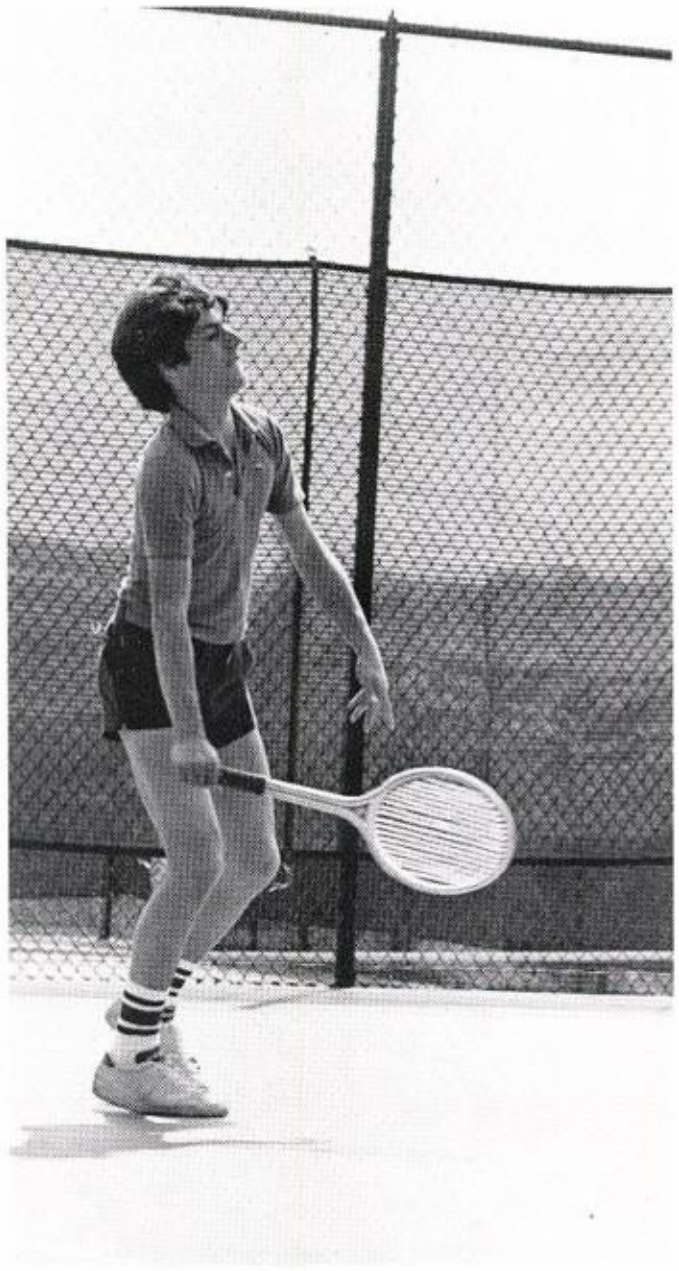
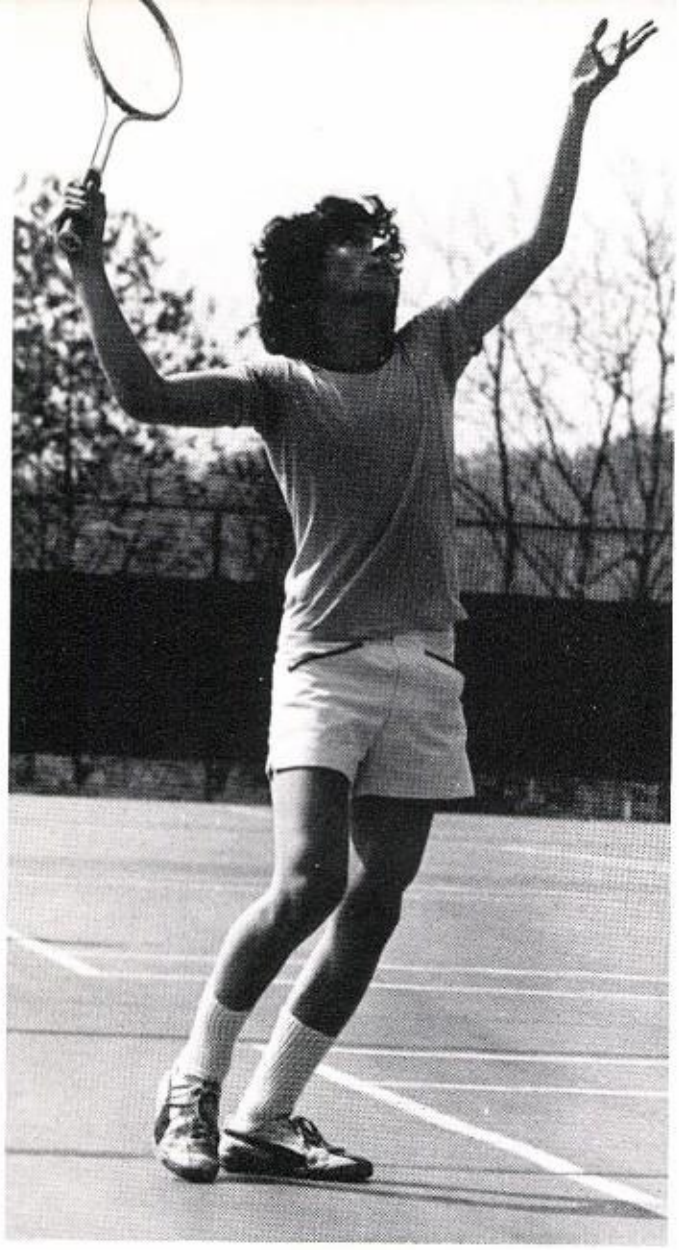
BOYS' VARSITY/J.V. TENNIS

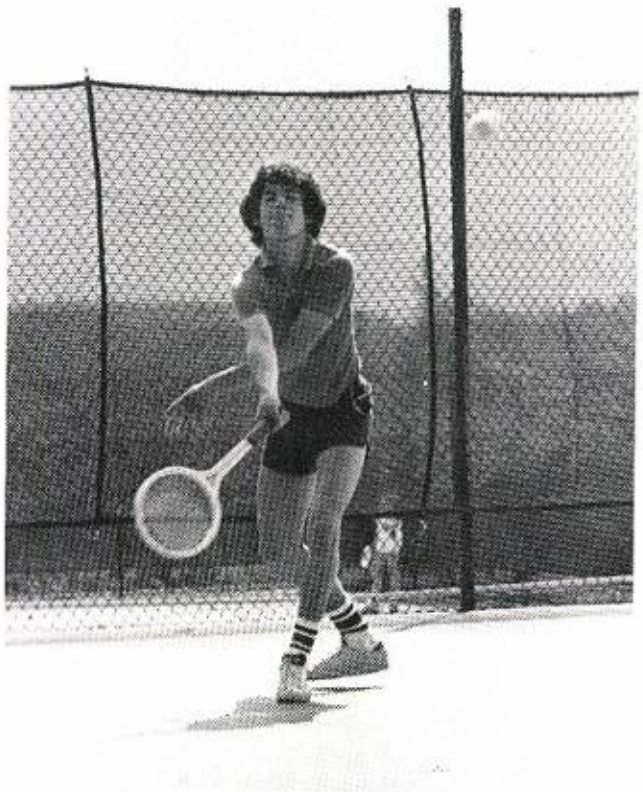
Row 1: J. Holmes, P. Rockley, J. Moskowitz, C. Winnick, M. Longo. **Row 2:** C. Johnson, T. Spinner, R. Resnick, M. Rosen, Coach Hogan.



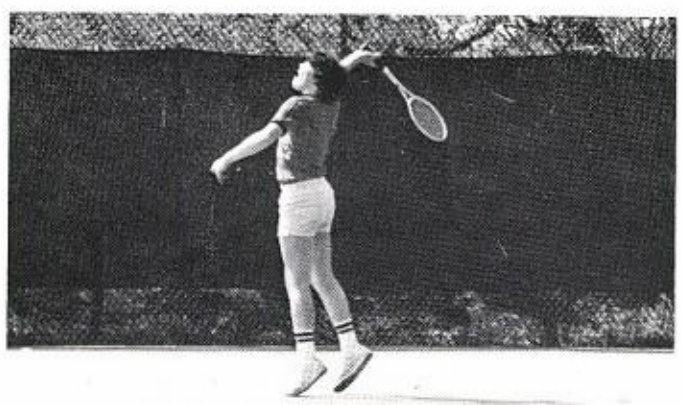


Under the leadership of coach Jim Hogan, the Edgemont varsity tennis team concluded the year sporting a highly successful 14-5 record. Led by Junior and All-League standout Jeff Moskowitz, the team was in contention with Bronxville throughout the year before settling for a second place tie with Hastings. Other players who played significant roles in the success of the team were Junior John Holmes and his Senior partner Ross Arnel, who combined to become one of the premier doubles teams in the league and were subsequently named to the All-League team. Charlie Winnick also contributed with many important victories at the second singles spot and received All-League Honorable Mention.





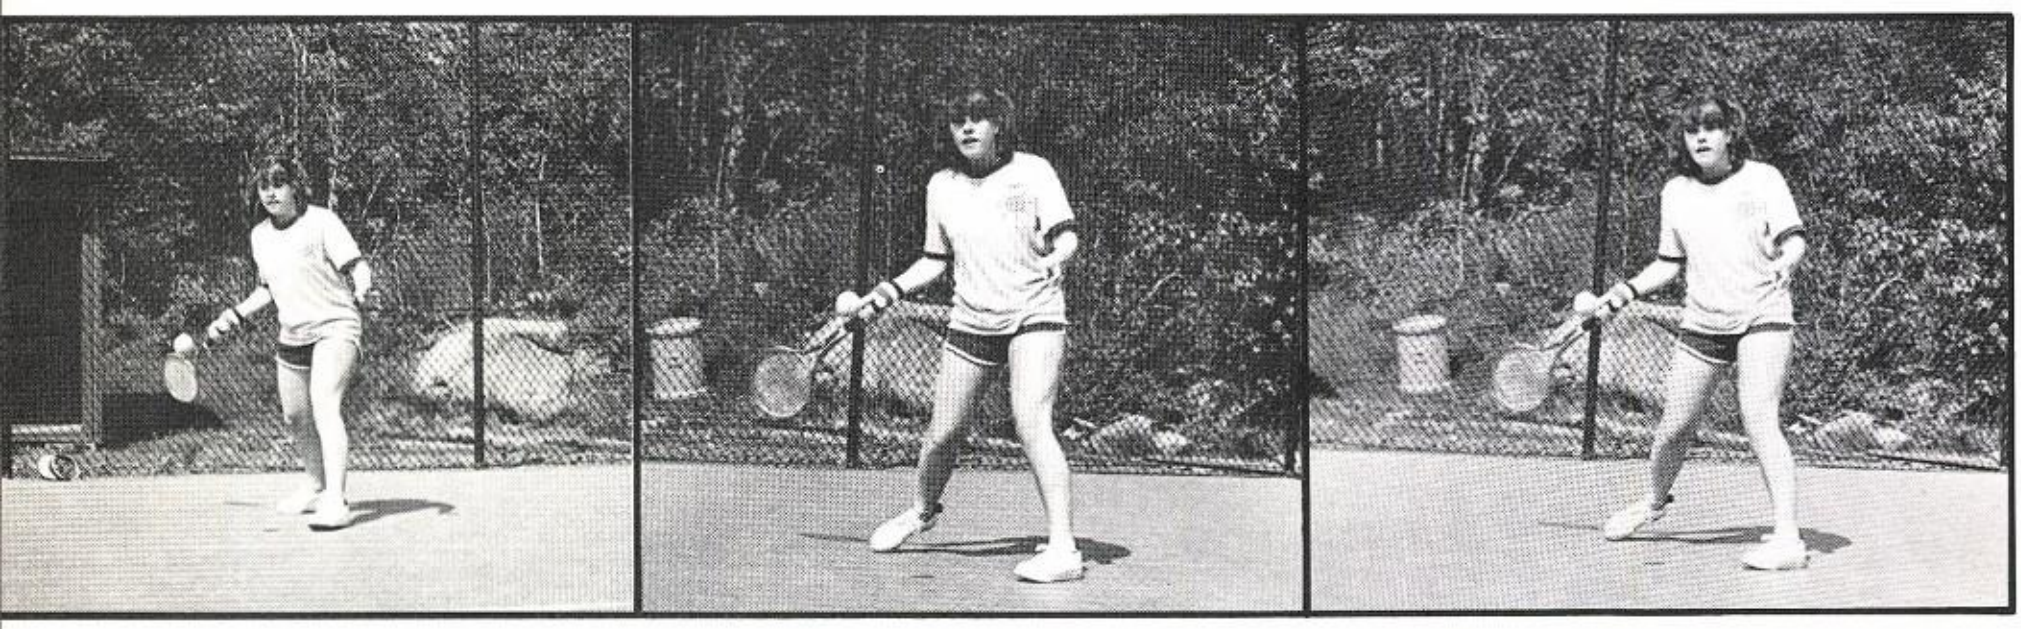
Row 1: R. Steinman, A. Gluckman, R. Gladstone, R. Greene, T. Anbinder, M. Simon. **Row 2:** T. Griffin, P. Lindau, D. Solomon, D. Baumgarten, T. Zankel, J. Goldstein, G. Florio. **Row 3:** N. Freidman, Coach Karabaic, G. Wells.



Last year's boys' JV Tennis Team, coached by Mr. Larry Karabaic, was, for the most part, outclassed in the League, losing four of six matches. Frequent juggling of spots led to confusion in many of the doubles teams, but generally, Richard Gladstone played first singles, Adam Gluckman, second; and David Solomon, third. Doubles were played by Tyler Anbinder/Jamie Goldstein; Doug Baumgarten/Eric Lynn; Robert Greene/Tony Griffin; and Neale Freeman/Gary Florio. However, at the end of the season, Tyler was moved into the singles spot, and in the team's greatest moment, they beat an undefeated Byram Hills team after losing to them earlier at home.

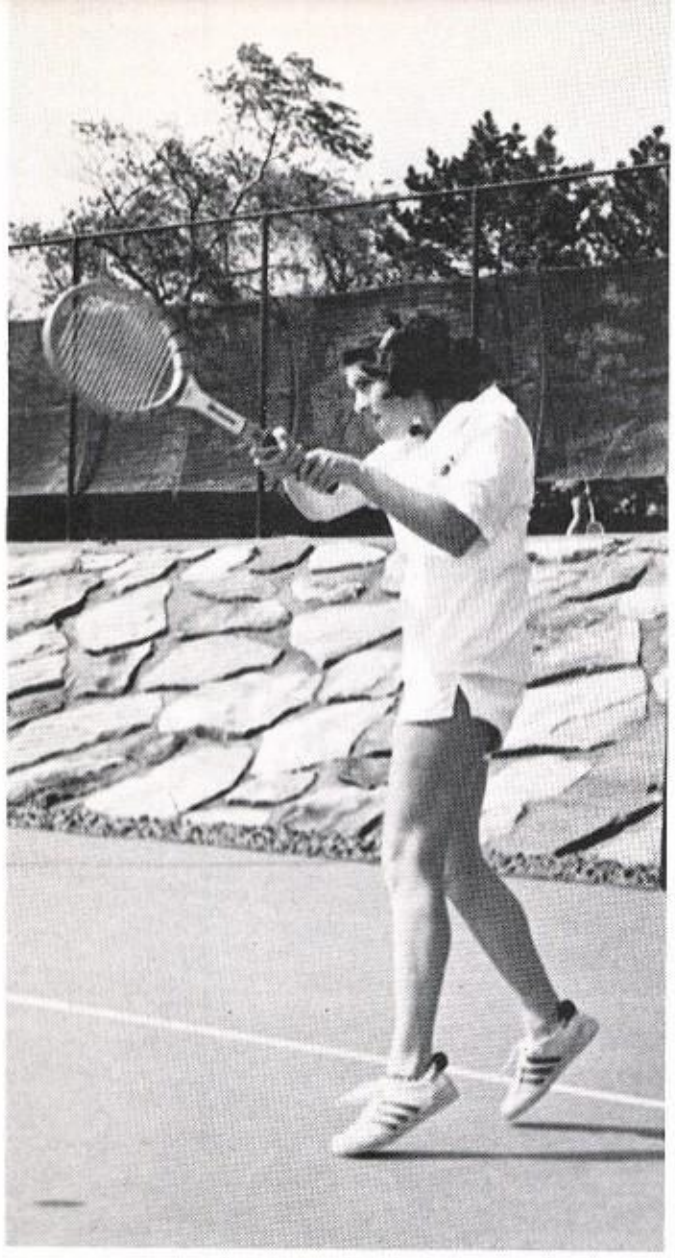
GIRLS' VARSITY/J.V. TENNIS

Row 1: Coach Sloan, L. Miller, D. Flynn, J. Vogel, A. Moskowitz, L. Peng.
Row 2: S. Winograd, L. Gottlieb, B. Sklar, S. Lieberman, A. Satta, Y. Okumura.



The Girls' Varsity Tennis Team ended the season with a 7-6 record, finishing third in the League. Coached by Terri Sloan, the team put up a good fight against more experienced teams like Bronxville and Byram Hills.

Some of the players who really helped the team this year were first singles player Shari Lieberman, who had a near perfect record; singles-doubles player Liz Gottlieb, who had some of the longest, grueling matches; and first doubles team Dana Flynn—Linda Peng, who formed a strong doubles combination. The other singles players were Sharon Winograd and Atsuko Satta. The doubles teams consisted of Linda Miller, Amy Moskowitz, Yukari Okumura, Beth Sklar, Allison Farber, Judy Vogel, and Rachel Manewitz.



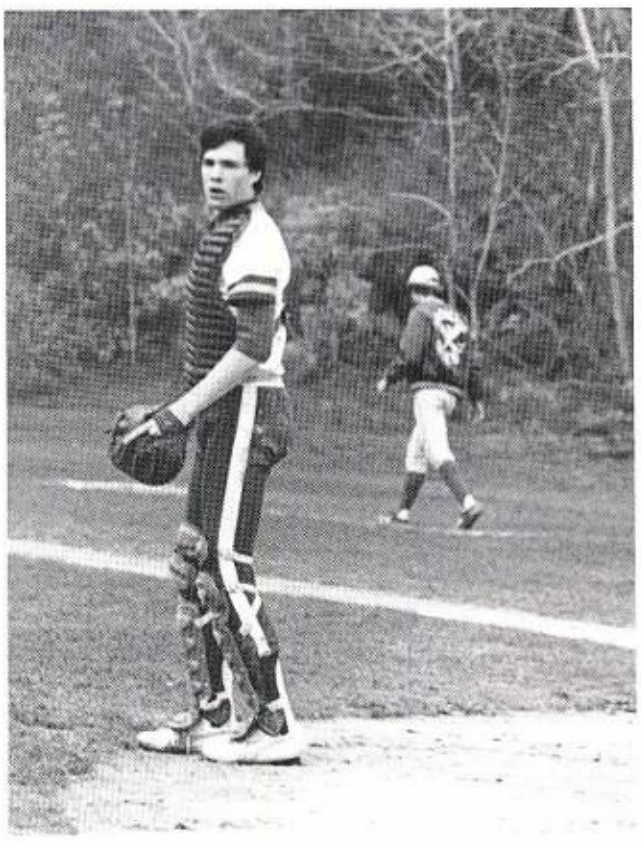
Row 1: Coach Miller, L. Burton, A. Patterson, J. D'Arrigo. **Row 2:** M. Ullman, M. Horner, J. Spinner, H. Williman. **Row 3:** D. Devenuti, L. Arnel, S. Cowan, R. Kleinman.

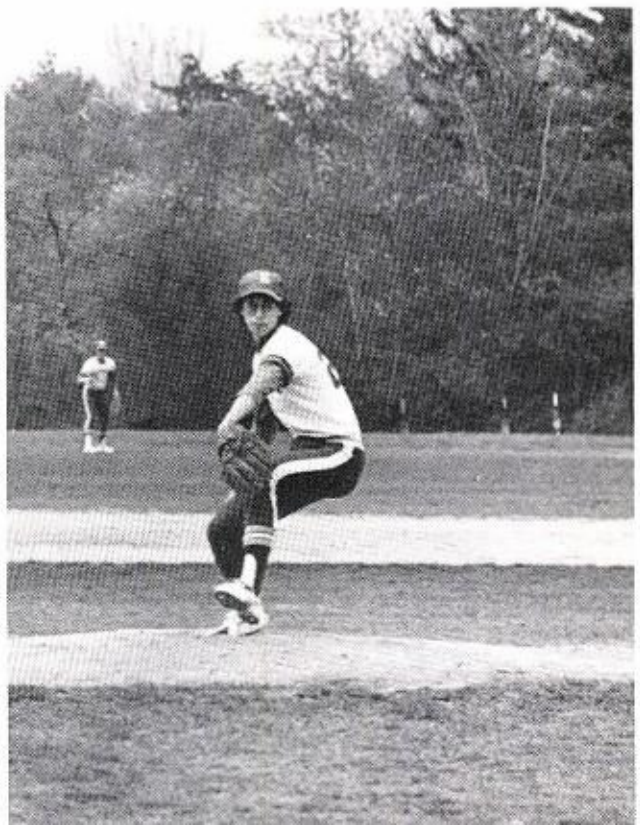
Under the direction of Coach Miller, the J.V. Tennis Team enjoyed a prosperous season for a first-year team. After much debate last spring, it was finally decided that there should be a girls J.V. Tennis Team at Edgemont. There was an enthusiastic turnout for the squad, and the team finished its first schedule with a 3-3 record. Lead players were Laurie Burton (first singles) and Ronnie Klineman (the team M.V.P.).

BOYS' VARSITY/J.V. BASEBALL

The 1978 Varsity Baseball Team finished a mediocre season with an 11-11 record. After Coach San Marco's team jumped out to a 4-0 start, a number of bad breaks were responsible for the leveling off of the slate. The team played well enough to be asked to Sectionals, but unfortunately lost in the opening round.

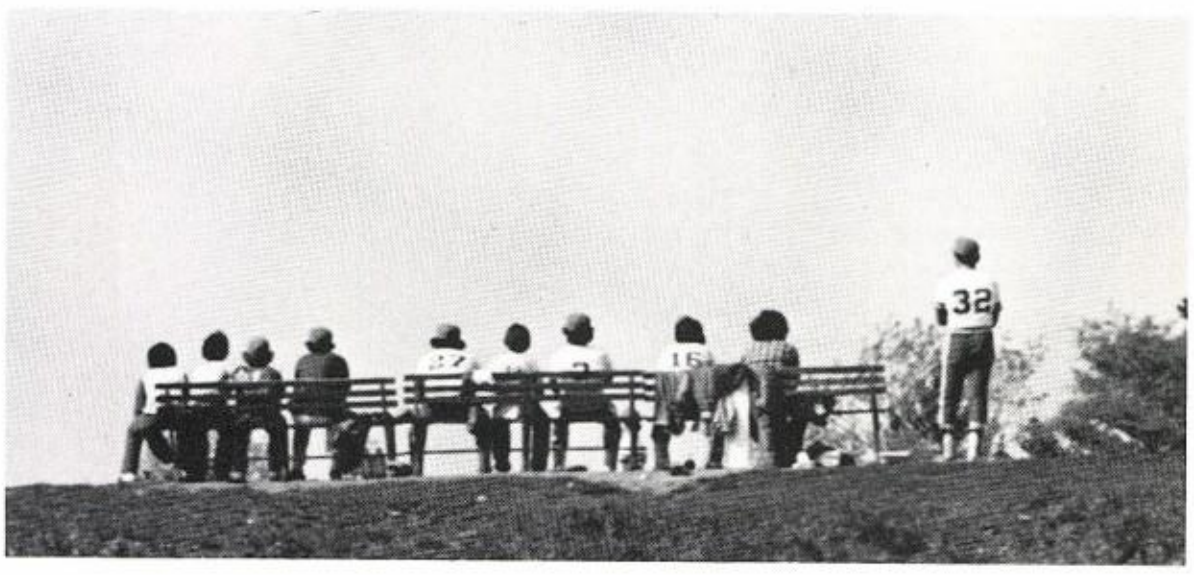
Highlights for the season included a Taka Suzuki—Jim Thorp combination no-hitter against Pleasantville. Another was Sophomore sensation Deece Hannigan's tying of the school's double record with five. Other stars were pitcher Adam Burrows with seven victories, Phil Bellissimo with two homeruns, and Pete Sileo with thirty-six consecutive stolen bases over a two year span.

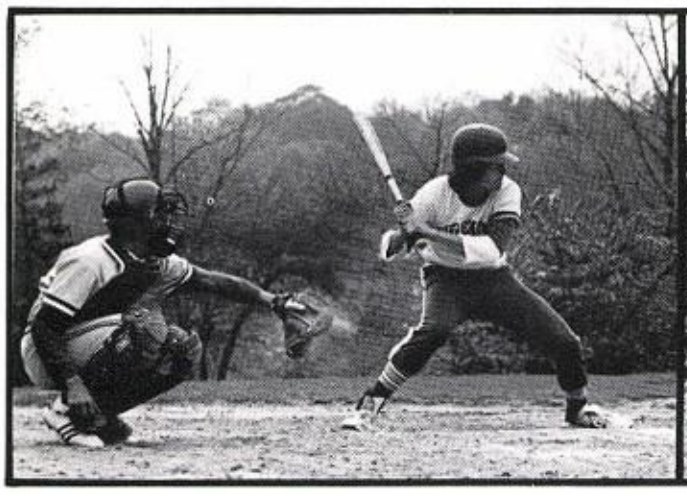


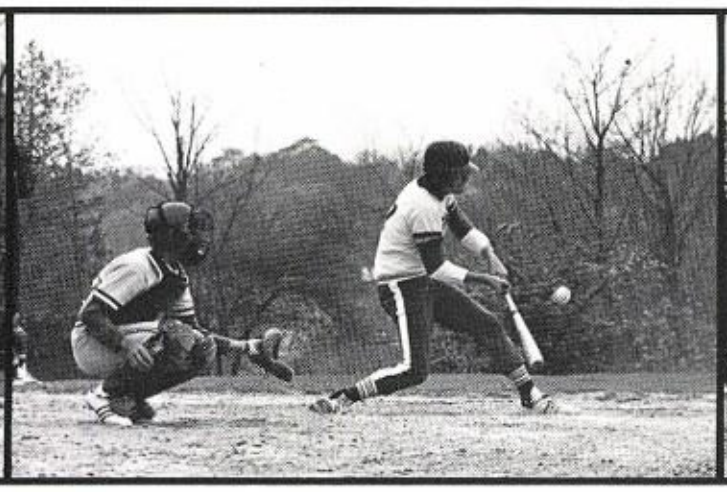


Row 1: M. Tracy, E. Sileo. **Row 2:** D. Deschamps, T. Bouza, P. Sileo, J. Bertone, R. Henck. **Row 3:** P. Bellissimo, T. Sileo, D. Hannigan, A. Burrows. **Row 4:** T. Suzuki, V. Gilleonardo, J. Thorp, W. Stern, Coach SanMarco.

The J.V. Baseball Team finished its season with below-par 7-9 record. Despite the record, the team was in every game, losing by not more than two runs in each game. This was mainly because of the inconsistent hitting of the team. The team could not support the superb pitching of P.J. Cosgrove and Mike Rosen who, along with Jon Lewis, shared the pitching chores. The R.B.I. men, who got the hits when they counted most, were Jamie Kornbluh and David Chao. For the long ball, one could always count on Ethan Burrows (1 H.R. and 3 triples). For the J.V. team, no awards were given out, but the season accomplished its goal, which was to prepare the players for varsity ball.







Row 1: B. Lowy, S. Weinstein, J. Flower, M. Rosen, D. Chao, A. Glickman, B. Lang, A. Weinstein. **Row 2:** Coach Daggett, B. Franzino, J. Lewis, P. Cosgrove, L. Epperson, E. Burrows, M. Metzner, A. Zizmor, J. Strauss. **Row 3:** D. Panthen, S. Saren, P. Glass, G. Ryan, R. Matsuka, D. Caratozzolo, L. Weisman.

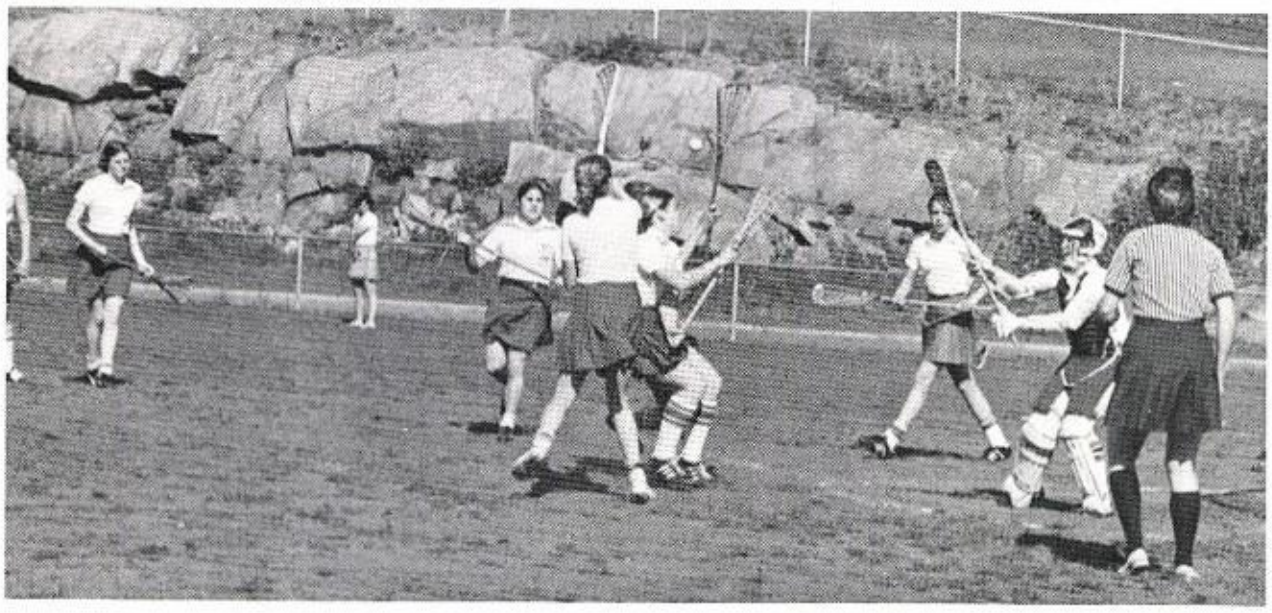
VARSITY LACROSSE

Row 1: M. Gonzalez, B. Barclay, B. Dworetzky. **Row 2:** C. Hatta, A. Davis, D. Duryea, E. Bruckenthal. **Row 3:** R. Husney, G. Ackerman, M. Alpert, Coach Miner, M. Lammert, C. Lytton, M. Capria.

Last season's Lacrosse Team finished its season with an 8-7 record. The young squad started the season by winning its first three games, but then ran up against some tough teams who dampened the girls' hopes for an undefeated season. The team just barely missed the playoffs because of a controversial loss to Mamaroneck. Strong, aggressive play was provided by All-Association players Barbara Dworetzky and Robin Husney and by All-Association Honorable Mention player Michele Alpert. Freshman Carrie Hatta was impressive and appears to be a fine prospect for the future. At the end of the season, the team chose Robin Husney as the MVP.

J.V. LACROSSE/GOLF

Row 1: A. Reed, A. Morosini, A. Borg, M. Schacher, L. Markowitz. **Row 2:** R. Aubry, M. Chang, H. Shifrin, M. Adler, L. Lammert. **Row 3:** Coach Miner, P. Riverso, A. Luria, J. Levine, L. Peng, C. Kurtz.



Last year, for the first time, Edgemont was able to field a J.V. Lacrosse Team. After a shaky start, the team displayed an ability to work as a team and score goals. This young group looks to be an excellent building block upon which to build a very strong Varsity in the next few years.

Spring of 1978 marked the last season for Herb Undercoffler as coach of the Varsity Golf team. Unfortunately, the inexperienced squad was only able to register one win and one tie for its retiring coach. The bright spots of the schedule were the back to back matches with Briarcliff. In the first contest Edgemont was able to capture a tie, even though it was missing two starters. On the following day, with the team at full strength, Edgemont coasted past Briarcliff with a victory. The team's captain Senior Laura Algiero, enjoyed her best year ever in the number one spot. The rest of the team was composed solely of underclassmen so next year's rookie coach will have a fine crop of golfers returning.

BOYS' VARSITY TRACK

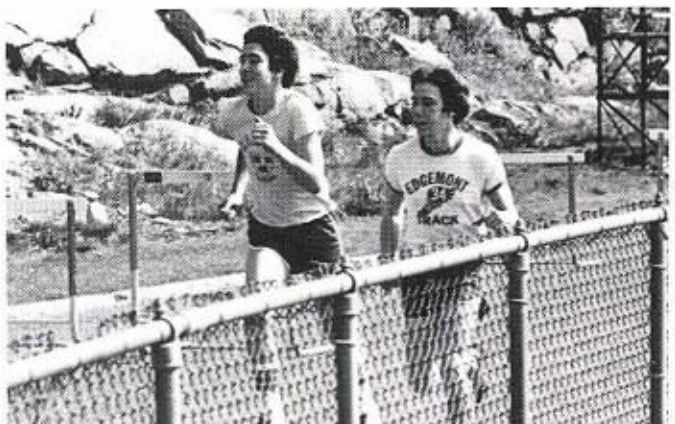
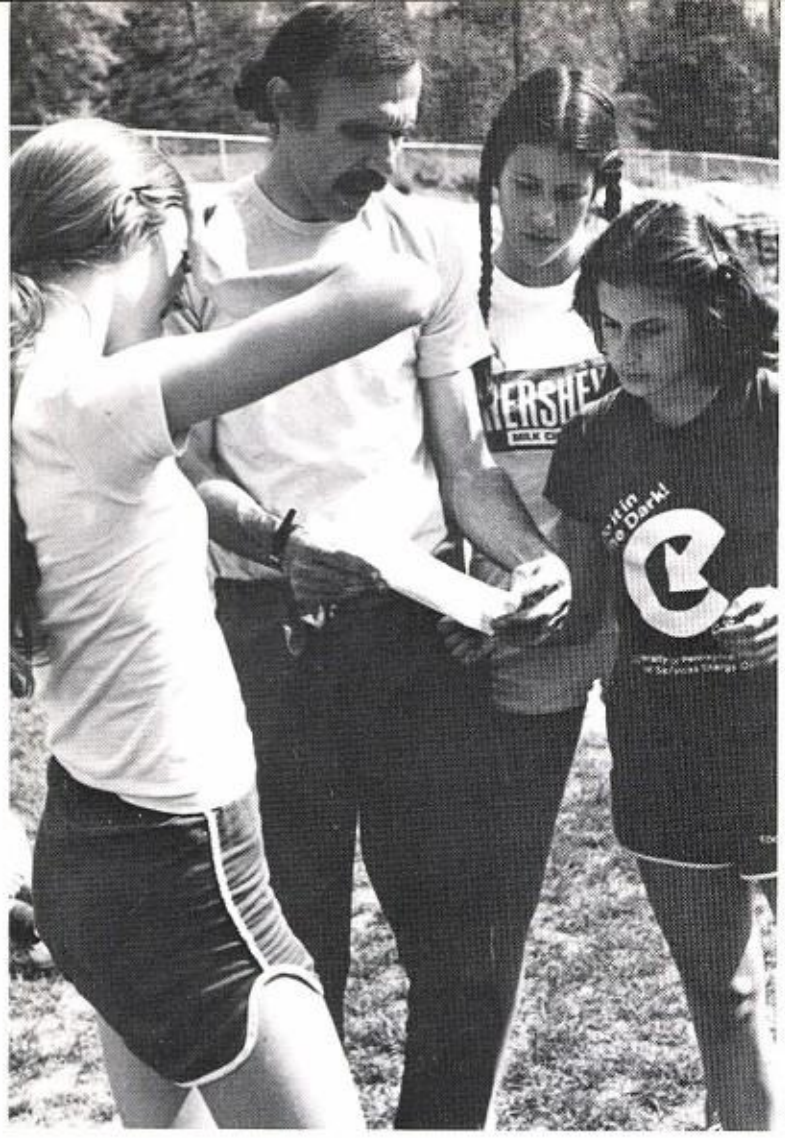
Unlike the past two seasons, this year's varsity track team fell short of its goal for a league championship. Yet despite the fact that this year's squad was small and inexperienced, the enthusiasm of the team did carry it to a third place finish in a very competitive W.I.C.C. South League.

Although the team's performance was not outstanding, there were many fine individual efforts. Tom Nolan, while capturing the All League title in the mile walk, also broke the school record in that event. Pete Forrest won All League titles in the 880 and, teaming with Mike Hudes, Gip Erskine, and Jim Nelson, also won the mile relay. At the annual "E" Club sports award dinner, Pete Forrest and Tom Nolan received CO-MVP trophies.



GIRLS' VARSITY TRACK



June 1978 marked the end of the second season of the Edgemont Girls' Track team, which was coached by Mike Barno. The team consisted of many fine athletes who helped the team in different events. Among the long distance runners, Kim Flynn, Carolyn Schutze, Jane Alexander and Lisa Levine all proved great assets to the team. In the discus event Kate Leven took first place at several meets. Both Linda Martello and Ami Weil received the most valuable player award for their athletic ability and team spirit. Although the record was not as good as the team had anticipated, much improvement and skill was gained by all. Losing only two seniors to graduation the girls' track team is looking forward to a very successful season in '79.
